Two new investment accounts (Charity Bank and HTB) have been opened and £50,000 withdrawn from Nationwide in line with approved Investment Strategy 2021/22.

The figures above have been produced by the Parish Council's accounting system. The 'Actual' figures include receipts and payments to 31st January 2022. Adjustments for accruals and prepayments will be made at the financial year end. Where an item is funded by a reserve and does not form part of the precept budget, it is shown in the Reserve Movements column.

#### Variations from Budget (>£500/15%)

#### Income:

Burial Fees – income from this source is difficult to predict but burials this year are already £3,870 above budget. Match Fees – the budget assumption was for ongoing usage of the football pitches by local teams. However, since the opening of the 4G pitches in Melbourn, usage has fallen. Discussion with local teams about fees are ongoing. Hire of Recreation Grounds – income from this source is above budget due to extra days being booked by the fair. Pavilion Hire – the budget assumption had been that Melbourn Village College would use the Pavilion until the end of the 2020/21 academic year. They did not require use for that length of time so this budget heading is expected to be under budget.

Pavilion Hire MAYD recharge – MAYD youth club activities have not taken place so far this year due to Covid 19. Discussions are ongoing about restarting activities in 2022 but Pavilion income from MAYD is in doubt and will not meet budgeted level.

Miscellaneous Income – includes donations of £500 for tree planting and £717 for repairs to the Parish Clock. The clock expenditure was incurred in Sept 2021 and included in the Parish Clock expenditure heading.

Overall income position – burial fee and fair income should compensate for anticipated shortfalls in match fee and pavilion hire income.

#### **Expenditure:**

Insurances – following the professional insurance revaluation exercise of the Parish Council's buildings and the end of the previous three-year insurance deal, the insurance premium has increased by approx. £5,700 over the budget for this item

Grant Funding MAYD – this grant has been awarded to MAYD but does not show up on this report as it is a reserve movement (MAYD does not have its own bank account).

Maintenance expenditure – expenditure on maintenance and grounds maintenance, which fall under the remit of the Maintenance Committee, is currently expected to be slightly underspent overall. However, there have been reallocations between some budget headings, to allow additional expenditure where it has been needed (approved by Maintenance Committee and MPC if appropriate).

Salaries – these are expected to be under budget as some employees who are entitled to join the workplace pension scheme have decided not to.

Community Development – the budget for MVAS equipment was £5,000 but the equipment and signage has cost around £2,245. Melbourn Futures group are discussing how they would like to spend the balance (subject to approval).

Highways – the budget included £3,000 for gulley cleaning but this was carried out by CCC Highways. The balance may be allocated to another maintenance project later in the year (subject to approval).

Street lighting – this budget heading will be underspent due to savings in energy usage following replacement with more efficient LED lighting.
