## **Melbourn Parish Council Asset Valuation Policy**

Wherever possible assets are included at historic cost.

Where historic cost is not known a proxy estimated value has been used.

Assets that have been gifted to the parish or transferred from a principal authority eg via s106 agreements are included at a nominal value of £1.

Assets remain at historic cost/proxy value unless work has been done that significantly extends their useful life or enhances their size. In which case enhancement costs are added to the total asset value.

Assets under £200 cost are not included in the asset register but are noted on the inventory sheet.
