Dear Claire

Sorry this is last minute, here are the quotes for the items as requested

Empty soil store in New Rd Cemetery as previously done **Total £420.00 x Vat**

Remove the large stones from the mound at Clear Crescent Park.

As discussed, this will require machinery to do this due to the weight of the stones. The bank will need re topsoiling & grassing where the holes will be once stones are out.

It is a job to give a quote to re in stall the stones unless we know how & where they are going to go. We are quoting two prices below one to remove stones from site & the other to re install them dug into the ground as they are now.

Remove stones from the bank, backfill with soil & grass over to blend in with the rest of the bank. Remove stones from site.

Total £630.00 x Vat

Reset stones into the ground once removed from site, make good around the edges with topsoil/grass to leave a nice finish

Total £180.00 x Vat (if done at same time as digger hire etc is included in the above price)

Should you need to discuss anything, please do not hesitate to contact me

Kind Regards
