

MELBOURN PARISH COUNCIL
Maintenance Committee Meeting : 18 May 2022

MA014 22c) Tree watering request

I am looking at replacing the tree which was removed from within the brash of the bramble bush adjacent to 41 Clear Crescent Melbourn but was wondering if there was anybody from the Parish Council or any local groups that you could think of that I could contact in relation with assisting with the watering of the new tree during the first year of its planting?

Kind regards
