

MELBOURN PARISH COUNCIL

District of South Cambridgeshire

Meeting: 23 July 2020 (Maintenance Committee)

Date of Report: 29 June 2020

Agenda Item: MA008/20a) Stockbridge Meadows updates

Update received from Maureen Brierley

- 1 Paths are not overgrown mostly due to the footfall which has increased since the pandemic.
- 2 New unplanned path near the river which is growing wider by the day which is of concern.
- 3 The amenity area is well chopped but the thistles* are growing which will not be pleasant for children playing.
- 4 Also the rabbit holes and scrapes continue to appear and some are growing larger.
- 5 The good news is how well the new fruit trees are doing.

*HCGM have now cut the amenity area
