

**MELBOURN PARISH COUNCIL**

**PARISH COUNCIL MEETING**

**Date : 26 April 2021**

**Item: PC141 20b) Article for The Melde**

Article....

*I have recently joined a newly reformed Parish Council working party. The working party is made up of our County Councillor, District Councillor Parish Councillors and a number of residents. The current aims are to explore ways we can improve road safety within the village of Melbourn. The group will be looking at a number of options, as we progress with this initiative I will update you through the magazine. Also the group is looking at a village wide flyer to gain support and assistance for improving the status of our roads. Look for the flyer in the near future.*

Peter.
