

MELBOURN PARISH COUNCIL

(District of South Cambridgeshire)

An online meeting of this Council was held on Monday, 22 March 2021 via Zoom link**<https://zoom.us/j/94335130500> at 7.30pm***Members of the public are reminded that copies of reports and supporting documentation for agenda items can be obtained from the Parish Council website or on request to the Clerk***Present:** Cllrs Clark (Chair), Cowley (Vice Chair), Baker, Barnes, Buxton, Davey, Hart, Kilmurray, Kent, Travis, Wilson**Absent:****In attendance:** Claire Littlewood – Parish Clerk, Stephanie Trayhurn – Timebank Coordinator, County Cllr van de Ven, District Cllr Hales, approximately 7 members of the public**PC115/20 To receive and approve apologies for absence**

No apologies for absence were received.

PC116/20 To receive any Declarations of Interest and Dispensations

- a) To receive declarations of interest from councillors on items on the agenda
- b) To receive written requests for dispensations for disclosable pecuniary interests (if any)
- c) To grant any requests for dispensation as appropriate

Requests for dispensations were received from Cllrs Travis and Kilmurray (as directors of the Hub Management Group) and Cllr Wilson (knows Tom Upcraft, the Project Manager personally) for items PC121/20a) to d). Dispensations to participate in the discussion but not to vote were granted.

PC117/20 Chairs' Announcements – For information only

Futures Working Party is meeting regularly. Currently looking to locate MVAS units around the village.

Request to Councillors to check their emails daily as there are regular updates with regard to Hub extension works that may require action.

PC118/20 To approve the minutes of the Parish Council Meeting held on 22 February 2021

It was:

RESOLVED to approve the minutes of the Parish Council Meeting of 22 February 2021 as an accurate record.

Proposed by Cllr Hart, seconded by Cllr Cowley. All in favour.

PC119/20 To report back on the minutes of the Parish Council Meeting held on 22 February 2021

PC108/20b) Very high electricity bills for pavilion. Users requested not to alter heating controls.
PC108/20d) 4i Water Services confirmed that one annual service for air-conditioning units is sufficient

PC120/20 Public Participation: (For up to 15 minutes members of the public may contribute their views and comments and questions to the Parish Council – 3 minutes per item). Written responses to questions raised will be made by the Parish Office within 14 days of the date of this meeting.

A member of the public noted: 83 High Street is owned by the Parish Council. Historically the British Legion used a building on the site but this fell into disrepair and was demolished. 83 High Street has never been a remembrance or memorial garden. The Parish Council maintains a memorial at The Cross.

A member of the public noted: 83 High Street was given to the village by the father of Sir Stanley Fordham of The Bury. It was given to the village for the establishment of a workingmen's club after the turn of the century and operated as such for many years. Was previously used by the scouts and the British Legion until the building on the site was demolished. It was never intended to be a memorial garden.

A member of the public noted: Several people noted that children used to enjoy sitting in the garden. Now it is felt that they no longer wish to do so as it appears there is a dead body buried there.

A member of the public noted: The land is owned by the Parish Council who took the decision to locate the stone in the garden. There is concern about the cost of moving the stone. Noted that there were only three options in the public consultation, not including leaving the stone where it is. The cost of moving the stone is high and it is unclear why there was never an option to leave it where it is.

A member of the public noted: The original site for the stone was supposed to be on The Cross but this was found not to be a suitable location.

A member of the public submitted comments by email: What was the original objection to the Kohima stone remaining in its current position? Please would the Parish Council clarify why I have been unable to obtain a copy of the report mentioned in the meeting notes from 25th February 2020 despite requesting this? Why did the public consultation not include the status quo (remaining where it is) in the options available to vote on? The number of spoilt ballots were indicative of people wanting to indicate that this was their preferred option. In view of the opposition towards its removal currently being voiced in the village Facebook Group would the Parish Council please consider a further consultation with wider publicity to hopefully attract a more representative number of votes cast? Are there any plans to change the use of the current plot in which the stone is located given that it has now been registered with Land Registry?

Cllrs noted: There was an option to keep the stone at 83 High Street but located further back on the site. Further noted that following the public consultation, the decision was taken to retain the stone but to relocate it to a more appropriate position in New Road Cemetery. This was considered a more appropriate place for private reflection. The sequence of decisions relating to the stone was summarised.

PC121/20 Melbourn Community Hub Expansion:

- a) To receive an update on the Hub extension works

The report was received. Build works are progressing. Regular budget reporting will follow from next month. Weekly steering group meetings taking place to monitor the works and budget and regular reports to Council would follow.

- b) To discuss and consider arrangements for approving expenditure

A proposal to give delegated authority to the Clerk, RFO and Chair to approve expenditure and variations to contracts to avoid unnecessary delays in the process was discussed.

It was:

RESOLVED to give delegated authority to the Clerk, RFO and Chair of the Parish Council to approve additional costs of up to 5% or £1,000 (whichever is the greater) in relation to contractors costs and up to 10% or £1,000 (whichever is the greater) in relation to materials costs. Any others costs in excess of these amounts would require approval by full Council. Proposed by Cllr Davey, seconded by Cllr Hart. In favour: Cllrs Barnes, Baker, Buxton, Cowley, Kent, Davey, Hart, Clark. Abstain: Cllrs Travis, Kilmurray, Wilson.

- c) To note email decisions (change to groundworks contractor / amendment to Brownstone's contract / ES Pipeline costs)

The email decisions were noted.

- d) To receive any other updates and consider actions

Nothing further to discuss.

PC122/20 Finance Matters:

- a) To receive and consider the monthly finance report

The report was noted.

- b) To receive and consider the approvals list for March 2021

Noted that electricity charges for the workshop and Pavilion still appear very high. Also queried small regular charges for Orchard Road Cemetery and the Old Rec. **ACTION:** Clerk to provide copies of recent invoices to Cllr Cowley to review.

It was:

RESOLVED to approve the approvals list for March 2021.

Proposed by Cllr Cowley, seconded by Cllr Wilson. All in favour.

- c) To consider quotations for the relocation of the Kohima Stone

Quotes were considered.

It was:

RESOLVED to accept Hibbitts quote for £2,270 + VAT plus a possible additional cost of up to £100 for anchor rods to relocate the stone from 83 High Street to New Road Cemetery.

Proposed by Cllr Travis, seconded by Cllr Kilmurray. In favour: Cllrs Barnes, Baker, Buxton, Cowley, Kent, Hart, Clark, Travis, Kilmurray, Wilson. Abstain: Cllr Davey.

- d) To consider quotations for the annual maintenance of air conditioning units

4i's response to the query relating to frequency of servicing, particularly having regard to Legionella was noted.

It was:

RESOLVED to accept the quotation from Airway for annual maintenance of the three air-conditioning units at The Hub.

Proposed by Cllr Cowley, seconded by Cllr Barnes. All in favour.

- e) To consider quotations for tree work on Orchard Road

Noted that these trees were flagged in the tree inspector's report (August 2019) for re-inspection in 12-18 months from the date of the report. Concern had recently been noted by a neighbouring resident.

It was:

RESOLVED to approve the quote from Shire Trees in the sum of £1,425 + VAT.

Proposed by Cllr Wilson, seconded by Cllr Baker. All in favour.

- f) To receive any other updates and consider actions

Nothing further to discuss.

PC123/20 Governance Matters:

- a) To receive a combined report from the District and County Cllrs for Melbourn

The report was received.

County Cllr van de Ven reported on progress with gulley clearance in the village and resurfacing of Beechwood Avenue. Changes to No 127 bus service. Also Fostering and Adoption campaign, County Laptop campaign and resignation of Deputy Leader.

District Cllr Hales reported on council tax increase. Covid 19 support for business – grant status iro £10m. Also significant funds distributed in hardship grants. Bourn Air Field given outline approval. Planners requesting input into the Cambridge Water plant.

- b) To consider approving direct debits for regular payments

It was:

RESOLVED to approve a new direct debit for Lucid System (for IT support) and to approve the current list of direct debit mandates.

Proposed by Cllr Cowley, seconded by Cllr Barnes. All in favour.

- c) To consider a request from Cambridgeshire County Council to receive payment of s106 monies for Community Transport Vehicle Contribution

Discussion with regard to request from Cambridgeshire County Council to pay over s106 monies to the Parish Council to establish and run a community transport scheme. Parish Office discussed with s106 Officer at District Council that the Parish Council be permitted to hold and administer the money for the benefit of Royston & District Community Transport, as an established community transport scheme. District Council approved. Draft agreement to be put

in place between the Parish Council and RDCT setting out terms of the arrangement. Noted that this is not grant funding but s106 monies and payment would not preclude RDCT from apply for community benefit grant funding in the future.

It was:

RESOLVED to approve the Agreement between the Parish Council and Royston & District Community Transport setting out the terms upon which the s106 monies would be administered by the Parish Council.

Proposed by Cllr Buxton, seconded by Cllr Barnes. All in favour.

- d) To consider a request from the Melbourn Fete Committee to hold a Family Fun Day

It was:

RESOLVED to approve the request from the Melbourn Fete Committee to hold a Family Fun Day on the Old Rec, New Rec and Pavilion on Saturday, 26 June 2021.

Proposed by Cllr Davey, seconded by Cllr Kilmurray. All in favour.

ACTION: Clerk to contact Dr Atkins with details of the next funding round for Community Grants. Also to provide details of SCDC Community Chest funding now available for projects affected by Covid.

- e) To consider quotations for replacement fencing at The Cross to be funded from s106

Quotations were considered. Noted that the Maintenance Committee had recommended Willards quote in the sum of £6,254.51 + VAT. Noted that this work can be funded from s106 monies. It was suggested that the quote be updated to include the fencing at 83 High Street.

ACTION: Clerk to request an updated quote from Willards to include 83 High Street.

- f) To consider quotation for an interpretation board for the Jubilee Orchard to be funded from s106

Cllr Barnes was thanked for her work on the updated interpretation board design. A quote for the interpretation board from Landmark was considered.

It was:

RESOLVED to approve the quote for an interpretation board from Landmark in the sum of £740 + VAT to be funded from s106 monies.

Proposed by Cllr Kilmurray, seconded by Cllr Davey. All in favour.

- g) To consider arrangements for the Annual Council and Annual Parish Meetings

Noted that the regulations allowing virtual meetings expires on 7 May. Annual Council and Annual Parish Meetings to be held in May. To ensure safety of Cllrs and members of the public wishing to attend, it was suggested that these meetings should be scheduled before expiry of the regulations which would require a return to face to face meetings.

It was

RESOLVED to approve the following dates for additional meetings in the Parish Calendar of Meetings: Annual Parish Council Meeting – Tuesday, 4 May 2021 / Annual Parish Meeting – Wednesday, 5 May 2021.

Proposed by Cllr Barnes, seconded by Cllr Kilmurray. All in favour.

PC124/20 Melbourn Timebank

To receive any updates and consider actions

Chair welcomed Steph Trayhurn the new Timebank Coordinator. Steph introduced herself to the meeting and provided an update on Timebank activities. Although current restrictions present challenges, as far as possible Timebank activities are continuing. New initiatives include Small Acts of Kindness, Walk and Talk. Feedback and suggestions were invited.

PC125/20 HR Matters:

- a) To consider a report from the HR Panel on 6 month probation reviews the Clerk and Assistant to the Clerk.

Chair of HR Panel noted that Clerk and Assistant to the Clerk have recently completed mid-term reviews – both satisfactorily completed 6 month probationary period. Future appraisals including RFO and initial 3 month review for Timebank Coordinator have been scheduled.

- b) To receive any updates and consider actions

Nothing further to discuss.

PC126/20 Planning Matters :

- a) To receive an update on the proposed Thakeham development

Update received from County Cllr van de Ven. Noted that Anthony Browne MP is seeking support for his online petition. Further meeting with parish representatives to be held - MP invited to attend with updates to be made at the next public meeting. County Cllr van de Ven provided clarity on questions raised with regard to extent of the development (still expected to be 25,000 homes). Noted that no submissions with regard to call for sites received by SCDC. Noted there is a great deal of misinformation relating to this proposed development. Noted that Thakeham have made substantial contributions to the Conservative Party. FOI request was refused. Appeal to be lodged by SWCAG. All information is available on the SWCAG website.

- b) To discuss and consider areas of open space (Orchard Gardens / Greengage Rise)

Chair of Planning Committee introduced these items.

Orchard Gardens : Stonebond have indicated that they wish to retain and maintain the open spaces. Parish Council usually take transfer of open spaces with a payment to cover maintenance for 10 years – thereafter to be precepted. Would prefer this arrangement as it protects against changes in ownership of the properties which may lead to open spaces not being adequately maintained. Compromise suggested that Stonebond maintain the open spaces for 12 months from the last occupation of the last property, thereafter to transfer the areas to the Parish Council with balance of the s106 payment to maintain for remaining 9 years. **ACTION:** Clerk to discuss with s106 Officer at SCDC.

It was:

RESOLVED that, subject to agreement of s106 Officer, Stonebond should maintain the open spaces on the Orchard Gardens development for a period of 12 months following last occupation of the last property. Thereafter, the open spaces to be transferred to the Parish Council with the balance of the s106 monies to maintain for the remaining 9 years.

Proposed by Cllr Kilmurray, seconded by Cllr Cowley. All in favour.

It was:

FURTHER RESOLVED that, in the event that the s106 Officer at SCDC rejects the proposal as set out above, then the open spaces should be transferred to the Parish Council on the last occupation of the last property with payment of the s106 monies for the full 10 years to maintain the areas.

Proposed by Cllr Cowley, seconded by Cllr Travis. All in favour.

Greengage Rise : Chair of Planning Committee provided background. Development was completed c1976 but this piece of open space was not transferred to the Parish Council at the time. Subsequent applications to develop the land have been unsuccessful (ref paras 5-7 of the Appeal Decision 26/3/2012). Noted that there is a lack of children's play space in this part of the village. The area is currently maintained by local residents. *[Post meeting note: This piece of land is currently in the Parish Council's grass cutting contract.]*

It was:

RESOLVED to instruct the Clerk to approach Taylor Wimpey to request that the land should be transferred to the Parish Council (subject to agreement of legal fees) and for the Parish Council to maintain the land thereafter.

Proposed by Cllr Davey, seconded by Cllr Baker. All in favour.

ACTIONS:

- Draft Grounds Maintenance contracts currently under review prior to tender. This piece of land should be included in the grass cutting contract for future maintenance.
- Clerk to write to local residents to advise that the Parish Council wishes to take transfer of this land and maintain it.

- c) To receive any updates and consider actions

District Cllr Hales noted that Planning Portal is currently experiencing technical difficulties.

PC127/20 Policies and Terms of Reference:

- a) To note the updated Financial Regulations

This was noted.

- b) To note the updated Policy and Procedure for Prepaid Debit Cards

This was noted.

- c) To consider approving the Investment Strategy

It was:

RESOLVED to approve the Investment Strategy for 2021/22 as presented.

Proposed by Cllr Cowley, seconded by Cllr Buxton. All in favour.

PC128/20 To note the date of next meeting:

The next full Council meeting will be held on 26 April 2021.

PC103/20 To approve the minutes of the Parish Council Meeting held on 11 January 2021

It was:

RESOLVED to approve the minutes of the Parish Council meeting held on 11 January 2021 as an accurate record.

Proposed by Cllr Davy, seconded by Cllr Buxton. All in favour.

PC104/20 To report back on the minutes of the Parish Council Meeting held on 11 January 2021

There was nothing to report.

PC105/20 Public Participation: (For up to 15 minutes members of the public may contribute their views and comments and questions to the Parish Council – 3 minutes per item). Written responses to questions raised will be made by the Parish Office within 14 days of the date of this meeting.

Members of the public in attendance were invited to put questions to the meeting. No questions were forthcoming.

PC106/20 Melbourn Community Hub Expansion:

- a) To consider approving the proposals contained in the Project Strategy and Tender Decision Document

Chair introduced Tom Upcraft, project manager for the Hub Expansion Project. Mr Upcraft outlined his role in the project including preparation of schedule of works which had informed the budget. Mr Upcraft had also prepared the tender documentation. Key priority is to obtain best value.

Questions were invited from Cllrs:

A member queried the time scale of the project?

TU responded this would be 4-5 months.

A member noted that although Norburys would be supplying materials at very favourable rates, how were the amounts for other materials suppliers arrived at?

TU responded that the schedule of works and materials list had been drawn up at a very early stage. Quotes for materials had been obtained where possible. However, different options would be explored, such as off-site construction of timber panels. Cost is key but also expediency of supply. Initially, extraneous costs can be extracted but these can be added back if necessary.

A member noted that plumbing and heating costs had been obtained separately. Of the contractors who had supplied quotes for this element, who would Mr Upcraft recommend as this is not noted in his report?

TU responded that Brownstone would be his preferred contractor for plumbing and heating.

A member suggested that, for the benefit of members of the public, sources of funding for this project should be explained.

The project is to be funded from two sources:

- S106 monies from the TTP expansion - £96,704.05
- S106 monies already allocated for storage upgrade - £12,568.00
- Grant funding from Cambridgeshire County Council - £65,000.00

No precept monies to be allocated to the project.

A member noted that whilst there is a 30% contingency allowed for all elements of the project, how will the project be funded in the event of overspend?

TU responded that contractors are aware that this is a fixed budget. In addition, the level of contingency is very generous. Noted that any significant problems are most likely to be identified at the groundworks stage of the build, therefore providing an opportunity to review and resolve any difficulties at an early stage.

[19:50 Cllr Kent joined the meeting.]

A member noted that a 30% contingency is very generous. However, if necessary, further grant funding would be sought.

A member queried what would happen to unspent funds.

Response was that £65,000 grant funding must be spent within a specified time period so would be utilised first. S106 monies to extend and improve the Hub must be spent within 10 years.

Funding arrangements and contingency levels were discussed and noted that no precept monies will be made available to the project.

There was discussion as to the generous contingency built in to the budget. Cllrs noted confidence that sufficient provision was made to prevent further funds being needed.

TU also noted there will be pre-project meetings to rigorously consider how spending will be signed off; and that he would be based on-site for majority of the construction phase for regular meetings. Thus, any potential overspend will be quickly identified.

Proposals were considered for each of the recommendations made in the Project Strategy and Tender Decision Document as follows:

It was:

RESOLVED to appoint Jordan and Sons as the groundworks contractor for the Hub extension in accordance with their tender in the sum of £6,935.00.

Hub Management Chair + one Hub director

The purpose of the meeting is to track and anticipate the tasks and issues as these arise, particularly with respect to spend.

A proposal will be made to Full Council to permit the Clerk, RFO and PC Chair to approve up to 5% (or £1,000, whichever is the greater) of the agreed budget for a particular element of the project and up to 10% (or £1,000, whichever is the greater) of the agreed budget for materials in each approval category of the original financing decision (PC106/20a)). A 30% contingency allowance is currently present in each category. If taken, such Steering Group decisions on spend will be made known monthly to Full Council. This delegation of spend authority is in recognition that some practical measures must sometimes be taken promptly. It is not a signal that major overspending is anticipated.

Financial Status – Spend vs. Budget

The project is at a very early stage. No significant payments have yet been made although materials have been delivered against supplier accounts and contractors can be expected to part invoice by month end. A financial summary will be available to council meetings as from next month.

Other Events and Decisions

- With the agreement of Brownstone, the bid element for the block and beam floor stage within their tender document was offered and accepted by Jordan and Sons. This had two beneficial effects, (a) a cost saving of £1,590 and (b) a time saving of two weeks by allowing Brownstone to commence the building construction as soon as they become available in early April.
- The outline quotation from British Gas for altering the incoming supply pipework was increased from an estimated £1,500 to £2,058.67.

Both these changes were the subject of formal email decisions by Council.

Importance: High

Dear all

Thank you for responding to this email decision. As there is a clear majority in favour of this proposal, I will confirm the order with ES Pipelines:

In favour: Cllrs Clark, Cowley, Hart, Davey, Baker, Kent, Buxton

Against:

Abstain: Cllrs Travis and Kilmurray (as Directors of the Hub).

Further to previous emails with regard to the relocation of the gas pipeline, ES Pipelines have now confirmed that their charges for relocating the gas pipeline will be £2,058.67 + £411.73 VAT.

An earlier email decision approved spend for this piece of work up to £1,500. This figure was based on ES Pipelines' estimate but it is worth noting that the company had indicated their costs could only be confirmed on receipt of an order from us for the works.

In the circumstances, can I ask that you reply to the following updated resolution:

PROPOSAL: That ES Pipelines' costs for essential works to relocate the gas pipeline at the Hub be approved in the amount of £2,058.67 + £411.73 VAT.

Many thanks

will be between £1,000 and £1,500 but they will only be able to confirm the actual cost on receipt of the application (attached).

As the lead time for this work is 8-12 weeks, I would like to place an order for the works today.

In the circumstances, can I please ask councillors to indicate their approval for expenditure to the divert the gas supply at a cost in the region of £1,000 - £1,500 (precise cost to be confirmed by the utility supplier).

Many thanks

Background

At the Parish Council meeting on Monday, 22 February 2021, it was resolved to accept the tender for groundworks from Jordan & Son at a cost of £6,935.00.

Brownstone was approved as the main contractor for the build at a cost of £43,525.00.

Jordan & Sons have confirmed that they can commence groundworks on **8 March 2021**.

However, in subsequent discussions with Brownstone, it has become clear that they are unable to commence the blockwork until mid-April.

In the circumstances, Tom Upcraft has discussed with Jordan & Sons extending the scope of the works to be undertaken by them to include blockwork to BPC, beam and block floor. They have confirmed that they can undertake these additional works to follow immediately after the groundworks they are already contracted for. They had previously tendered for the blockwork at a cost of £2,106.

In the circumstances, Tom would like to instruct Jordan & Sons to undertake the blockwork **in addition** to the groundworks approved by full Council. The block element would therefore be removed from Brownstone's quote.

The benefits would be :

- avoiding delays in triggering the Building Inspection to satisfy the deadline in our planning permission; and
- a cost saving of £1,590 (Brownstone's quote for this element was £3,696).

The proposal:

That the blockwork to BPC, beam and block floor element of the Hub extension works be awarded to Jordan & Sons in accordance with their tender of £2,106 and that the contract awarded to Brownstone as the main contractor be amended to exclude this element of the project.

Melbourn Parish Council Finance Report 28th February 2021

The figures above have been produced by the Parish Council's accounting system. The 'Actual' figures include receipts and payments to 28th February 2021. Adjustments for accruals and prepayments will be made at the financial year end. Where an item is funded by a reserve and does not form part of the precept budget, it is shown in the Reserve Movements column.

At the eleven-month stage it is anticipated that there will be a surplus in excess of that budgeted by the financial year end. MPC should be able to make the budgeted contributions to reserves plus some additional contributions. There are some areas where there have been significant variations from budget (see explanations below).

Variations from Budget

Income:

Allotment Rent – this is above budget as a rental increase was agreed by MPC on 27/07/20.

Burial Fees – these will exceed the budget which was set at a prudent level due to low rates of burial income in the last few years.

Match fees/recreation ground hire – these budget headings will be approximately £1,200 down due to Covid-19 restrictions on organised sport and events.

Pavilion Hire – a new regular booking means that this budget heading will exceed budget by around £4,500.

However, as MAYD have not been able to use the Pavilion for youth club activities, the budgeted £1,000 recharge cannot be made.

Interest Receivable – this will be significantly below budget due to a fall in interest rates to a historic low.

MCCR – MPC was successful in obtaining £7,165 grant funding from the Cambridgeshire Coronavirus Community Fund to support the MCCR team. Of this, £2,800 was used towards salary costs for MCCR staff and the rest was transferred to the MCCR team to cover other running costs. MCCR has also repaid £1,750 of the funds transferred by MPC to underwrite debit card purchases for vulnerable residents (see MCCR expenditure below). A further grant of £400 was received from SCDC for Covid-related expenses.

Expenditure:

Conservation – MPC approved emergency expenditure on some trees in the parish which needed urgent attention. Total cost for these works was just over £3,000 and further tree works of £870 were later approved by the Maintenance Committee. The Maintenance Committee has also approved tree work and repair of some fencing at The Moor (£840). MPC approved £2,070 unbudgeted expenditure for replacement fencing at Worcester Way. This budget heading is likely to be overspent later in the year.

Cemeteries – MPC approved £1,840 for hedge reduction in Orchard Road cemetery which was unbudgeted. Although there are likely to be some cost savings in other parts of the cemeteries budget, overall there has been an overspend on this budget heading.

Pavilion – the budget included £2,000 for external redecoration which is unlikely to be spent this year. It is probable that this funding will be ring-fenced at the year end and carried forward to next year.

Audit, legal & professional – the budget included £1,000 for professional VAT advice which was not needed (advice obtained free)

Contingency – it has not been necessary to use any of this to date.

Wardens' equipment, materials and parish van – this budget is likely to be underspent although the amount included for purchase of a chain-saw and relevant training may be ring-fenced and carried forward to next year.

Insurances – the Parish Council is in the final year of a three year deal with the current provider. The premium was slightly underbudgeted this year (£162).

Parish Office, IT and contractors- there are expected to be budget savings for litter picking and also for Parish Office IT costs. A new desktop purchase has been postponed until next year.

Salaries, NI & Pensions – there should be budget savings of around £2,000 due to changes in staffing structure and employees leaving during the financial year

Sundry Expenses – the £6,000 reserve-funded expense is a zero carbon grant which was received under a joint initiative with Melbourn Village College and has now been transferred to MVC.

Community Hub maintenance – several projects that were anticipated to take place this year will now not happen until next year. Unused funds are expected to be ring-fenced at the year end and carried forward to next year.

Melbourn Parish Council Finance Report 28th February 2021 (continued)

MCCR costs – MPC approved a grant of £750 to MCCR and also transferred a further £1,750 to underwrite debit card costs for the project (since repaid – see MCCR income). In addition, MPC approved extra staff costs to head up the MCCR team until the end of July if required. The approved costs were up to £6,300 (of which £2,800 was covered by grant funding) but actual costs were lower than that. MPC also paid over the £400 grant from SCDC plus an additional £450 (approved on 23/11/20) to MCCR in January to cover volunteer costs in the later lockdowns. Total MCCR costs should be considered net of MCCR income shown in the income section (net costs are currently £3,295). Street lighting – CCC are no longer administering the street lighting contract and this has been taken over by MPC. A large final bill of £888 from CCC means that this budget heading is expected to be overspent by around £700 this financial year.

MELBOURN PARISH COUNCIL

Meeting of Full Council on 22 March 2021

Agenda item: PC122 20c)

To consider approving quotation for relocation of the Kohima Stone

Hello Sophie

Further to your email below, we have discussed the logistics of moving the memorial to the New Road Cemetery as requested.

To dig out and supply a new foundation near the entrance to the Cemetery, lift, transport & re-site the memorial would cost £2270.00 +VAT. Others to dig out & re-instate the existing foundation & adjacent area (NB. We have assumed that we would be able to re-use the stainless steel anchor rods, but if these are damaged in the lifting process we may have to charge the additional cost for these).

The cost for the anchor rods, if needed, would be £50 each, therefore 2no. = £100 +VAT.

We would need to carry out a site survey to ensure there are no services underground which might affect the exact positioning of the foundation, unless you have already done so or are aware of any services in the proposed location?...

Our price to visit site and carry out a survey to detect underground cable & pipes (using a CAT3 cable & pipe locator) would be £225 +VAT. We would obviously need to meet one of you on site to discuss the positioning at the same time.

We look forward to hearing from you

Best regards

Andrew Urquhart

MELBOURN PARISH COUNCIL

Full Council : 22 March 2021

Item: PC122 20d)

Action from February meeting of the Parish Council to take advice on whether air-conditioning units should be serviced more frequently than once a year – response from 4i below:

Legionella could be found in some types of water-cooled air conditioning systems but this all comes down to make and models that have this as their way of working. Generally speaking, as long as the system is regularly maintained as per manufacture instructions, this will help keep the risk low. General service guidance is once every 12 months as minimum.

Why have a PPM agreement:

- In order for the manufacturers five year (seven year for Daikin) parts warranty to be valid, manufacturers state that you carry out regular maintenance to keep your new system running in optimum condition.
- You are legally obliged (under EC Regulation No 517/2014 regarding fluorinated greenhouse gases (F-Gases)) to ensure that all systems that use a fluorinated refrigerant are checked regularly by qualified personnel. This is to ensure that no refrigerant is leaking into the atmosphere from your air conditioning and refrigeration systems.
- Regular maintenance minimises breakdown risk and resulting downtime and inconvenience.
- An AMA is a fixed annual fee which is more cost effective than adhoc '1off maintenance' visits charged at a call-out fee + hourly rate.
- We will contact you in advance to advise when maintenance is due and will schedule in a mutually agreeable time/date to carry this out for you.
- All required reports/paperwork will be supplied to you after each visit inc. F-Gas register where required for your records.

Our PPM contracts are for one/two/four maintenance visits per year (dependent on requirement). The quotation will be representative of the full cost per annum, not per visit.

Any follow up work/parts requirement highlighted by the maintenance visit will be passed to our service team to quote and arrange.

I hope that this provides you with everything you need to know however if there is anything you would like to discuss or ask me about, please do not hesitate to contact me on 01480 831010 or amy@air-way.co.uk.

TERMS AND CONDITIONS

1.AGREEMENT

Airway hereby agrees with the customer during the continuance of this agreement that airway will provide qualified and trained engineers to carry out the agreed number of maintenance visits.

2.EXTENT OF WORKS

2.1 During maintenance visits Airway shall carry out works of general maintenance as per the provided checklist. Airway will also notify the customer of any defective parts recognised as such during the maintenance visit. Airway shall under no circumstances be responsible as part of the maintenance visit for the following:

- A) Cost of painting all or part of the equipment
- B) Damage or deterioration due to misuse, negligence or incorrect operation
- C) Deterioration due to fair wear and tear save to the extent provided in the check list
- D) Deterioration caused for reason or failure of electricity or water supply or fire, water theft or removal
- E) Defective or ineffectual works performed by persons other than those employed or authorised by Airway. Work on ancillary gear or equipment attached to or adjacent to the equipment.

2.2 The customer shall ensure adequate and safe access to the equipment and provide free of charge all necessary lifting equipment, lighting, power and water as requested, if the equipment is moved to another location or access is altered Airway reserves the right to adjust the contract price.

3.MAINTENANCE TIMES

3.1 Maintenance visits shall be made during normal working hours at a time mutually convenient to the customer and Airway but so far as is practical and spaced equally during the contract period.

3.2 Airway shall under no circumstances be liable in the event that it is unable to perform its obligations here under at the time specified. Times stated are given as accurately as possible and represents statements of intention but are no way contractually binding.

3.3 Emergency 24 hour service with 4 hour response time (unless otherwise specified) is available 365 days a year. Where applicable a call out charge will be made to the customer.

4.PAYMENT

4.1 The maintenance contract price shall be payable in advance by the customer and thereafter 30 days within each renewal date.

4.2 The customer shall pay any additional charges e.g. replacement filters, belts, pumps etc... within 30 days from date of invoice.

5. EMERGENCY CALL OUT RATES

Call Out Rate:

Call out (normal working hours) - £75 +vat
Labour - £48 per hour +vat

Out of Hours:

Call out rate is £112.50 +vat
Labour - £72 per hour +vat

6.TERMINATION

The contract will continue to run on a year on year basis unless the customer notifies Airway in writing not later than one month before the anniversary date to terminate the contract.

Melbourn Parish Council March 2021 – County and District Councillors' Report

Gulley emptying: The long-awaited Highways gulley emptying operation has been taking place this month and seems to be going well. Thank you very much to the parish council for assisting with the letter drop to residents. We've discussed with County Highways the protocol for return visits where any drains have been missed.

Beechwood Ave and associated streets surface dressing: Preparations started last week and actual surface dressing should start this week. Again thanks for help with letter drop to residents

Less funding for Highways: The recent announcement by the Government of the allocation of highways maintenance cash for the forthcoming year for each County indicates almost £7.5million less than last year.

127 bus: The current operator A2B has proposed to run the service commercially, which is its right to do. This means that the amalgamation of cross-county subsidized services, in which the 127 and the Herts CC 91 would join up and extend the service to Baldock and Letchworth, won't happen. The timetable will remain roughly the same and the service will begin just after Easter, pending OK from the Traffic Commissioner.

Fostering and Adoption campaign: The campaign 'Build Your Family' encourages LGBT+ potential adopters and foster carers to consider expanding their family and sharing their life with a child or young person, either permanently through adoption or more short-term through fostering. The campaign seeks to tackle some common misconceptions surrounding the process, and raise awareness among people who identify as LGBT+ of the adoption and fostering parenting routes that are open to them.

There are around 745 children and young people in Cambridgeshire who need foster carers and the greatest need is for teenagers and brothers and sisters. LGBT+ Adoption & Fostering week is organised by New Family Social, a charity that supports LGBT+ Adopters and Foster Carers across the UK.

More information on fostering: call 0800 052 0078, email fostering@cambridgeshire.gov.uk or visit www.cambridgeshire.gov.uk/fostering; or for information on adoption please call 0300 123 1093.

County Laptop Campaign: Cambridgeshire County Council and Peterborough City Council have launched the 'Laptops for Children' campaign in partnership with the Youth Panel, Cambridge Digital Direct, Cambridge 2030 and the Cambridge Culture Foundation, aimed at purchasing laptops and 4G routers for vulnerable young people. Around 8,000 children in the region do not have use of a computer or broadband, meaning they cannot access lessons and online resources, putting them at risk of falling behind with their studies. For more information on the campaign and to make a donation visit [our GoFundMe page](#).

Resignation of County Council Deputy Leader: As a result of an investigation into the tenancy awarded in 2017 and investment of £185k of funds from the County to this farm, the Deputy Leader of the County Council Cllr Hickford has resigned and left his farm. This is the statement from the Leader:

"On Tuesday February 23rd I received a long and complex report which was the culmination of the Manor Farm Audit. The subject of the report largely concerns the Deputy Leader Cllr Roger Hickford's occupancy of Manor Farm, Girton as a tenant of Cambridgeshire County Council's Farms Estate.

The contents of the report are confidential at present, for legal reasons in order for the Audit and Accounts committee to fully consider and discuss the matter. But having read the report I had two meetings with Cllr. Hickford to consider implications for the Council, outside of the remit of the committee.

Subsequent to those meetings Cllr Hickford has asked me to accept his resignation as my Deputy leader and as a member of the Council with immediate effect.

I have accepted his resignation and confirmed this to Chief Executive Gillian Beasley.

I have also thanked Cllr Hickford for his years of service in his role as a Councillor and the support he has given me over the years as my deputy leader."

A report into the granting of the tenancy and subsequent actions were reviewed at the March 5th Audit & Accounts Committee. The timetable is here:

District Council

South Cambs Budget/Council Tax: The Council agreed a £5 per year increase for the average band D home for the next financial year. The increase will see the average band D home charge for South Cambridgeshire District Council increase to £155.31 per year.

South Cambridgeshire District Council estimates that the cost of dealing with the pandemic so far has been approximately £2.35 million. This is mainly due to increased spending on PPE, additional staff members to help in several areas such as community response, processing business grants and Council Tax support and new software for administering grants. The Council has received £1.9 million in Government grants to help it deal with increased spending due to Coronavirus.

Due to the continuing financial pressure on the Council, the proposals include around £5.1million worth of savings during the next four years, with £2.2million in savings and income already identified. Around half of the Council's annual budget of just under £20 million comes from local Council Tax.

Covid 19 Support for Business in Lockdown 3: Grants Status: £8,932,592 paid has been paid to 3,863 business since November+ grants opened. The majority continues to be the main LRSG schemes and the Closed Business Lockdown payments. Hardship: we are not yet seeing signs of hardship applications slow down, in fact, we had a flurry of 70 in first week of March. This week, we've had a flurry of activity from Taxi Drivers, Driving Instructors and Mobile Hairdressers in particular. Echoing last week's email, there continues to be a wider variety of applicants in general, mostly micro businesses and many sole traders. For example, in March we've had a clinical psychologist who mainly works within education settings ask for help, as have we a bookmaker.

Cambridge Water Treatment Works: South Cambridgeshire District Council and Cambridge City Council are urging local people to get involved in the next stages of the design and planning for a new plant, which Anglian Water says will support the local ambition towards net zero carbon, and

also deliver wider benefits for people and wildlife. Anglian Water have announced that the preferred site for their new plant is an area north of the A14 between Fen Ditton and Horningsea.

The proposed relocation would allow a new net zero carbon facility, meeting exemplar environmental standards, to replace the existing plant which is near Cambridge North railway station. This will unlock opportunities for future development on that site, as well as providing for planned growth in places such as Waterbeach New Town. The project means that no additional treatment facilities would be needed at the new town as wastewater would be treated at the new plant.

Bourn Airfield Outline Approval: Plans for a new village of around 3,500 homes on the former World War Two Airfield at Bourn have been supported by South Cambridgeshire District Council's Planning Committee.

40% of the new homes will be classed as affordable – in line with the Council's Local Plan policies. These homes will be a mixture of affordable rent, shared ownership, rent to buy and discount market sale. A wide range of new community facilities will come forward, including a new secondary school, two primary schools, community centres and playing fields.

A £20-million package to support local transport upgrades is part of the plans and includes walking, cycling and bus routes and electric car charging points. There will be woodlands, wildlife habitat areas, grassland, allotments and community orchards.

The Committee met Friday 19 February to discuss the application from developers Countryside. They voted to support proposals for the new community on 210 hectares of land between Cambourne and Caldecote. The site is one of the new settlements that was allocated for development as part of the Council's 2018 Local Plan, with this application being the next stage in bringing the plans forward.

The area is a mixture of previously developed land and agricultural fields. As part of the development, there will also be shops, offices, healthcare, nurseries, library, place of worship and a hotel.

The development will be governed by a range of conditions covering transport, protecting the environment and ecology, the quality of the buildings and more. Additionally, the Greater Cambridge Partnership and Cambridgeshire and Peterborough Combined Authority continue to work on delivering a new public transport system that will link the development with Cambourne and Cambridge.

Earlier this year, the District Council's Planning Committee approved plans for new commercial buildings on the former Gestamp Factory on the airfield. The applicant estimated that the redevelopment of this old factory site would create up to 800 new, full time jobs.

A Supplementary Planning Document (SPD), which gives more detail on how the new village should come forward, was adopted by the Council in September 2019 following a public consultation. The SPD says the new development should be well connected with traffic-free, active travel routes and high-quality public transport, both locally, to Cambridge and ultimately St Neots. It also outlines how it should be vibrant, prosperous and inclusive with housing for all, schools, sports and leisure, community uses, shops and jobs.

Cambridge Water Treatment Works: South Cambridgeshire District Council and Cambridge City Council are urging local people to get involved in the next stages of the design and planning for a new plant, which Anglian Water says will support the local ambition towards net zero carbon, and also deliver wider benefits for people and wildlife. Anglian Water have announced that the preferred site for their new plant is an area north of the A14 between Fen Ditton and Horningsea.

The proposed relocation would allow a new net zero carbon facility, meeting exemplar environmental standards, to replace the existing plant which is near Cambridge North railway station. This will unlock opportunities for future development on that site, as well as providing for planned growth in places such as Waterbeach New Town. Can Mr Browne's petition stop Thakeham?

A petition has been set up by Anthony Browne MP. It asks South Cambridgeshire District Council (SCDC) to exclude Thakeham's South West Cambridgeshire New Town proposal from its Local Plan.

<https://www.anthonybrowne.org/form/thakeham-petition>

At the present time Thakeham has yet to submit a proposal to SCDC, so there is no proposal to consider. It had agreed to do so by Easter but this now appears to be delayed. The 'Call for Sites' closed two years ago but by law, late plans can still be submitted until a very late stage, even now – and by law, SCDC must accept late submissions.

As the Local Planning Authority, SCDC is required by law to consider all planning applications according to statutory processes. If it fails to follow those processes it exposes itself to potential Judicial Review, which in turn can become the basis for appeal by the applicant (in this case Thakeham). It is common for speculative developers to seek avenues for appeals, as we've seen in Barrington (Cemex) and Melbourn (New Road 199).

Ultimately the Local Plan must be signed off by an independent Inspector, who is appointed by the Government.

And the Housing Minister has the power to override a Local Planning Authority decision.

Thakeham continues to maintain that it is openly seeking national development channels – new government created channels that sit above and apart from Local Authority processes – to achieve their objectives. These are part of a general trend by Government to centralise planning powers away from Local Planning Authorities.

Government controlled national development channels could include a 'Cambridge Development Corporation' as mentioned by Rishi Sunak in his 2020 budget, or the recently published [Oxford to Cambridge Arc](#), which indicates four 'opportunity areas' along the East West Rail central section between Bedford and Cambridge – though these areas have not yet been identified.

The South West Cambridge Action Group is seeking to understand how far national channels have been pursued by Thakeham, and to what extent they may have been discussed with Government ministers and their departments. To that end, several key Freedom of Information requests have been denied, on the basis that information would be a 'distraction' and 'not in the public interest.' Those FOI responses can be found at <http://www.swcag.org.uk/news-and-events>.

Further helpful context setting out the national and local contexts, and the control of decision-making, can be found in this 23 February [letter from SCDC Leader Bridget Smith to Anthony Browne](#).

These Financial Regulations were adopted by the Council at its Meeting held on 25 November 2019

1. GENERAL

- 1.1. These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.
- 1.3. The council's accounting control systems must include measures:
 - for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;
 - to prevent and detect inaccuracy and fraud; and
 - identifying the duties of officers.
- 1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.
- 1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council.
- 1.9. The RFO;

¹ Model standing orders for councils are available in Local Councils Explained © 2013 National Association of Local Councils

- acts under the policy direction of the council;
 - administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
 - determines on behalf of the council its accounting records and accounting control systems;
 - ensures the accounting control systems are observed;
 - maintains the accounting records of the council up to date in accordance with proper practices;
 - assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
 - produces financial management information as required by the council.
- 1.10. The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.
- 1.11. The accounting records determined by the RFO shall in particular contain:
- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
 - a record of the assets and liabilities of the council; and
 - wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
- 1.12. The accounting control systems determined by the RFO shall include:
- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
 - procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
 - identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
 - procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the

approval of the RFO and that the approvals are shown in the accounting records; and

- measures to ensure that risk is properly managed.

1.13. The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

- setting the final budget or the precept (council tax requirement);
- approving accounting statements;
- approving an annual governance statement;
- borrowing;
- writing off bad debts;
- declaring eligibility for the General Power of Competence; and
- addressing recommendations in any report from the internal or external auditors,

shall be a matter for the full council only.

1.14. In addition the council must:

- determine and keep under regular review the bank mandate for all council bank accounts;
- approve any grant or a single commitment in excess of £5,000; and
- in respect of the annual salary for any employee have regard to recommendations about annual salaries of employees made by the relevant committee in accordance with its terms of reference.

1.15. In these financial regulations, references to the Accounts and Audit Regulations or 'the regulations' shall mean the regulations issued under the provisions of section 27 of the Audit Commission Act 1998, or any superseding legislation, and then in force unless otherwise specified.

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2. ACCOUNTING AND AUDIT (INTERNAL AND EXTERNAL)

- 2.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.
- 2.2. On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman or a cheque signatory (if practical) shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council Or duly constituted Finance Committee.
- 2.3. The RFO shall complete the annual statement of accounts, annual report, and any related documents of the council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.
- 2.4. The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.
- 2.5. The internal auditor shall be appointed by and shall carry out the work in relation to internal controls required by the council in accordance with proper practices.
- 2.6. The internal auditor shall:
 - be competent and independent of the financial operations of the council;
 - report to council in writing, or in person, on a regular basis with a minimum of one annual written report during each financial year;
 - to demonstrate competence, objectivity and independence, be free from any actual or perceived conflicts of interest, including those arising from family relationships; and
 - have no involvement in the financial decision making, management or control of the council.
- 2.7. Internal or external auditors may not under any circumstances:
 - perform any operational duties for the council;
 - initiate or approve accounting transactions; or

- direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.
- 2.8. For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as is described in proper practices.
- 2.9. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.
- 2.10. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

3. ANNUAL ESTIMATES (BUDGET) AND FORWARD PLANNING

- 3.1. The Council shall review its three year forecast of revenue and capital receipts and payments. Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year to the council not later than the end of December each year including any proposals for revising the forecast.
- 3.2. The RFO must each year, by no later than December, prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the council.
- 3.3. The council shall consider annual budget proposals in relation to the council's three year forecast of revenue and capital receipts and payments including recommendations for the use of reserves and sources of funding and update the forecast accordingly.
- 3.4. The council shall fix the precept (council tax requirement), and relevant basic amount of council tax to be levied for the ensuing financial year not later than by the end of January each year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.
- 3.5. The approved annual budget shall form the basis of financial control for the ensuing year.

4. BUDGETARY CONTROL AND AUTHORITY TO SPEND

4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council for all items over £5,000 excluding VAT;
- a duly delegated committee of the council for items over £500 up to £5,000
- the Clerk, in conjunction with Chair of Council or Chair of the appropriate committee, for any items below £500. However, expenditure up to £1,000 may be authorised by the Clerk in circumstances outlined in 4.5 below.
- On items required for the Parish Office or to allow them to carry out the functions of the parish office, the Clerk shall be allowed to spend up to **£200 excluding VAT** without prior approval of the Council.
- For items of budgeted expenditure on the Hub, the Clerk and Chair (provided the Chair is not director of the Hub Management Group) up to £1,000. For items of expenditure relating to emergency maintenance, the Clerk and Chair up to £1,000 provided retrospective approval of full Council is obtained.

Such authority is to be evidenced by a minute, email or invoice duly signed by the Clerk, and where necessary also by the appropriate Chair.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

- 4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').
- 4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.
- 4.4. The salary budgets are to be reviewed at least annually in November for the following financial year and such review shall be evidenced by an email confirming such review by the Chair of HR Panel. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.
- 4.5. In cases of risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1,000. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.
- 4.6. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is

satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.

- 4.7. All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.
- 4.8. The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose "material" shall be in excess of £500 or 15% of the budget.
- 4.9. Changes in earmarked reserves shall be approved by council as part of the budgetary control process.

5. BANKING ARRANGEMENTS AND AUTHORISATION OF PAYMENTS

- 5.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency.
- 5.2. The RFO shall prepare a schedule of payments requiring authorisation, forming part of the Agenda for the Meeting and, together with the relevant invoices, present the schedule to Full Parish Council. The council shall review the schedule for compliance and, having satisfied itself shall authorise payment by a resolution of the council or finance committee. The approved schedule shall be ruled off and initialled by the Chairman of the Meeting. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.
- 5.3. All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the council.
- 5.4. The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to pay all invoices submitted, and which are in order, at the next available council meeting.
- 5.5. The Clerk and RFO shall have delegated authority to authorise the payment of items only in the following circumstances:

- a) If a payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (Interest) Act 1998, and the due date for payment is before the next scheduled Meeting of council, where the Clerk and RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council [or finance committee];
 - b) An expenditure item authorised under 5.6 below (continuing contracts and obligations) provided that a list of such payments shall be submitted to the next appropriate meeting Finance and General Committee or
 - c) fund transfers within the councils banking arrangements up to the sum of £10,000, provided that a list of such payments shall be submitted to the next appropriate meeting of council.
- 5.6. For each financial year the Clerk and RFO shall draw up a list of due payments which arise on a regular basis as the result of a continuing contract, statutory duty, or obligation (such as but not exclusively) Salaries, PAYE and NI, Superannuation Fund and regular maintenance contracts and the like for which council may authorise payment for the year provided that the requirements of regulation 4.1 (Budgetary Controls) are adhered to, provided also that a list of such payments shall be submitted to the next appropriate meeting of Finance and General.
- 5.7. A record of regular payments made under 5.6 above shall be drawn up and be signed by two members on each and every occasion when payment is authorised - thus controlling the risk of duplicated payments being authorised and / or made.
- 5.8. In respect of grants a duly authorised committee shall approve expenditure within any limits set by council and in accordance with any policy statement approved by council. Any Revenue or Capital Grant in excess of £5,000 shall before payment, be subject to ratification by resolution of the council.
- 5.9. Members are subject to the Code of Conduct that has been adopted by the council and shall comply with the Code and Standing Orders when a decision to authorise or instruct payment is made in respect of a matter in which they have a disclosable pecuniary or other interest, unless a dispensation has been granted.
- 5.10. The council will aim to rotate the duties of members in these Regulations so that onerous duties are shared out as evenly as possible overtime.
- 5.11. Any changes in the recorded details of suppliers, such as bank account records, shall be authorised by 2 Members.

6. INSTRUCTIONS FOR THE MAKING OF PAYMENTS

- 6.1. The council will make safe and efficient arrangements for the making of its payments.
- 6.2. Following authorisation under Financial Regulation 5 above, the council, a duly delegated committee or, if so delegated, the Clerk or RFO shall give instruction that a payment shall be made.
- 6.3. All payments shall be effected by cheque or other instructions to the council's bankers, or otherwise, in accordance with a resolution of council.
- 6.4. Cheques or orders for payment drawn on the bank account in accordance with the schedule as presented to council or committee shall be signed by two member[s] of council in accordance with a resolution instructing that payment. A member who is a bank signatory, having a connection by virtue of family or business relationships with the beneficiary of a payment, should not, under normal circumstances, be a signatory to the payment in question.
- 6.5. To indicate agreement of the details shown on the cheque or order for payment with the counterfoil and the invoice or similar documentation, the signatories shall each also initial the cheque counterfoil.
- 6.6. Cheques or orders for payment shall not normally be presented for signature other than at a council or committee meeting (including immediately before or after such a meeting). Any signatures obtained away from such meetings shall be reported to the council at the next convenient meeting.
- 6.7. If thought appropriate by the council, payment for utility supplies (energy, telephone and water) and any National Non-Domestic Rates may be made by variable direct debit provided that the instructions are signed by two members and any payments are reported to council as made. The approval of the use of a variable direct debit shall be renewed by resolution of the council at least every two years.
- 6.8. If thought appropriate by the council, payment for certain items (principally salaries) may be made by banker's standing order provided that the instructions are signed, or otherwise evidenced by two members are retained and any payments are reported to council as made. The approval of the use of a banker's standing order shall be renewed by resolution of the council at least every two years.
- 6.9. If thought appropriate by the council, payment for certain items may be made by BACS or CHAPS methods provided that the instructions for each payment are signed, or otherwise evidenced, by two authorised bank signatories, are retained and any payments are reported to council as made. The approval of the use of BACS or CHAPS shall be renewed by resolution of the council at least every two years.
- 6.10. If thought appropriate by the council payment for certain items may be made by internet banking transfer provided evidence is retained showing which members approved the payment.
- 6.11. Where a computer requires use of a personal identification number (PIN) or other

password(s), for access to the council's records on that computer, a note shall be made of the PIN and Passwords and shall be handed to and retained by the Chairman of Council in a sealed dated envelope. This envelope may not be opened other than in the presence of two other councillors. After the envelope has been opened, in any circumstances, the PIN and / or passwords shall be changed as soon as practicable. The fact that the sealed envelope has been opened, in whatever circumstances, shall be reported to all members immediately and formally to the next available meeting of the council. This will not be required for a member's personal computer used only for remote authorisation of bank payments.

- 6.12. No employee or councillor shall disclose any PIN or password, relevant to the working of the council or its bank accounts, to any person not authorised in writing by the council or a duly delegated committee.
- 6.13. Regular back-up copies of the records on any computer shall be made and shall be stored securely away from the computer in question, and preferably off site.
- 6.14. The council, and any members using computers for the council's financial business, shall ensure that anti-virus, anti-spyware and firewall software with automatic updates, together with a high level of security, is used.
- 6.15. Where internet banking arrangements are made with any bank, the Clerk or RFO shall be appointed as the Service Administrator. The bank mandate approved by the council shall identify a number of councillors who will be authorised to approve transactions on those accounts. The bank mandate will state clearly the amounts of payments that can be instructed by the use of the Service Administrator alone, or by the Service Administrator with a stated number of approvals.
- 6.16. Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites"), and not through a search engine or e-mail link. Remembered or saved passwords facilities must not be used on any computer used for council banking work. Breach of this Regulation will be treated as a very serious matter under these regulations.
- 6.17. Changes to account details for suppliers, which are used for internet banking may only be changed on written hard copy notification by the supplier and supported by hard copy authority for change signed by the Clerk and a member. A programme of regular checks of standing data with suppliers will be followed.
- 6.18. Any Debit Card issued for use will be specifically restricted to the Clerk and Assistant Clerk and will also be restricted to a single transaction maximum value of £200 unless authorised in accordance with the Council's Policy and Procedure for Prepaid Debit Cards
- 6.19. Any corporate credit card or trade card account opened by the council will be specifically restricted to use by the Clerk and shall be subject to automatic payment in full at each month-end. Personal credit or debit cards of members or staff shall not be used under any circumstances.
- 6.20. A pre-paid debit card may be issued to employees with varying limits. These limits will be set by the Council and are set out in the Policy and Procedure for Prepaid Debit

Cards. Transactions and purchases made will be reported to the Council and authority for topping-up shall be at the discretion of the Clerk or RFO.

- 6.21. The RFO may provide petty cash to officers for the purpose of defraying operational and other expenses. Receipts for payments made shall be forwarded to the RFO with a claim for reimbursement in accordance with the Policy and Procedure for Petty Cash.
- a) The RFO may maintain a petty cash float of up to £30 for the purpose of defraying operational and other expenses. Receipts for payments made from petty cash shall be kept to substantiate the payment. The maximum amount that can be repaid from petty cash is £10.
 - b) Income received must not be paid into the petty cash float but must be separately banked, as provided elsewhere in these regulations.
 - c) Payments to maintain the petty cash float shall be shown separately on the schedule of payments presented to council under 5.2 above.

7. PAYMENT OF SALARIES

- 7.1. As an employer, the council shall make arrangements to meet fully the statutory requirements placed on all employers by PAYE and National Insurance legislation. The payment of all salaries shall be made in accordance with payroll records and the rules of PAYE and National Insurance currently operating, and salary rates shall be as agreed by council, or duly delegated committee.
- 7.2. Payment of salaries and payment of deductions from salary such as may be required to be made for tax, national insurance and pension contributions, or similar statutory or discretionary deductions must be made in accordance with the payroll records and on the appropriate dates stipulated in employment contracts, provided that each payment is reported to the next available council meeting, as set out in these regulations above.
- 7.3. No changes shall be made to any employee's pay, emoluments, or terms and conditions of employment without the prior consent of the council.
- 7.4. Each and every payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded in a separate confidential record. This confidential record is not open to inspection or review (under the Freedom of Information Act 2000 or otherwise) other than:
- a) by any councillor who can demonstrate a need to know;
 - b) by the internal auditor;
 - c) by the external auditor; or
 - d) by any person authorised under Audit Commission Act 1998, or any superseding legislation.

- 7.5. The total of such payments in each calendar month shall be reported with all other payments as made as may be required under these Financial Regulations, to ensure that only payments due for the period have actually been paid.
- 7.6. An effective system of personal performance management should be maintained for the senior officers.
- 7.7. Any termination payments shall be supported by a clear business case and reported to the council. Termination payments shall only be authorised by council.
- 7.8. Before employing interim staff the council must consider a full business case.

8. LOANS AND INVESTMENTS

- 8.1. All borrowings shall be effected in the name of the council, after obtaining any necessary borrowing approval. Any application for borrowing approval shall be approved by Council as to terms and purpose. The application for borrowing approval, and subsequent arrangements for the loan shall only be approved by full council.
- 8.2. Any financial arrangement which does not require formal borrowing approval from the Secretary of State (such as Hire Purchase or Leasing of tangible assets) shall be subject to approval by the full council. In each case a report in writing shall be provided to council in respect of value for money for the proposed transaction.
- 8.3. The council will arrange with the council's banks for the sending of a copy of each statement of account to the Chairman of the council at the same time as one is issued to the Clerk or RFO.
- 8.4. All loans and investments shall be negotiated in the name of the council and shall be for a set period in accordance with council policy.
- 8.5. The council shall consider the need for an Investment Strategy and Policy which, if drawn up, shall be in accordance with relevant regulations, proper practices and guidance. Any Strategy and Policy shall be reviewed by the council at least annually.
- 8.6. All investments of money under the control of the council shall be in the name of the council.
- 8.7. All investment certificates and other documents relating thereto shall be retained in the custody of the RFO.
- 8.8. Payments in respect of short term or long term investments, including transfers between bank accounts held in the same bank, or branch, shall be made in accordance with Regulation 5 (Authorisation of payments) and Regulation 6 (Instructions for payments).

9. INCOME

- 9.1. The collection of all sums due to the council shall be the responsibility of and under the supervision of the RFO.
- 9.2. Particulars of all charges to be made for work done, services rendered or goods supplied shall be agreed annually by the council, notified to the RFO and the RFO shall be responsible for the collection of all accounts due to the council.
- 9.3. The council will review all fees and charges at least annually, following a report of the Clerk.
- 9.4. Any sums found to be irrecoverable and any bad debts shall be reported to the council and shall be written off in the year.
- 9.5. All sums received on behalf of the council shall be banked intact as directed by the RFO. In all cases, all receipts shall be deposited with the council's bankers with such frequency as the RFO considers necessary.
- 9.6. The origin of each receipt shall be entered on the paying-in slip.
- 9.7. Personal cheques shall not be cashed out of money held on behalf of the council.
- 9.8. The RFO shall promptly complete any VAT Return that is required. Any repayment claim due in accordance with VAT Act 1994 section 33 shall be made at least annually coinciding with the financial year end.
- 9.9. Where any significant sums of cash are regularly received by the council, the RFO shall take such steps as are agreed by the council to ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control such as ticket issues, and that appropriate care is taken in the security and safety of individuals banking such cash.
- 9.10. Any income arising which is the property of a charitable trust shall be paid into a charitable bank account. Instructions for the payment of funds due from the charitable trust to the council (to meet expenditure already incurred by the authority) will be given by the Managing Trustees of the charity meeting separately from any council meeting (see also Regulation 16 below).

10. ORDERS FOR WORK, GOODS AND SERVICES

- 10.1. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.
- 10.2. Order books shall be controlled by the RFO.

- 10.3. All members and officers are responsible for obtaining value for money at all times. An officer issuing an official order shall ensure as far as reasonable and practicable that the best available terms are obtained in respect of each transaction, usually by obtaining three or more quotations or estimates from appropriate suppliers, subject to any *de minimis* provisions in Regulation 11.1 below.
- 10.4. A member may not issue an official order or make any contract on behalf of the council.
- 10.5. The RFO shall verify the lawful nature of any proposed purchase before the issue of any order, and in the case of new or infrequent purchases or payments, the RFO shall ensure that the statutory authority shall be reported to the meeting at which the order is approved so that the minutes can record the power being used.

11. CONTRACTS

- 11.1. Procedures as to contracts are laid down as follows:
- a. Every contract shall comply with these financial regulations, and no exceptions shall be made otherwise than in an emergency provided that this regulation need not apply to contracts which relate to items (i) to (vi) below:
 - i. for the supply of gas, electricity, water, sewerage and telephone services;
 - ii. for specialist services such as are provided by solicitors, accountants, surveyors and planning consultants;
 - iii. for work to be executed or goods or materials to be supplied which consist of repairs to or parts for existing machinery or equipment or plant;
 - iv. for work to be executed or goods or materials to be supplied which constitute an extension of an existing contract by the council;
 - v. for additional audit work of the external auditor up to an estimated value of £500 (in excess of this sum the Clerk and RFO shall act after consultation with the Chairman and Vice Chairman of council); and
 - vi. for goods or materials proposed to be purchased which are proprietary articles and / or are only sold at a fixed price.
 - b. Where the council intends to procure or award a public supply contract, public service contract or public works contract as defined by The Public Contracts Regulations 2015 ("the Regulations") which is valued at £25,000 or more, the council shall comply with the relevant requirements of the Regulations².
 - c. The full requirements of The Regulations, as applicable, shall be followed in respect of the tendering and award of a public supply contract, public service

² The Regulations require councils to use the Contracts Finder website to advertise contract opportunities, set out the procedures to be followed in awarding new contracts and to publicise the award of new contracts

contract or public works contract which exceed thresholds in The Regulations set by the Public Contracts Directive 2014/24/EU (which may change from time to time)³.

- d. When applications are made to waive financial regulations relating to contracts to enable a price to be negotiated without competition the reason shall be embodied in a recommendation to the council.
- e. Such invitation to tender shall state the general nature of the intended contract and the Clerk shall obtain the necessary technical assistance to prepare a specification in appropriate cases. The invitation shall in addition state that tenders must be addressed to the Clerk in the ordinary course of post. Each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract.
- f. All sealed tenders shall be opened by the Proper Officer, after the deadline for submission of tenders has passed, at a council or committee meeting at least one week before consideration by Councillors.
- g. Any invitation to tender issued under this regulation shall be subject to Standing Orders 18 c-f, ⁴ and shall refer to the terms of the Bribery Act 2010.
- h. When it is to enter into a contract of less than £25,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph (a) the Clerk or RFO shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £1,000 the Clerk or RFO shall strive to obtain 3 estimates. Otherwise, Regulation 10.3 above shall apply.
- i. The council shall not be obliged to accept the lowest or any tender, quote or estimate.
- j. Should it occur that the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the council requires further pricing, provided that the specification does not change, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision making process was being undertaken.

³ Thresholds currently applicable are:

- a. For public supply and public service contracts 209,000 Euros (£164,176)
- b. For public works contracts 5,225,000 Euros (£4,104,394)

12. PAYMENTS UNDER CONTRACTS FOR BUILDING OR OTHER CONSTRUCTION WORKS (PUBLIC WORKS CONTRACTS)

- 12.1. Payments on account of the contract sum shall be made within the time specified in the contract by the RFO upon authorised certificates of the architect or other consultants engaged to supervise the contract (subject to any percentage withholding as may be agreed in the particular contract).
- 12.2. Where contracts provide for payment by instalments the RFO shall maintain a record of all such payments. In any case where it is estimated that the total cost of work carried out under a contract, excluding agreed variations, will exceed the contract sum of 5% or more a report shall be submitted to the council.
- 12.3. Any variation to a contract or addition to or omission from a contract must be approved by the council and Clerk to the contractor in writing, the council being informed where the final cost is likely to exceed the financial provision.

13. STORES AND EQUIPMENT

- 13.1. The officer in charge of each section shall be responsible for the care and custody of stores and equipment in that section.
- 13.2. Delivery notes shall be obtained in respect of all goods received into store or otherwise delivered and goods must be checked as to order and quality at the time delivery is made.
- 13.3. Stocks shall be kept at the minimum levels consistent with operational requirements.
- 13.4. The RFO shall be responsible for periodic checks of stocks and stores at least annually.

14. ASSETS, PROPERTIES AND ESTATES

- 14.1. The Clerk shall make appropriate arrangements for the custody of all title deeds and Land Registry Certificates of properties held by the council. The RFO shall ensure a record is maintained of all properties held by the council, recording the location, extent, plan, reference, purchase details, nature of the interest, tenancies granted, rents payable and purpose for which held in accordance with Accounts and Audit Regulations.
- 14.2. No tangible moveable property shall be purchased or otherwise acquired, sold, leased or otherwise disposed of, without the authority of the council, together with any other consents required by law, save where the estimated value of any one item of tangible movable property does not exceed £1,000.

- 14.3. No real property (interests in land) shall be sold, leased or otherwise disposed of without the authority of the council, together with any other consents required by law. In each case a report in writing shall be provided to council in respect of valuation and surveyed condition of the property (including matters such as planning permissions and covenants) together with a proper business case (including an adequate level of consultation with the electorate).
- 14.4. No real property (interests in land) shall be purchased or acquired without the authority of the full council. In each case a report in writing shall be provided to council in respect of valuation and surveyed condition of the property (including matters such as planning permissions and covenants) together with a proper business case (including an adequate level of consultation with the electorate).
- 14.5. Subject only to the limit set in Regulation 14.2 above, no tangible moveable property shall be purchased or acquired without the authority of the full council. In each case a report in writing shall be provided to council with a full business case.
- 14.6. The RFO shall ensure that an appropriate and accurate Register of Assets and Investments is kept up to date. The continued existence of tangible assets shown in the Register shall be verified at least annually, possibly in conjunction with a health and safety inspection of assets.

15. INSURANCE

- 15.1. Following the annual risk assessment (per Regulation 17), the RFO shall effect all insurances and negotiate all claims on the council's insurers.
- 15.2. The RFO shall keep a record of all insurances effected by the council and the property and risks covered thereby and annually review it.
- 15.3. The RFO shall be notified of any loss liability or damage or of any event likely to lead to a claim, and shall report these to council at the next available meeting.
- 15.4. All appropriate members and employees of the council shall be included in a suitable form of security or fidelity guarantee insurance which shall cover the maximum risk exposure as determined annually by the council, or duly delegated committee.

16. CHARITIES

- 16.1. Where the council is sole managing trustee of a charitable body the Clerk and RFO shall ensure that separate accounts are kept of the funds held on charitable trusts and separate financial reports made in such form as shall be appropriate, in accordance with Charity Law and legislation, or as determined by the Charity Commission. The Clerk and RFO shall arrange for any audit or independent examination as may be required by Charity Law or any Governing Document.

17. RISK MANAGEMENT

- 17.1. The council is responsible for putting in place arrangements for the management of risk. The Clerk shall prepare, for approval by the council, risk management policy statements in respect of all activities of the council. Risk policy statements and consequential risk management arrangements shall be reviewed by the council at least annually.
- 17.2. When considering any new activity, the Clerk shall prepare a draft risk assessment including risk management proposals for consideration and adoption by the council.

18. SUSPENSION AND REVISION OF FINANCIAL REGULATIONS

- 18.1. It shall be the duty of the council to review the Financial Regulations of the council from time to time. The Clerk shall make arrangements to monitor changes in legislation or proper practices and shall advise the council of any requirement for a consequential amendment to these Financial Regulations.
- 18.2. The council may, by resolution of the council duly notified prior to the relevant meeting of council, suspend any part of these Financial Regulations provided that reasons for the suspension are recorded and that an assessment of the risks arising has been drawn up and presented in advance to all members of council.

19. GENERAL RESERVES

The Council shall hold General Reserves at a level which is consistent with its Reserves Policy (currently six months of annual expenditure). At such times as the Council's General Reserves are below this level, it shall take reasonable measures to build them back up to the recommended level. Such measures may include precepting for a contribution to the Council's General Reserve.

Document Approval:

(Chair to Melbourn Parish Council)

Date of Parish Council Meeting: 22 March 2021

Document Review Policy: 1 Year from last approval

POLICY AND PROCEDURE : Prepaid Debit Cards

PURPOSE: Melbourn Parish Council authorises the use of prepaid debit cards by designated individuals, for Council expenditure up to an agreed maximum balance.

1. Card Holders

- 1.1. Prepaid debit cards will be issued for the Parish Office (one card for use by the Clerk and Assistant Clerk) and two cards for the Village Wardens (each Warden to have a nominated card which is for their sole use). No other individuals may use the cards.
- 1.2. The maximum balance on the prepaid debit cards, agreed by the Parish Council, is currently £500 for the Parish Office card and £100 for each of the Wardens' cards.

2. Spending and Top-up Procedures

- 2.1. Prepaid debit cards can be used for approved Parish Council expenditure only and in conjunction with the employee's job role. They cannot be used for non-Parish Council or personal expenditure.
- 2.2. Cash withdrawals are not permitted on the cards.
- 2.3. Purchases on the prepaid debit cards must comply with the approval limits set out in the Council's Financial Regulations:
 - 2.3.1. Parish Office card - purchases up to £200 can be made under the Clerk's delegated authority for items required for the Parish Office or to carry out their statutory duties. Expenditure over £200, or not relating to the Parish Office or statutory duty, must be approved by the Clerk and Chair of the Council, or appropriate committee, before the purchase is made.

2.3.2. Village Warden's cards – the Council gives approval for purchases of up to £100 per Warden's card for budgeted expenditure relating to the Parish Van, Warden's equipment and materials only. Where an item of expenditure is likely to exceed £100, this must be referred to the Clerk. Expenditure on large items in excess of £100 must not be split between the Wardens' cards.

2.4. Receipts or invoices must be kept for every debit card transaction for approval by the RFO. The card holders are responsible for obtaining and submitting receipts.

2.5. The RFO will check receipts against the prepaid debit card statements and will investigate any discrepancies.

2.6. Requests for top-ups to the prepaid debit cards, up to the agreed maximum levels, will be approved by the Clerk and RFO and accompanied by the RFO's account reconciliation.

2.7. Following a top-up of the prepaid debit card account, details of the card transactions will be reported to the next Parish Council meeting.

3. Card Security

3.1. The Parish Office card must normally be kept in the Parish Office. If it is necessary to take the card from the Parish Office to make a purchase, the card must be signed out and returned as soon as possible after the purchase has been made.

3.2. The Warden's cards will normally be kept in the Workshop. However, it is accepted that their allocated card will usually need to be removed from that location to make Parish Council-related purchases.

3.3. PIN numbers will be issued to the card holders and must be kept confidential. Card holders must not allow unauthorised individuals to use the cards.

3.4. Lost and stolen cards must be reported to the card issuer immediately upon discovery that it is missing. The RFO must also be informed immediately and will, in turn, advise the Chair.

3.5. The Clerk and RFO must have suitable access to the on-line debit card account (capable of adding and removing users, blocking cards and reporting lost and stolen cards).

3.6. In the event of termination of a card holder's employment, the card holder must immediately return any Council debit card in their possession to the RFO.

4. Misuse of a Prepaid Debit Card

4.1. If a cardholder misuses or fraudulently uses a prepaid debit card this may result in disciplinary action.

4.2. Failure of provide a receipt may result in the card holder being held liable to repay this sum.

MELBOURN PARISH COUNCIL

Investment Strategy

Introduction

Melbourn Parish Council appreciates the importance of prudently investing temporary surplus funds on behalf of Melbourn Parish. The objective of our Investment Strategy is to try to control risk and optimise returns from the investments made. Our Investment Strategy complies with relevant Local Government legislation and Guidance (*note 1*)

Definition of an Investment

The Local Government Act 2003 defines an investment widely, covering all a Parish Council's financial assets as well as other non-financial assets which are held mainly or partially to generate a profit e.g. investment property portfolios. It also covers loans made by Parish Councils.

Contribution of MPC's Investments

- Treasury Management Investments – these are made to support effective treasury management activities e.g. cash flow management, banking and investing cash deposits.
- Other investments – MPC holds a property at The Moor, Melbourn, Cambridgeshire, SG8 6ED which is no longer needed for Parish Council services and is leased to a tenant at a commercial rent. The rental income, after deducting maintenance expenses, is used to reduce our precept requirement.

Investment Policy

MPC will operate a prudent investment policy giving priority to three key objectives in the following order of importance:

1. **Security** – protecting the capital sum invested against loss.
2. **Liquidity** – ensuring that funds invested are available for expenditure when needed; and
3. **Yield (return)** – once appropriate levels of security and liquidity have been determined, MPC will strive for the best rate of return consistent with this.

Security – we aim to protect against capital loss as follows:

Financial Investments

- Specified Investments - these are made in sterling, for twelve months or less and are with a 'high quality' body or investment scheme or with the UK Government or another Local Authority. MPC will mainly make this type of investment. We consider UK banks and building societies that are protected by the Financial Services Compensation Scheme and investment schemes rated 'A' or above by a credit rating agency (*note 3*) to be 'high quality'.
- Loans – MPC will not make loans.
- Non-specified investments – these investments are not loans and do not meet the Specified Investment criteria e.g. investments over twelve months, stocks and shares. They are potentially riskier but may offer higher yields. MPC will only make investments over one year if we are satisfied that enough funds remain available for expenditure when needed. We will only make non-specified investments in sterling,

with a 'high quality' body or scheme or with the UK Government. MPC will not invest directly in shares as these are considered too risky.

Non-financial investments – the rental property held by MPC has no loans or borrowings secured against it. As such there are no concerns about loss in asset value relative to the capital invested.

Financial Services Compensation Scheme - this scheme protects savings up to a specified limit in the event of failure of a financial services firm. The current limit is £85,000 per authorised institution. MPC will strive to spread investments over different institutions and keep below the FSCS limit where possible. However, we will take into consideration the perceived risk of financial organisation failure compared with the administrative burden of managing numerous accounts. FSCS is only available if income is below Euros500,000.

Risk Assessment – MPC's aim is to invest via simple financial instruments which do not require expert knowledge or external advisors. Our investment decisions will be based on publicly available information on yield and credit ratings. This information will be reviewed by the Finance & Good Governance Committee at least annually, and more often if there is a marked deterioration in performance, credit rating or market conditions. MPC will act to protect funds as necessary.

Liquidity

We will ensure that funds invested are available for expenditure when needed by carrying out an annual cash flow forecast, before the start of the financial year, to determine the maximum period that funds may prudently be committed. Our General Reserve will be invested in deposits requiring no more than three months' notice to allow quick access in case of emergency. Other designated reserves may potentially be invested for longer periods if MPC is satisfied that the funds will not be needed before the investment matures.

Capacity and Skills

MPC recognises that our Officers and Cllrs might not have expertise in investment analysis. We aim to use simple financial instruments that do not require expert knowledge. Our annual investment strategy will be recommended by the RFO/Clerk and reviewed by the FGGC prior to being presented to MPC for approval.

If MPC should wish to consider more complex investment types, we will make training available to Officers and Cllrs as appropriate and/or get professional advice. MPC will not make investments unless we have enough understanding to make an informed decision.

Financial Regulations

This Strategy should be read in conjunction with section 8 of MPC's Financial Regulations.

Review Date

MPC will review its Investment Strategy annually, before the start of the financial year, and more frequently if a material change is planned during the year. Any changes will be approved by MPC.

Notes:

1. The Government has issued Guidance on Local Government Investments (s16, Local Government Act 2003) which has statutory force and is mandatory where investments of a Parish Council are or are expected to exceed £100,000 at any point in a financial year.

2. Parish Councils have the power to invest for any purpose relevant to their functions under any enactment, or for the purposes of the prudent management of their financial affairs (s17, Local Government Act 2003)
3. A Credit Rating Agency is one of the following three companies:
 - Standard and Poor's
 - Moody's Investors Service Ltd; and
 - Fitch Ratings Ltd

2021-22 Investment Plan

Temporary Surplus Funds Available

MPC is forecast to have at least £239,000 temporary surplus funds available during 2021/22:

Source	Forecast Balance at 01/04/21	Maximum investment term	Comments
General Reserve	£140,000-£160,000	3 months	Easy access required in case of emergency need
Asset Management Reserve	£35,800	£10k: instant access £25,800: 1 yr	Prudent to keep £10k accessible in case of unbudgeted emergency asset repairs/replacements
s106 Reserve (unallocated funds only)	£63,000 (note: further funds may be received in 2021/22)	3 months (potentially 1 yr if no further projects anticipated this year)	Balance excludes funds that have already been allocated or are anticipated to be allocated to projects in 2021/22 e.g .playground project.

- Almost all MPC's available funds should be kept readily accessible - maximum three months notice period.
- It should be possible to invest part of the AMR and s106 reserve for a longer term.
- The Investment Plan should be reviewed as MPC's plans for spending s106 funds are agreed to ensure that funds are available when required

Economic Climate

Interest rates are at a historic low in response to the Covid-19 pandemic and are expected to remain very low throughout 2021/22. There continues to be speculation about the possibility of negative interest rates and, although far from a certainty, the Bank of England has begun a programme to review the potential implications for the UK. Much depends on the speed of economic recovery once the pandemic restrictions have been eased.

Current position – 4th March 2021

MPC has invested £150,000 in a Nationwide 45 day Saver account and £25,000 in a CCLA Public Sector Deposit Fund* (access on demand). Total invested £175,000.

Review of existing investment performance:

Institution	Product	Current Investment	Notice Period	Yield (at 4 Mar 2021)	FSCS Yes/No	Credit Rating

Nationwide	45 day Members Business Saver deposit account	£150,000	45 days	0.35% (0.35 % Oct 2020)	Y	AA3 (Moody's) (AA3 Oct 2020)
CCLA	Public Sector Deposit Fund* (money market fund)	£25,000	On demand	0.0467% (0.125% Oct 2020)	n/a	AAAmf (Fitches) No change

*The Public Sector Deposit Fund is a money market fund specifically designed for the Public Sector. It invests in a diversified portfolio of high quality sterling denominated deposits and instruments. Its primary aim is to maintain the net asset value of the fund at par. The purchase of shares in the PSDF is not the same as investing in a bank deposit account and is not a guaranteed investment. There is a risk that the value per share may fall below face value.

Investment Options

A review of available investments, open to Parish Councils, which meet MPC's Investment Strategy requirements shows that most providers have withdrawn their deposit accounts with notice periods of one year or less or are offering interest rates of between 0.01% and 0.5%, depending on notice required. Returns of 0.7% are possible on one year fixed term investments.

Potential Investments currently offering the best yields are:

Institution	Product	Minimum Investment	Notice Period	Yield (at Feb 2021) Fixed/Variable	FSCS Yes/No	Credit Rating
Cambridge Building Society	Council Saver	£1,000	On demand (max 2 per month)	0.1% V	Y	Not found
Hampshire Trust Bank	45 day Business Notice Account	£5,000	45 days	0.5% V	Y	Not found
Hampshire Trust Bank	1 yr business bond	£5,000	Matures 1 yr	0.7% F	Y	Not found
Charity Bank	1 yr ethical fixed rate	£10,000	Matures 1 yr	0.47% F	Y	Not found

Proposal 2021/22

Although return on investments is currently extremely low it is proposed to continue with some investments to make best use of surplus funds and to spread the risk of financial institution failure.

MPC currently has £175,000 invested. The anticipated available fund is around £240,000+ (exact figures will be known at financial year end). The additional funds can be invested during 2021/22.

Nationwide 45 day business saver – MPC should continue to invest as it remains one of the best returns currently available with notice of one year or less. The £150,000 current investment is above the FSCS limit and could be reduced. Nationwide is AA3 rated by Moody's. It was downgraded from AA2 in April 2020, along with a number of UK banks, reflecting the impact of Covid-19 on the UK economy. AA3 is considered 'high quality'.

CCLA Public Sector Deposit Fund – MPC has invested £25,000 (minimum allowed) and had agreed to review the performance of the PSDF before deciding to invest further. The fund yield has been falling although it remains similar to that offered by many bank or building society deposit accounts and above that of similar money market fund schemes. This is a different type of investment to deposit accounts and does serve to diversify MPCs investment portfolio. The fund rating of AAmmf (Fitches) is considered very safe. CCLA are proposing to restructure the shares within the fund to offer protection against negative yields should these arise (see info attached). MPC could currently achieve a better return elsewhere so further investment is not recommended at this stage.

Additional investments – these should seek a balance of security, liquidity, and yield. Investment in fixed-term bonds will offer protection against potential falling or negative interest rates but funds will not be accessible until the maturity date.

Investment Plan Recommended for 2021/22:

Withdraw £50,000 from Nationwide (balance invested £100,000) to reduced excess over FSCS limit and to allow investment in higher yield accounts.

Invest £85,000 in Hampshire Trust Bank 45 day notice deposit

Invest £30,000 in Charity Bank one year ethical fixed rate – this has been recommended rather than HTB fixed rate bond (which has a higher yield), to keep total at HTB below FSCS limit.

Leave CCLA PSDF investment at £25,000

Total invested = £240,000

Liquidity breakdown of suggested investments:

£25,000 = instant notice

£185,000 = 45 day notice

£30k,000 = one year maturity

All investments should be reviewed if there is a significant change in interest rates, perceived risk of financial institution failure or economic climate.
