Dear Mike Sherwin , Melbourn Parish Council

Thankyou for the recent enquiry to replace the stile at the New road cemetery .

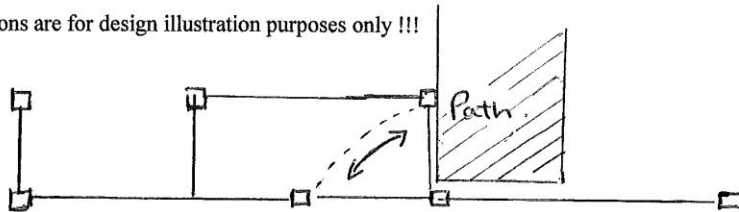

I have now looked at the site , and can now give a quotation .

Below is what I'm proposing , replacing a 6mtr section (not just the stile) As this will give it a balance and some strength , the stile will be replaced with a Kissing gate swinging into a square section large enough for a wheel chair ?!

The prices quoted are for Design , Manufacture , installation of new metal gate railings , and also for the removal of the existing wood panels .

The two photo options are for design illustration purposes only !!!
