

Melbourn Parish Council Meeting Monday 26th September 2022

PC096/22 (e) To consider quotations for replacement of damaged Double Glazed units

Glass in two external doors was damaged due to vandalism. Precept funding of **£1,200** was deferred from the previous into the current financial year to carry out this and other glazing refurbishment work.

The anticipated costs have been significantly reduced because part of the original refurbishment work was completed as part of the 2021 Hub upgrade.

Quotes Summary:

JML Window Repairs	£450.00 + VAT
First Glass Services	£357.75 + VAT
Able Group	£764.00 + VAT

There is no reason not to select the cheapest quote.

FW: glazing quote for Melbourn hub

To: John Travis

Dear Mr Travis

Thank you for your time the other day

Please find a price to manufacture and install 2 sealed units @ the Melbourn hub community centre

£357.75 plus vat

We estimate the works will take approx. 3 hours on site and we will require access to the interior and exterior of the hub.

If you have any questions or would like to proceed please give our office a call in the first instance

Best Wishes
