2. My club is concerned over the condition of the our boundary fence bordering the footpath to the rec.(Not the playground side as mentioned in a recent casual conversation with [REDACTED]). which is the responsibility of the PC. A number of top rails are rotting and require replacement. One of my senior members, a retired carpenter, has offered to do the work, free of charge if the PC will cover the cost of the materials, which he estimates at £150. No doubt this will need consideration in committee so I will not expect an early decision.

Kind regards
