

MELBOURN PARISH COUNCIL

District of South Cambridgeshire

Meeting: 19 November 2020 (Maintenance Committee)

Date of Report: 11 November 2020

Agenda Item: MA070 20c) Request to re-route public footpath

Dear Sir / Madam

I am emailing you as I have been given your contact details in respect of consulting your user group about a proposed diversion of a Public Right of Way which runs through a school field owned by Melbourn Village College, the purpose of the proposed mapped diversion is so that the construction of an artificial grass pitch can be undertaken which gained planning approval earlier this year.

The report and attached drawings I hope explain the existing and proposed mapped route changes, and I would ask that you formally reply to this email with either your approval or any concerns you have. Once I have collated all the responses a formal application will be made to Cambridgeshire County Councils Rights of Way Officer. I will try and answer any of your questions if you have any.

If you are not the correct person within your organisation to address this email to could you let me know by return who is.

Best regards, Phil
