Dear Claire

As we discussed, we are quoting to spray the New Rd Cemetery with a selective weedkiller.

We discussed the options & agreed to do it in stages. I would suggest we do it in two sections, we could split the areas that are regularly cut in half.

We would use a product designed for use on amenity areas, this means it is safe for wildlife & public. We would obviously use signage during the process to make everybody aware of the works.

This is a process that has to be applied when the weather conditions are right.

Total for works £480.00 x Vat

you need to discuss anything, please do not hesitate to contact me

Kind Regards

Justin Willmott (Director)
