The tree in the memorial garden we could lift the lower branches and reduce the top. We can do that for £180.

If you would like to go ahead please let me know on [REDACTED].

Sorry for the delay in replying.

We have a couple of small jobs that need quoting for if you are interested.

### The Moor

There is a tree on the edge of the recreation ground where one of the branches hangs quite low into the car park – could you please look at trimming the branch and advise.

## Memorial Garden

In the memorial garden, on the High Street almost opposite the Rose Lane turning, there is a tree to the rear of the garden that overhangs a neighbouring property – could you please look at works to the tree that would help with leaf fall onto the neighbouring property and improve the overall health of the tree.
