

MELBOURN PARISH COUNCIL

Maintenance Committee Meeting : 16 June 2022

MA041/22 Skate Park Working Party update

I have arranged for Betongpark to carry out a site visit on 27 June at 10 to give a view on potential locations for a skate park.

I am waiting to hear back from Clarke and Kent with dates for a similar visit to look at suitable locations for a pump track.

Once a location has been identified, a draft tender document can be prepared.
