The Parish Clerk - Claire Littlewood

Q2090 – Melburn Community Hub

Relating to an email sent from the Parish Clerk on January 27th, 'we are particularly keen to secure tenders for the groundworks and drainage and I would be very grateful if you could tender separately for this part of the project.

Price for groundwork at Melbourn Hub, £6,300 + VAT and includes:

Locate utilities across site

Level out working area

Set out foundation for new structures as per drawing supplied,

*Dig out for strip foundation - Assume 1000mm depth & 600mm width, **no allowance for any formwork/timbers,***

Pour strip foundation

Install u/g RWP as required,

Connect to existing system, approx. 5m from each corner of new plot,

Price includes plant, labour, materials, and inert muck away, subject to site visit.

Many Thanks

Jamie Russell
