Proposed by Cllr Cowley, seconded by Cllr Barnes. All in favour.

PC024/22 To receive reports from the District and County Cllrs for Melbourn

County Cllr van de Ven thanks Cllrs Cowley and Davey for taking part in a sponsored swim for Homestart and reported that c£700 had been raised.

Update on grants available including Household Support Fund. Noted that some Corona Virus support groups are now working with families in need.

LHI bid was successful – awaiting to hear from County Council for project start.

Noted that County Council funding may be available to fund 20mph schemes.

Green spaces map now available online – details to be shared.

Further information will be shared with regard to transport strategy.

Half hourly train services have resumed.

Noted that no money has been received from Central Government for improvements to bus services.

Thanks to all who helped on Meldreth Station. Also noted that cycle parking is now protected by CCTV.

Event to be held in Meldreth Church at 3pm on 24/5 for those hosting people from Ukraine. A member noted that people from Ukraine are welcome at All Saints in Melbourn as well.

District Cllr Hales reported that cabinet was discussing current cost of living crisis with a request that queries are directed to local Cllrs rather than SCDC officers.

A member queried how many Ukrainian families are currently in Melbourn. Noted information not currently available.

A member queried if a similar support scheme was in place for Afghan refugees. Noted this was not the case. It was noted that Community Rail Partnership had decided not to offer free travel to Ukrainian refugees as this benefit was not widely available to other groups in need.

PC025/22 Governance:

a) To approve nominations for Chair and Vice Chair of Maintenance Committee (s4.d.v of SO)

It was:

RESOLVED to approve the nominations of Cllr Travis as Chair and Cllr Clark as Vice Chair of the Maintenance Committee.

Proposed by Cllr Kilmurray, seconded by Cllr Barley. All in favour.

b) To consider approving reimbursing the Library for book purchases from s106 monies

PC031/22 Planning Matters:

 a) To consider approving signature of an Indemnity in respect of Healthcare Contribution - 36 New Road

The meeting was updated as to how the healthcare contribution will be used to fund health related matters to be delivered by PCNs at the Hub. The services will be free at the point of delivery. Thanks was noted to all involved in setting this up. Also noted that this was a good example of s106 monies being used to directly benefit to the local community and that the

developer has indicated that they are fully supportive. Noted that this project is an exemplar of delivering healthcare to the community. Also noted that there is money available for health checks due to underspend during Covid. This project will help as it provides space not otherwise readily available.

It was

RESOLVED to approve signature of the Indemnity in respect of Healthcare Contribution (36 New Road).

Proposed by Cllr Kilmurray, seconded by Cllr Davey. All in favour.

b) To consider a request from Kingsway Golf relating to signage

There was discussion as to the authority with responsibility for approving this signage. Noted that as A10 is no longer a truck road, responsible authority is County Highways. Noted that the signage is intended for the intersection of the A10 and Cambridge Road so is in Shepreth Parish. It was noted that Highways are disinclined to install excessive signage. A member suggested that any new brown Highways sign could include information on other facilities in Melbourn such as the Hub, Stockbridge Meadows.

ACTIONS:

- Clerk to write to Highways Authority to enquire if any proposed signage could include details of other facilities in Melbourn.
- Clerk to write to Kingsway Golf for more information on location of signage and to enquire if they would consider a combined sign with other information as noted above.

It was

RESOLVED to support the request for additional signage subject to further information from both County Highways and Kingsway Golf on location and possibility of a combined sign. Proposed by Cllr Travis, seconded by Cllr Kilmurray. In favour: Cllrs Alexander, Barley, Barnes, Clark, Davey, Kilmurray, Travis, Wilson. Again: Cllr Cowley.

During the financial year ended 31 March 2022, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

The internal audit for 2021/22 has been carried out in accordance with this authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this authority.

Internal control objective	Yes	No*	Not covered**
A. Appropriate accounting records have been properly kept throughout the financial year.			
B. This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.	/		
C. This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.	/		
D. The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.			
E. Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.	/		
F. Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.	/		
G. Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.	/		
H. Asset and investments registers were complete and accurate and properly maintained.	1		
I. Periodic bank account reconciliations were properly carried out during the year.			
J. Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.			
K. If the authority certified itself as exempt from a limited assurance review in 2020/21, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2020/21 AGAR tick "not covered")			/

Section 3 – External Auditor's Report and Certificate 2021/22

In respect of

Melbourn Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not** a **full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website — https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

Section 1 – Annual Governance Statement 2021/22

We acknowledge as the members of:

Melbourn Parish Council

our responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements. We confirm, to the best of our knowledge and belief, with respect to the Accounting Statements for the year ended 31 March 2022, that:

Agreed			
	Yes	No*	'Yes' means that this authority:
We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.	/		prepared its accounting statements in accordance with the Accounts and Audit Regulations.
We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.	/		made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.
3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.	/		has only done what it has the legal power to do and has complied with Proper Practices in doing so.
We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.			during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.
5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.	/		considered and documented the financial and other risks it faces and dealt with them properly.
We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.	/		arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.
We took appropriate action on all matters raised in reports from internal and external audit.	/		responded to matters brought to its attention by internal and external audit.
We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.	/		disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.
9. (For local councils only) Trust funds including charitable. In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit.	Yes	No	N/A has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.

^{*}Please provide explanations to the external auditor on a separate sheet for each 'No' response and describe how the authority will address the weaknesses identified. These sheets must be published with the Annual Governance Statement.

This Annual Governance Statement was approved at a meeting of the authority on:	Signed by the Chairman and Clerk of the meeting where approval was given:

Annual Governance and Accountability Return 2021/22 Form 3

To be completed by Local Councils, Internal Drainage Boards and other Smaller Authorities*:

- where the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; or
- where the higher of gross income or gross expenditure was £25,000 or less but that:
 - · are unable to certify themselves as exempt (fee payable); or
 - have requested a limited assurance review (fee payable)

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return 2021/22

- 1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Form 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with *Proper Practices*.
- 2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
 - The Annual Internal Audit Report must be completed by the authority's internal auditor.
 - Sections 1 and 2 must be completed and approved by the authority.
 - Section 3 is completed by the external auditor and will be returned to the authority.
- The authority must approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both must be approved and published on the authority website/webpage before 1 July 2022.
- 4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2022.** Reminder letters will incur a charge of £40 +VAT:
 - the Annual Governance and Accountability Return Sections 1 and 2, together with
 - a bank reconciliation as at 31 March 2022
 - an explanation of any significant year on year variances in the accounting statements
 - · notification of the commencement date of the period for the exercise of public rights
 - Annual Internal Audit Report 2021/22

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the limited assurance review and is able to give an opinion, the Annual Governance and Accountability Section1, Section 2 and Section 3 – External Auditor Report and Certificate will be returned to the authority by email or post.

Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2022 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as vet unaudited:
- Section 1 Annual Governance Statement 2021/22, approved and signed, page 4
- Section 2 Accounting Statements 2021/22, approved and signed, page 5

Not later than 30 September 2022 authorities must publish:

- · Notice of conclusion of audit
- Section 3 External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority should receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, you must inform your
 external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide
 relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022**.

LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

The <u>Local Audit and Accountability Act 2014</u> (the Act) governs the work of auditors appointed to smaller authorities. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act and the <u>Accounts and Audit Regulations 2015</u> also cover the duties, responsibilities and rights of smaller authorities, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the smaller authority form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax

The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When smaller authorities have finished preparing accounts for the financial year and approved them, they must publish them (including on a website). There must be a 30 working day period, called the 'period for the exercise of public rights', during which you can exercise your statutory right to inspect the accounting records. Smaller authorities must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. The 30 working day period must include a common period of inspection during which all smaller authorities' accounting records are available to inspect. This will be 1-14 July 2022 for 2021/22 accounts. The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the smaller authority that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

The right to ask the auditor questions about the accounting records

You should first ask your smaller authority about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor's remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your smaller authority the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with their explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here

means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your smaller authority other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

The right to make objections at audit

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the smaller authority's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the smaller authority. The notice must include:

- confirmation that you are an elector in the smaller authority's area;
- why you are objecting to the accounts and the facts on which you rely;
- · details of any item in the accounts that you think is unlawful; and
- details of any matter about which you think the external auditor should make a public interest report.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the <u>Local Audit and Accountability Act 2014</u>.

A final word

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.

For more detailed guidance on public rights and the special powers of auditors, copies of the publication <u>Local authority accounts</u>: A guide to your rights are available from the NAO website.

If you wish to contact your authority's appointed external auditor please write to the address in paragraph 4 of the Notice of Public Rights and Publication of Unaudited Annual Governance & Accountability Return.

General reserve - 6 mnths running costs per MPC Reserves Policy

Running costs 2022/23 320,430

(Budgeted costs excluding reserves contributions)

General Reserve (mnths) 5.9 months

Target General Reserve (6 mnths - per policy) 160,215

Deficit - 1,708

Reserves explantions:

General Reserve - these funds have no restriction on their use. They can be used to offest the impact of uneven cash flows, offest budget overspends or held in case of unexpected events and emergencies. MPC's Reserve Policy is to aim for a level of General Reserve of six months of budgeted expenditure (excluding contributions to reserves).

Asset Management Reserve - this reserve is to offset the cost of renewals and replacements of major assets. The aim is to smooth expenditure so that a programme of replacement can be carried out without significant changes in the precept. The intention is to link this reserve to a planned maintenance programme.

Election Reserve - this reserve is to offset election costs in the event that a Parish Council election is called.

Martin's Charity - charity reseve balance (dormant).

Community Capital Grant Fund - Hub Extension - this grant funding was received specifically for the Hub extension project and has been fully used in 2021/22.

\$106 - this holds \$106 funds received from developments in the Parish. Expenditure according to the terms of the \$106 agreements is funded from this reserve.

S106 Community Transport - this fund is a commuted sum paid to MPC to fund community transport services to new developments in the village for a period of 10 years

MAYD - this reserve holds funds belonging to MAYD Youth Club, a joint venture between Melbourn, Meldreth, Foxton and Shepreth. Contributions from all member parishes are paid into this reserve and the costs of running the youth club are met from it.

Celebrating Ages - this reserve holds the funding for Celebrating Ages events and the costs of the events are met from the reserve.

Community Benefit Grant Funding - the Community Benefit funds received from the solar park are paid into this reserve. Grants and donations made from these funds are paid from the reserve.

Timebanking Events - funds raised from events run by the Timebanking co-ordinator are kept in this reserve. Expenses relating to Timebanking events are paid from the reserve.

Parish Van Replacement - this reserve is to offset the cost of replacing the Parish Van (planned replacement 2022/23)

Deferred Costs - this reserve is to fund projects that were not completed in the financial year and have been carried forward to the next year (see below)

Melbourn Parish Council May 2022 District and County Councillors' Report

The May elections brought a change to the makeup of the council which is now comprised of 37 Lib Dems and 8 Conservatives. The annual meeting of the council takes place on 26 May, and key committees and appointments will be formalized then.

South Cambs District Council finance

The council has put its finances in very good order and is one of the most effective councils nationally at collecting its council tax. It has made property investments which have provided good returns for public finances.

As you know SCDC administers a wide range of community, local business and household grants, which are constantly updated on its website – www.scambs.gov.uk. We highlight some of them here.

a. Community Chest

The Community Chest is grant funding available to voluntary and community sector groups, charities and public sector bodies wishing to further improve quality of life in South Cambridgeshire, available on a rolling basis. Again, check out www.scambs.gov.uk under the home page portal for 'Community, Safety and Health'. You'll find a 'Grant Grabber' link there too which will alert you to further opportunities.

b. Business support

You can sign up for the Business Support and Development e-newsletter, including notification of new grant opportunities, at scambs.gov.uk.

c. Action on Energy scheme

Run in partnership with neighbouring councils, SCDC is providing grants to help low-income households install energy efficiency improvements and low carbon heating. The grants are available for homeowners and private landlords that meet both of the following criteria:

- Homeowners or tenants on certain means-tested benefits (see 'eligible benefits' below) or with a total household income of less than £30,000 before tax or other deductions
- The property's Energy Performance Certificate (EPC) rating is E, F or G (Check your EPC rating—contact SCDC if you don't have one)

For homeowners the grant will cover 100% of the cost of improvements. For landlords the grant will cover two-thirds of the cost of the improvements, with the landlord expected to cover the outstanding amount.

The maximum amount of grant available depends on the way the property is heated and its current EPC rating. The maximum ranges from £10,000 to £25,000 for homeowners, and £5,000 to £16,666 for landlords.

Cambridgeshire County Council

Household Support Fund update

During 2021/22 the Council administered the Household Support Fund scheme to support those most in need over the winter months, primarily with food and fuel costs. This used £2,457,158 of Government funding. The Joint Administration's budget in February set aside £1M for a new Household Support Fund wider scheme for 2022/23.

In March the Chancellor of the Exchequer announced further funding for the Household Support Fund nationally. We do not yet know how much of that is allocated to Cambridgeshire. The £1M provided from Council funding will enable the 2022/23 offer to be more flexible, as it will not be limited by the Government rules that applied to last year's funding. Information is here:

https://www.cambridgeshire.gov.uk/residents/coronavirus/household-support-fund

Local Highways Initiative

The parish council can expect to hear back from the LHI team in the next couple of weeks as to time-frames and any pertinent details for delivery of the project, for which Melbourn's application was successful. There is a minor administrative point to note on the CCC side, which has no bearing on the delivery of the project or the PC contribution: that is simply that the 20MPH element will be funded from a new dedicated 20MPH scheme pot.

A review of the LHI scheme is taking place and will take account of the council's new policy on facilitating 20 MPH schemes. Subject to the review group's proposals, the provisional application window for next year's round will be October-November 2022, with approval of schemes in June 2023 and pricing and construction March-June 2024.

Cambridgeshire Green Spaces map

The County Council has launched a #LetsGetOutdoors campaign which is encouraging people to make use of Cambridgeshire's parks and green spaces. The campaign is highlighting a new online map: https://www.cambsopenspace.co.uk/

This lists all the main green spaces across Cambridgeshire including village recreation grounds and small parks.

Combined Authority

Bus Improvement Programme - no funding

The Combined Authority's Bus Improvement Programme has been snubbed by Government, with no funding at all being awarded to Cambridgeshire & Peterborough at all for better bus provision. This is crucially important as bus ridership does not always provide sufficient revenue to make a service viable, and extra support funding needs to come from somewhere – certainly that is the case for the 17 service running between the Mordens, Litlington, Bassingbourn-cum-Kneesworth, Whaddon, Meldreth, Melbourn and Royston. The Meldreth and Melbourn link is still run on a subsidy.

Local Transport Plan

When the Combined Authority was created it assumed statutory responsibility for transport, including creating the Local Transport Plan, which is an important strategic plan – please take a look and respond.

<u>Home - Phase 2 - Cambridgeshire & Peterborough Combined Authority (yourltcp.co.uk)</u>

Trains and the station

The Meldreth Shepreth and Foxton Rail User Group met last week, when weekday train services were brought back to half-hourly all day. This is fantastic news as we'd not been expecting quite this level of improvement, so soon. We were also given sight of performance data which indicates that service reliability is steadily improving, as workforce builds back. It's essential, if we're to retain the service into the future, that ridership continues to grow. Please, if you've gone out of the habit of using the train during the pandemic, do opt to try it out!

Meldreth Station's cycle park is now protected by CCTV.

A big thank you as always to all who've been working to make the station garden look good – this vibrant group includes residents of Melbourn and Meldreth, and now has connections with the Timebank group too.

(Budgeted costs excluding reserves contributions)

General Reserve (mnths) 5.9 months

Target General Reserve (6 mnths - per policy) 160,215

Deficit - 1,708

Reserves explantions:

General Reserve - these funds have no restriction on their use. They can be used to offest the impact of uneven cash flows, offest budget overspends or held in case of unexpected events and emergencies. MPC's Reserve Policy is to aim for a level of General Reserve of six months of budgeted expenditure (excluding contributions to reserves).

Asset Management Reserve - this reserve is to offset the cost of renewals and replacements of major assets. The aim is to smooth expenditure so that a programme of replacement can be carried out without significant changes in the precept. The intention is to link this reserve to a planned maintenance programme.

Election Reserve - this reserve is to offset election costs in the event that a Parish Council election is called.

Martin's Charity - charity reseve balance (dormant).

Community Capital Grant Fund - Hub Extension - this grant funding was received specifically for the Hub extension project and has been fully used in 2021/22.

\$106 - this holds \$106 funds received from developments in the Parish. Expenditure according to the terms of the \$106 agreements is funded from this reserve.

S106 Community Transport - this fund is a commuted sum paid to MPC to fund community transport services to new developments in the village for a period of 10 years

MAYD - this reserve holds funds belonging to MAYD Youth Club, a joint venture between Melbourn, Meldreth, Foxton and Shepreth. Contributions from all member parishes are paid into this reserve and the costs of running the youth club are met from it.

Celebrating Ages - this reserve holds the funding for Celebrating Ages events and the costs of the events are met from the reserve.

Community Benefit Grant Funding - the Community Benefit funds received from the solar park are paid into this reserve. Grants and donations made from these funds are paid from the reserve.

Timebanking Events - funds raised from events run by the Timebanking co-ordinator are kept in this reserve. Expenses relating to Timebanking events are paid from the reserve.

Parish Van Replacement - this reserve is to offset the cost of replacing the Parish Van (planned replacement 2022/23)

Deferred Costs - this reserve is to fund projects that were not completed in the financial year and have been carried forward to the next year (see below)

Deferred costs:

Hub items:	
Hub - Legionella testing/measures	1,000.00
Hub - replace damaged double glazed panels	1,200.00

Grant funding - MAYD

27/04/22 02:35 PM Vs: Melbourn Parish Council Page 5

Melbourn Parish Council Finance Report year ended 31 March 2022

The above figures have been produced by the Parish Council's accounting system. Year end adjustments have been made for accruals and prepayments, so the figures are reported on an Income & Expenditure basis. At 31 March 2022 income exceeded budget by £9,154 (3%) and expenditure was under budget by £8,188 (after adjusting for MAYD grant funding) (3%) giving a total budget surplus of £17,342.

MPC can make the budgeted contributions to the Asset Management Reserve (£20,000) and the Parish Van replacement Reserve (£3,000). Expenses of approx. £8,800 that were included in the 2021/22 budget have been deferred until the next financial year and will be ring-fenced and carried forward. This leaves a surplus of c£8,500 which will go into the General Reserve, bringing this reserve balance to just under six months expenditure which is in line with MPC's Reserves Policy.

Significant variations from budget are explained below.

Explanations for Material Variations from Budget*

Income:

Burial Fees – it is difficult to accurately predict burial income. The budget had been set at a prudent level due to low levels of burial income in previous years.

Match Fees/Hire of Recreation Ground – the budgets had been set on the assumption of some continued covid restrictions reducing hire fee income. In reality the annual fair went ahead (not budgeted) and match fee bookings were better than expected.

Pavilion hire/MAYD recharge – the budget had assumed continuing hire of the Pavilion by MVC until the end of the academic year. The space was only needed by MVC for one term. MAYD did not resume in-person activities during the year so no use was made of the Pavilion.

Miscellaneous Income – this is not budgeted. MPC received donations of £500 for tree planting, £717 for works to the Parish Clock (works included in expenditure) and recharged expenditure (£900) is also included in this heading.

Expenditure:

Conservation – this budget included £4,000 to move the Kohima Stone. This was moved in April 2022 so the funds will be ring-fenced and carried forward to the next financial year. The budget for emergency tree works was also underspent.

Grass cutting contract – the budget includes a provision for additional cuts that may be needed at the beginning and end of the grass cutting season (weather dependent) and which were not needed this year. Note that some of the underspend on grass cutting and other maintenance budget items has been reallocated to fund some unbudgeted fencing repairs at Worcester Way (approx. £1,600). These repairs were ordered prior to the year end but carried out in the first week of April. The funds will be ring-fenced and carried forward.

Public open space contract - the budget includes a provision for extra works plus additional cuts that may be needed at the beginning and end of the grass cutting season (weather dependent) and which were not needed this year.

Cemetery rates, utilities & upkeep – the budget included provision for pest control and tree & hedge works which was not required.

Cemetery Grounds Maintenance Contract - the budget includes a provision for extra hedge works plus additional cuts that may be needed at the beginning and end of the grass cutting season (weather dependent) and which were not needed this year.

Play Areas – a large repair was carried out to the embankment and zipwire that exceeded the budget (approved by MPC).

Recreation Grounds - the budget includes a provision for additional cuts that may be needed at the beginning and end of the grass cutting season (weather dependent) and which were not needed this year.

Contingency – this was not specifically needed this year as overspends could be absorbed from underspends elsewhere in the budget.

Insurances - following the professional insurance revaluation exercise of the Parish Council's buildings and the end of the previous three-year insurance deal, the insurance premium has increased by approx. £5,700 over the budget for this item.

Parish Clock – two large repairs were carried out to the clock (approved by MPC). One was funded by a donation – see Miscellaneous Income.

Parish Office, IT & Contractors – the budget was underspent for software licences (one is not needed and one is now included in the insurance premium) and for litter picking.

Salaries, NI & Pensions - these are under budget as some employees who are entitled to join the workplace pension scheme have decided not to. This is partially offset by a 1.75% pay award to local council workers which was not budgeted.

Community Hub – maintenance & replacements – The Hub was closed during part of the year for a major extension project. Many of the budgeted annual services (fire alarms, air conditioning etc) did not happen.

Community Development - the budget for MVAS equipment was £5,000 but the equipment and signage has cost around £2,245. Melbourn Futures group have now received permission from MPC to purchase a second MVAS unit and the balance will be ring-fenced and carried forward to 2022/23.

Highways – the budget included £3,000 for gulley cleaning but this was carried out by CCC Highways at no cost to MPC.

Street lighting – this budget heading was underspent due to savings in energy usage following replacement with more efficient LED lighting.

Little Hands Nursery – MPC approved unbudgeted expenditure of approx. £8,000 on major drain repairs at Little Hands.

Healthcare Contribution 36 New Road Melbourn S/2424/18/FL

Dear Claire,

As the Parish Council will be aware, having already received several contributions from the development, a Section 106 Agreement was entered into in respect of the above development on 25 April 2019. Among other things this agreement required the developer to pay over the sum of £14,036 as a financial contribution to facilitate healthcare improvements in Melbourn. The Council received the index linked sum of £14,899.75 on 5 November 2021.

A joint project between Melbourn Hub and Meridian PCN (on behalf of Orchard Surgery) has been pursued over the last year culminating in a Premises Improvement Application – Expression of Interest Form completed by the Practice Manager in 17 February 2022 and which sets out how the Healthcare Contribution is intended being used. In summary the contribution will fund the provision of a room within Melbourn Hub for up to 8 hours and day, 5 days a week with details of likely healthcare providers set out in the application form. The effect of this proposal is that more capacity will be made available within Orchard Surgery in Melbourn.

The facility has been cleared from an Infection Prevention Control perspective and on 12 April 2022 Cambridgeshire and Peterborough Clinical Commissioning Group gave their written approval for the scheme.

The Healthcare Contribution will be transferred to Melbourn Parish Council, as owners of Melbourn Hub, upon the Parish Council entering into an appropriate form of Indemnity.

I attach a copy of an appropriate Indemnity for execution on behalf of the Parish Council. Please arrange for 2 copies of the indemnity form to be printed with both copies executed in pursuance of an appropriate resolution of the Parish Council. You will see that the document provides for the date of the resolution to be inserted and would be grateful if this could be completed and for the document to be executed by two Parish Councillors on behalf of the Parish Council.

Once executed, please date the Indemnity and return one part to me, retaining the other copy for the Council's records. I will then arrange for the Healthcare Contribution to be remitted as quickly as possible.

Yours sincerely

James Fisher Section 106 Officer **BETWEEN** MELBOURN PARISH COUNCIL care of Melbourn Community Hub, 30 High Street, Melbourn, Cambridgeshire, SG8 6DZ ("the Parish Council") of the one part and SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL of South Cambridgeshire Hall, Cambourne Business Park, Cambourne, Cambridge, CB23 6EA ("the District Council") of the other part

WHEREAS:

- (1) Under the terms of a Section 106 Agreement ("the Section 106 Agreement") dated 25 April 2019 and made between the District Council (1) Cambridgeshire County Council (2) Nicholas Newman and Maureen Catherine Newman (3) R2 Developments Ltd (4) and Handelsbanken Plc (5) a contribution of a) £14,036 (subject to indexation) is payable to facilitate healthcare improvements in Melbourn; ("The Healthcare Contribution") in the circumstances and on the conditions therein prescribed
- (2) The Healthcare Contribution being £14,899.75 was received by the District Council on 05 November 2021
- (3) The District Council agrees to transfer the Healthcare Contribution to the Parish Council SUBJECT TO the Parish Council agreeing to comply with those covenants given in Paragraphs 1, 2 and 3 of Part 1 of the Fifth Schedule of the Section 106 Agreement as if those Covenants themselves had been given by the Parish Council in favour of the Owner mutatis mutandis and to provide an indemnity as hereinafter described

NOW THIS DEED WITNESSETH as follows:

IN CONSIDERATION of the payment by the District Council to the Parish Council of the Healthcare Contribution the Parish Council covenants with the District Council

- to use the Healthcare Contribution solely for the purposes specified in the Section 106
 Agreement
- 2. that if it has not applied or made arrangements for the application of all or any part of the Healthcare Contribution within ten years from 05 November 2021 then those Contributions or unexpended proportion thereof (as the case may be) shall be payable to the Owner as provided in the Section 106 Agreement ("the Owner") with interest accrued from the date of receipt by the Parish Council until such sum is paid in full PROVIDED ALWAYS that if before the expiry of the said ten year period there is any contract or contracts in existence to which the Healthcare Contribution are attributable and which contract or contracts shall be completed after the expiry of the said ten year period any sum to be repaid to the Owner shall be repaid (together with interest thereon as aforesaid) following payment of the final account in respect of any and all such contracts and the sum to be repaid shall be less all costs incurred and/or paid to provide the said infrastructure pursuant to such contract or contracts
- 3. that it shall if requested by the Owner produce to the Owner within 28 days of such a request a statement of account as to how the Healthcare Contribution or any part thereof shall have been spent
- 4. that it will indemnify the District Council fully against any costs or claims which may arise in respect of any breach by the Parish Council of the terms of this Agreement.

MELBOURN PARISH COUNCIL

Doc. No. 5.08 Version: 3

Review Date: June 2023

POLICY & PROCEDURE: WHISTLEBLOWING

PURPOSE: To describe the framework and freedoms that enable employees of

Melbourn Parish Council to report openly, and without fear of reprisals, on serious matters that they believe to be of public

concern.

SCOPE: Employees of Melbourn Parish Council

POLICY:

1. Background

- 1.1 Melbourn Parish Council is committed to the highest standards of openness, integrity and accountability. An important aspect of accountability and transparency is a mechanism to enable staff and other members of the Council to voice concerns in a responsible and effective manner.
- 1.2 It is a fundamental term of every contract of employment that an employee will faithfully serve his or her employer and not disclose confidential information about the employer's affairs. Nevertheless, where an individual discovers information which they believe shows serious malpractice or wrongdoing within the organisation then this information should be disclosed internally without fear of reprisal, and there should be arrangements to enable this to be done independently of line management (although in relatively minor instances the line manager would be the appropriate person to be told).
- 1.3 The Public Interest Disclosure Act, which came into effect in 1999, gives legal protection to employees against being dismissed or penalised by their employers as a result of publicly disclosing certain serious concerns.

2. Endorsement

2.1 Melbourn Parish Council endorses the rights and provisions laid out in the Public Interests Disclosure Act. In so doing, it provides guidance on the Scope, Safeguards to protect the rights and security of whistle-blowers and offers a procedure for potential whistle-blowers to bring issues to public notice.

It should be emphasised that this policy and procedure is intended to assist individuals who believe they have discovered **malpractice or impropriety**. It is **not** designed to question financial or business decisions taken by the Council nor should it be used to reconsider any matters which have already been addressed under harassment,

Review Date: June 2023

MELBOURN PARISH COUNCIL

complaint, disciplinary or other procedures. Once the "whistleblowing" procedures are in place, it is reasonable to expect staff to use them responsibly rather than air personal complaints outside the Council. Note: The person should be warned, where and only if deemed appropriate, that an unjustified malicious or vexatious complaint could result in action being taken against the person raising the issue (see 4.2 below).

3. Framework and Scope

- 3.1 This policy is designed to enable employees of the Council to raise concerns internally and at a high level and to disclose information that the individual believes shows malpractice or impropriety. This policy is intended to cover concerns that are in the public interest and may at least initially be investigated separately but might then lead to the invocation of other procedures e.g. disciplinary.
- 3.2 These concerns could include:
 - Financial malpractice or impropriety or fraud
 - o Failure to comply with a legal obligation or Statutes
 - o Dangers to Health & Safety or the environment
 - Criminal activity
 - o Improper conduct or unethical behaviour
 - Attempts to conceal any of these

This is not intended to be an exhaustive list.

4. Safeguards

- 4.1 Protection: This policy is designed to offer protection to those employees of the Council who disclose such concerns provided the disclosure is made (a) in good faith (b) in the reasonable belief of the individual making the disclosure that it tends to show malpractice or impropriety and (c) if they make the disclosure to an appropriate person (see below). It is important to note that no protection from internal disciplinary procedures is offered to those who choose not to use the procedure. In an extreme case malicious or wild allegations could give rise to legal action on the part of the persons complained about.
- 4.2 Confidentiality The Council will treat all such disclosures in a confidential and sensitive manner. The identity of the individual making the allegation may be kept confidential so long as it does not hinder or frustrate any investigation. However, the investigation process may reveal the source of the information and the individual making the disclosure may need to provide a statement as part of the evidence required. Confidentiality can be sacrificed if the matter raised is found to be malicious or vexatious (see 2.1 above).
- 4.3 **Anonymous Allegations** This policy encourages individuals to put their name to any disclosures they make. Concerns expressed anonymously are much less credible, but they may be considered **at the discretion of** the Council. In exercising this discretion, the factors to be taken into account will include:

MELBOURN PARISH COUNCIL

Review Date: June 2023

- The seriousness of the issues raised
- o The credibility of the concern
- The likelihood of confirming the allegation from attributable sources
- 4.4 **Untrue Allegations** Should an individual make an allegation in good faith, which is not confirmed by subsequent investigation, no action will be taken against that individual. In making a disclosure the individual should exercise due care to ensure the accuracy of the information. If, however, an individual makes malicious or vexatious allegations, and particularly if he or she persists with making them, disciplinary action may be taken against that individual.

PROCEDURE:

5. Selecting an appropriate person to investigate:

On receipt of a complaint of malpractice the member of staff who receives and takes note of the complaint must pass this information on as soon as is reasonably possible. An appropriate 'investigating officer' will be selected and appointed as follows:

- 5.1 The Clerk will investigate complaints of malpractice unless the complaint is against the Clerk or is in any way related to the actions of the Clerk. In such cases, the complaint should be passed to the Council Chairman for referral.
- 5.2 In the case of a complaint, which is any way connected with but not against the Clerk, the Council Chairman will nominate a Senior Councillor to act as the alternative investigating officer.
- 5.3 Complaints against the Council Chairman should be passed to the Council Vice Chairman who will nominate an appropriate investigating officer. In such cases it is also appropriate for external advice to be sought.
- The complainant has the right to bypass the line management structure and take their complaint direct to the Council Chairman. The Council Chairman has the right to refer the complaint back to Clerk if he/she feels that the Clerk without any conflict of interest can more appropriately investigate the complaint.
- 5.5 If the complainant has evidence that leads them to believe that neither the Clerk nor Councillors will investigate their complaint in an unbiased way, they should raise their concern with the appropriate outside body (see **6.10** below).

Note: Due to the varied nature of whistle-blowing complaints, which may involve internal investigators and/or the police, it is not possible to lay down precise timescales for such investigations. The investigating officer, once selected, should ensure that the investigations are undertaken as quickly as possible without affecting the quality and depth of those investigations.

MELBOURN PARISH COUNCIL

Review Date: June 2023

6. Investigation Procedure

6.1 The investigating officer, should as soon as practically possible, send a written acknowledgement of the concern to the complainant and thereafter report back to them in writing the outcome of the investigation and on the action that is proposed. If the investigation is a prolonged one, the investigating officer should keep the complainant informed, in writing, as to the progress of the investigation and as to when it is likely to be concluded. Full details and clarifications of the complaint should be obtained.

- The investigating officer should inform the member of staff or Councillor against whom the complaint is made as soon as is practically possible. The member of staff or Councillor will be informed of their right to be accompanied by a trade union or other representative at any future interview or hearing held under the provision of these procedures.
- 6.3 The investigating officer should consider the involvement of the Council auditors and the Police at this stage and should consult with the Council Chairman.
- The allegations should be fully investigated by the investigating officer with the assistance where appropriate, of other individuals / bodies.
- The investigating officer will make a judgement concerning the complaint and validity of the complaint. This judgement will be detailed in a written report containing the findings of the investigations and reasons for the judgement. The report will normally be passed to the Clerk & the Council Chairman, except where other arrangements have been needed (see 5.3 above).
- 6.6 The Council Chairman, or other nominated person if this has been necessary, will decide what action to take. If the complaint is found to be justified, then they will invoke the Disciplinary Procedure (5.5).
- 6.7 The complainant should be kept informed of the progress of the investigations and, if appropriate, of the final outcome. All responses to the complainant should be in writing and sent to their home address.
- 6.8 If appropriate, a copy of the outcomes will be passed to the Council Auditors to enable a review of the procedures.
- 6.9 If the complainant is not satisfied that their concern is being properly dealt with by the investigating officer, they have the right to raise it in confidence with the Council Chairman, or one of the designated persons described above. In this situation the complainant can raise the matter through the Parish Council Grievance Procedure (5.4). Alternatively, the complainant should seek further assistance as described in 6.10 below.

Review Date: June 2023

MELBOURN PARISH COUNCIL

6.10 If the investigation finds the allegations unsubstantiated and all internal procedures have been exhausted, but the complainant is not satisfied with the outcome of the investigation, the Council recognises the lawful rights of employees (and ex-employees) to make disclosures to prescribed persons (such as the Health and Safety Executive, the Audit Commission, or the utility regulators), or, where justified, elsewhere.
