

**POLICY AND PROCEDURE:      INVESTMENT PLAN 2022-23**

## 2023-24 Investment Plan- (Mar 2023)

The Investment Plan is normally reviewed annually but changes in the economic climate has given rise to half yearly reviews to ensure that the investments are making the best return for the Parish Council and are accessible when required.

### Funds Available for Investing

MPC has approximately £340,000 temporary surplus funds available during 2023/24 (see table below):

Source	Balance at 01/04/22	Maximum investment term	Comments
<b>General Reserve</b>	£158,500	3 months	Easy access required in case of emergency need
<b>Asset Management Reserve</b>	£72,000	£10k: instant access £62,000: 3m-1 yr	£10k anticipated for projects in 2022/23 – needs to be accessible
<b>s106 Reserve (unallocated funds only)</b>	£110,000 (note: further funds may be received in 2022/23)	3 months (potentially 1 yr if no further projects anticipated this year)	Balance excludes funds that have already been allocated or are anticipated to be allocated to projects in 2022/23 e.g. playground, skate park, boardwalk etc

This above calculation has not been updated since September 2022 and will be fully recalculated for September 2023.

- The majority of MPC's available funds should be kept readily accessible - maximum three month notice period.
- It should be possible to invest part of the AMR and s106 reserve for a longer term.
- The Investment Plan should be reviewed as MPC's plans for spending s106 and AMR funds are agreed to ensure that funds are available when required.

### Economic Climate

Following a period of interest rates being at a historic low, recent inflationary pressures have resulted in several increases to the Bank of England base rate. This was raised to 4% in February 2023. Interest rates appear to be stabilising however the Bank of England are not ruling out further rises, they are anticipating inflation to fall.

### Current position – 10<sup>th</sup> October 2022

MPC has £325,286 invested in four accounts – see breakdown below.

### Review of existing investment performance:

Institution	Product	Current Investment	Notice Period	Yield (at 28 Feb 2023)	FSCS Yes/No	Credit Rating
CCLA	Public Sector Deposit Fund* (money market fund)	£85,000	On demand	3.90%	n/a	AAAmf (Fitches) Unchanged
Nationwide (issue 1)	45 day Members Business Saver deposit account	£115,146	45 days	2.8%	Y	AA3 (Moody's) Unchanged
Charity Bank	40 day ethical notice	£30,292	40 day	1.87%	Y	-

\*The Public Sector Deposit Fund is a money market fund specifically designed for the Public Sector. It invests in a diversified portfolio of high-quality sterling denominated deposits and instruments. Its primary aim is to maintain the net asset value of the fund at par. The purchase of shares in the PSDF is not the same as investing in a bank deposit account and is not a guaranteed investment. There is a risk that the value per share may fall below face value.

## Investment Options for remainder of 2023/22

A review of available investments, open to Parish Councils, which meet MPC's Investment Strategy requirements was undertaken (see Appendix 1 below).

The **best yields** currently available to Parish Councils are:

Institution	Product	Minimum Investment	Notice Period	Yield (at Feb 2023) Fixed/Variable	FSCS Yes/No	Credit Rating
Charity Bank	Ethical 40 day notice	£1,000	40 days	1.71% V for bals>£10k	Y	-
Charity Bank	Ethical 1-Year Business Fixed Rate	£10,000	Matures 1 Year	3.36% F	Y	-
Charity Bank	Ethical Easy Access business savings	£10,000	On Demand	1.72%	Y	-
Charity Bank	Ethical 100-day notice	£1,000	100 days	2.12% >£25,000 2.27%	Y	-
Cambridge & Counties Bank	95 day business notice	£10,000	95 days	3 % V	Y	-
Cambridge & Counties Bank	1 yr fixed rate business bond	£10,000	Matures 1 yr	3.5% F	Y	-

MPC currently has £230,439 invested. The available fund for investment is approximately £340,000. Our HTB investment matured and was returned to the Parish Councils Current Account. We currently hold £174,160 in the Unity instant access account.

Of MPC's existing investment accounts, CCLA is performing well and Nationwide offers relatively good yields compared to the best new offerings. Our Charity Bank 1 year bond has been reinvested to a 40 notice account.

Cambridge & Counties Bank are offering good returns although one account requires 95 days' notice and a yield which is not significantly lower is offered by Charity bank with 40 days' notice whilst CCLA offers instant access with a higher yield. Cambridge & Counties 1-year fixed rate business bond is the best return currently available to Parish Councils.

### **Investment Plan Recommended for remainder of 2023/24:**

CCLA PSDF – this investment is currently performing well. MPC has increased their investment by to £85,000. Note that this investment is not the same as a bank deposit.

Nationwide 45 day business saver - this account has offered consistently good returns and remains one of the best returns currently available with under three months' notice. MPC should keep their investment at the current level (£115,000). This balance exceeds the FSCS limit.

Hampshire Trust Bank 45 day notice deposit – This has been sent back to the Parish Council. This was received in Jan and no investment has been made. (£135,000) We need to consider whether the £50,000 should be reinvested in a Charity Bank ethical 40 day notice account (£50,000),

These should be made subject to committee agreement:

CCLA (£25,000) and Cambridge & Counties Bank 1 year fixed bond (£60,000).

Charity Bank 1yr ethical fixed rate/ethical easy access – the proceeds from the matured 1yr bond (£30,000) should be invested in a new Charity Bank ethical 40 day notice account W. We need to consider whether the £50,000 should be invested to bring the investment to £80,000.

Cambridge & Counties Bank 1 year fixed business bond – MPC should invest £60,000 of the proceeds from HTB in a new investment with C&CB

Total invested = £340,000 (includes £15,000 increase)

Liquidity breakdown of suggested investments:

£85,000 = instant notice (25%)

£80,000 – 40 day notice (23.5%)

£115,000 = 45 day notice (34%)

£60,000 = one year maturity (17.5%)

The proposed investment plan spreads investments between institutions and account types which spreads risk via diversification.

All investments should be reviewed in September 2023 or earlier if there is a significant change in interest rates, perceived risk of financial institution failure or economic climate.
