Melbourn Parish Council Finance Report 31st December 2022

The figures above have been produced by the Parish Council's accounting system. The 'Actual' figures include due and unpaid transactions with invoice dates from 1st April to 31st December 2022. Where an item is funded by a reserve and does not form part of the precept budget, it is shown in the Reserve Movements column.

Variations from Budget

Income:

Interest on Deposit Accounts – this is expected to significantly exceed budget due to the increase in interest rates that has occurred during the year.

Miscellaneous Income – this is not budgeted. £5,000 has been received for an easement across the Old Recreation Ground. This money has been taken to a reserve and ring-fenced for future maintenance expenditure for the Old Rec.

Grants Received – a grant of £700 has been received from SCDC towards the Jubilee bench.

Expenditure:

Insurances – the insurance policy has been reviewed and items added or cover increased. The revised premium is above the budget.

War Memorial – this was cleaned during the year but had not been included in the budget.

Maintenance Expenditure – there has been unplanned expenditure on removing asbestos from the allotments and repairing the goal mouths on the football pitches. There has also been unplanned expenditure on Littlehands drains. The Maintenance Committee believe that it should be possible to offset this with underspends elsewhere within the maintenance budget headings.
