Dear Claire

We are quoting to **tidy up the area**, move one bench & install another at 83 High Street as discussed.

We would trim, weed & tidy the shrubs etc first, then we would move the existing bench into its new place & then install the new bench.

We could take delivery of the bench to our yard & store until the job is done

Total for works £630.00 x Vat

Should you have any questions please do not hesitate to contact me

Kind Regards

Justin Willmott
