

**MELBOURN PARISH COUNCIL**  
**Maintenance Committee Meeting : 21 October 2021**

Item: MA094 21f)      Request to fit owl boxes

---

I have two Silver Birches that I'd like to plant if possible.

Also, I don't know if you are aware but a number of young Tawny Owls are currently competing for territory around the Moor - making lots of noise as they do so.

Next year they will be looking for nesting sites.

***Accordingly, I wondered if I could fit a couple of Owl nest boxes - one in the Jubilee Orchard, one in the football field opposite the village college?***
