

# MELBOURN PARISH COUNCIL

## Maintenance Committee Meeting

Item No: MA077 21b)

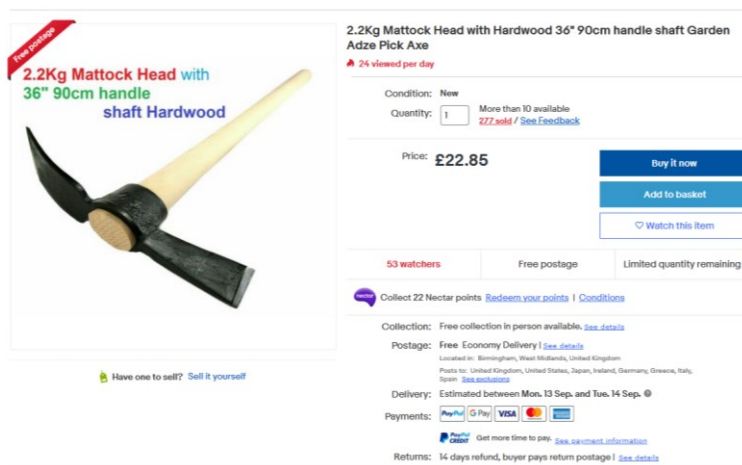

Date: 22 September 2021

As per my previous email here are the details for the Adze. If possible can the Parish Council purchase 3 of these items for use in Stockbridge Meadows along with the muck rakes.

2.2Kg Mattock Head with Hardwood 36" 90cm handle shaft Garden Adze Pick Axe

<https://ebay.us/25IFCp>

Both the rakes and the adze will make working on the reed beds in Stockbridge meadows easier to maintain.

Following the Maintenance committee I have looked for muck rakes and adzes and found the best price on ebay. Please see the details below for the rake. If possible can I request the purchase of 3 of the rakes.

The adze link to follow in another email.
