**Subject:** Streetlight on Clear Crescent in Melbourn

Dear Mr Crocker,

We have been made aware of a streetlight on Clear Crescent with prefix CC2 that was identified to be removed on the CIP programme, a few years ago. Do the Parish think that this column could be now a Parish column? Could have been requested to be left on the site and become a Parish light?  
We would not wish BB to remove a column that Parish wished to stay and own.  
I have attached the PFI drawing which was used on the discussions with the Parish, at the time of the consultation, for your assistance.

Kind regards,  
Irina Ferreira
