

# MELBOURN PARISH COUNCIL

## Maintenance Committee Meeting : 21 July 2022

### MA051/22c) Asbestos consumables

Following the removal of the asbestos in the red box, the contractor disposed the red box because the asbestos had not stored in it correctly (the asbestos was not all in a sealed plastic bag) so the red box had become contaminated.

To replace the red box and operate the management plan the items below may need to be purchased.
