Good afternoon Abi,

Thank you for your email, sorry to hear that one of your grit bin's have been demolished.

If the PC would like to purchase a replacement grit bin then this is something that I can organise for you.

Currently the cost for a grit bin is £140+VAT, all what we would need is approval from the PC that they are prepared to pay this amount, and address of where we can send the invoice to, as this is a replacement we will not need a map of the location of where you would like it to be installed, unless you would like it placed at a different location.

Once we have received this then I will liaise with our local Highway Depot and ask for them to install it for you, this is more than likely to happen just prior to the start of the Winter Season as we will also fill it up at the same time for you.

I look forward to hearing from you in due course.

Kind regards

Good morning Nicola

I have passed your details by John Obrien as he thinks you might be able to help me with a destroyed salt bin!

The salt bin on the Drs road in Melbourn has been destroyed and I would like to look at the possibility of replacing it.

Could you let me know what our options are?

Many thanks

Abi
