

## **MA174/22h) A request to collect fallen branches from Parish Land**

### Request from a resident:

Firstly thank you in advance for reading my email.

I have contacted South Cambs Council who have in turn directed me to yourselves.

I wanted to seek advice regarding any trees which have fallen in areas to be considered as 'common land' or council land which would be suitable for wood for my log burner.

I am not looking to benefit financially from this and to offer reassurance, I do not own a truck, van or trailer which I would be looking to load up with many logs/ trees.

I am more interested in smaller logs which I could pick up on walks around the village and parks which would be ordinarily collected or disposed of.

My burner has a clearskies rating of 4 so it is considered efficient and kinder to the environment as per the below.

Appliances with a clearSkies 4 rating are Ecodesign 2022 compliant with a 15% improvement on the minimum standards required to meet the Ecodesign regulations.

If this causes any issues at all then it is no problem and I will look to make other arrangements.

I just didn't want to pick anything up from the local area without seeking relevant authority in the first.

Yours Faithfully

Please can it be stressed that I would not be collecting anything unless it has naturally fallen and causing a degree of obstruction or danger. The last thing I would want is a belief that I would be unsympathetic towards nature/ the environment.
