PL117/24 Planning Applications:

- a) [24/00312/HFUL](#) | **Proposal:** Single storey rear extension. | **Site address:** 4 Lordship Drive Melbourn Cambridgeshire | (Deadline to comment 12/03/24)
It was RESOLVED to support no comment.
Proposed by Cllr Clark, seconded by Cllr Wilson. All in favour.
- b) [23/02510/FUL](#) | **Proposal:** Erection of single storey dwelling and retention of existing mobile caravan within the site. Partly retrospective. | **Site address:** Southside View London Way Melbourn | (Deadline to comment 12/03/24)
Discussion about changes to application took place, the following response was agreed:
It was RESOLVED to object on the grounds that the proposed redevelopment would result in an increased domestication of the site. This would represent a harmful encroachment into the countryside. The sense of encroachment and visual harm would be exacerbated by the presence of the public bridleway immediately neighbouring the site. The proposed redevelopment would be contrary to policies H/13 and H/17 of the adopted South Cambridgeshire Local Plan (2018) because it is extending and developing an existing development that we believe never received planning permission in the first instance and has an active compliance investigation against it. Nor

would it fall under Policy H/15. Additionally, there being no other option than use of a private car to travel to and from the site, it would be contrary to Policy TI/2.

The retrospective inclusion of the caravan would allow for permanent residency of the site without proper permissions in place.

We believe we have a duty to protect the land surrounding the development and would need clarification that conditions to protect the environment have been carried out as mentioned in the conditions raised by the Drainage Engineer in October 2023. We also have compliance concerns with utilities to the site.

We are not sure but would assume that building control will not have been involved in the development as proper permissions were not in place during the build.

We would urge compliance/enforcement/building control to investigate before a decision is made.

Proposed by Cllr Wilson, seconded by Cllr Barnes. All in favour.

- c) [24/00725/HFUL](#) | **Proposal:** Single storey rear and side extensions, front porch extension and rear extension to existing garage. | **Site address:** 8 Dickasons Melbourn Cambridgeshire | (Deadline to comment 25/03/24)

It was RESOLVED to support no comment.

Proposed by Cllr Barnes, seconded by Cllr Alexander. All in favour.

PL119/24 Hopkins Homes

- a) To consider signing Deed of Covenant between Melbourn Parish Council and The Master and Fellows of Peterhouse in the University of Cambridge with regard to the Visibility Splay Area and Future Access Corridor at Land to the north-east side of New Road.

It was RESOLVED to recommend to Full Council to sign the Deed of Covenant as referenced and communicate with residents about the covenant at such time as all land has changed hands.

Proposed by Cllr Clark, seconded by Cllr Alexander. All in favour.

- b) To note confirmation from Hopkins Homes that they have adhered to the restrictions placed on the Visibility Splay Area and Future Access Corridor by Peterhouse.

It was noted.

- c) To consider signing the TP1 in relation to property CB426864 (SGB) – Land to the north-east side of New Road.

It was RESOLVED to recommend to Full Council to sign the TP1 in relation to property CB426864 (SGB).

Proposed by Cllr Clark, seconded by Cllr Wilson. All in favour.

PL120/24 Compliance updates: To consider any compliance updates received since last meeting

- a) To receive any updates and consider actions

It was RESOLVED to support no comment.
Proposed by Cllr Wilson, seconded by Cllr Barnes. All in favour.

PL107/24 Land ownership update on Maple Way

- a) To note parcels of land owned by Melbourn Parish Council and update.

It was noted and confirmed that MPC own the parcels of land as shown on Maple Way.
It was noted that as MPC have been tending to and maintaining the area for an extensive period of time the ownership of the 'layby' area could land with MPC. ACTION: Office to seek legal advice as to if this would be an acceptable route to ascertain ownership of the layby.

- b) To note and consider response to correspondence from The Ely Planning Company with regard to development at the rear of 65 Orchard Road.

It was RESOLVED to respond stating the following:
MPC support the development of land to the rear of 65 Orchard Road in principle. Concerns raised with the suggested entry/exit route you have highlighted include:

- Maple Way has extensive parking and traffic issues and MPC feel any additional turnings would exacerbate the current issues.
- Option to cross the 'layby' would cause parking issues for current residents / users as well as residents of the new homes – MPC foresee access issues to the new site.
- MPC work to a policy of not giving or selling land to developers.
- MPC believe the only suitable option would be to enter/exit the new homes off Orchard Road.

Proposed by Cllr Wilson, seconded by Cllr Clark.
In favour: Cllrs Barnes, Clark, Kilmurray, Wilson
Abstain: Cllr Alexander

PL108/24 Compliance updates: To consider any compliance updates received since last meeting

Good morning,

Following my call this morning with Mr Sargent I was advised by him to write in with my concerns with the what looks like a complete removal of mature trees at the above address.

I have attached some pictures that hopefully show the extent of the removal, I will try and locate some pictures of the 'before'. [REDACTED]

I was contacted around the turn of this year by the occupant of 65 Orchard Rd a [REDACTED] on [REDACTED] plans to apply for planning permission to put three houses on the bottom of [REDACTED] garden.

I advised that [REDACTED] contact SCDC planning to arrange an appointment with planning officers to discuss [REDACTED] plans before spending a lot of money, and be potentially disappointed. It appears on the surface that this has not been done.

I'm not aware of any planning application for the site.

The works carried out so far has caused a dramatic alteration to the street scene in both Maple Way and Orchard Rd.

This email is to record the works with the trees dept and potentially trigger response from planners.

Kind regards

Cllr Jose Hales

Dear Sir/Madam

South Cambridgeshire District Council Application for Planning Permission

Proposal: Demolition of 13,594sq.m of existing buildings, alterations and extensions by 1,127 sq.m to retained buildings to allow use within Class E within Ash House, Class E(b) within Moat House and Class C1 within the new wing rear of Moat House, development of 46,031 sq.m of new office and technology research facilities (Class E(g)(i), (ii) and (iii)) including continued use of DaVinci building and 22,941 sq.m of ancillary buildings for vehicle and cycle parking, together with temporary and permanent plant and infrastructure works including formation of two additional vehicular accesses and one additional vehicular egress from Cambridge Road and landscaping.

Site address: Land At Melbourn Science Park Cambridge Road Melbourn Cambridgeshire

Your client: Bruntwood SciTech Melbourn Limited

In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 14th June 2023 with a previous extension agreed until 12th January 2024. While every endeavour has been made to reach a decision on your application within the statutory time, unfortunately this will not be possible.

The reason(s) why your application has not yet been decided are as follows:

1. The target committee date falls outside the statutory determination date.
2. The Section 106 Agreement requires negotiation and completion following a resolution to grant planning permission by committee.

I am therefore writing to ask you to formally agree to extend the period for deciding your application until **20th March 2024**.

Please indicate your agreement by signing and dating in the box at the foot of this page and emailing it back to me by return. Please retain a copy of this letter for your own records.

Yours faithfully

Dear Clerk [REDACTED],

I am writing on behalf of Cornerstone with regards to the existing telecommunications site located at Royston Veterinary Centre, Flint Cross, Melbourn, Royston SG8 7PN (NGR: 540889, 242868).

VMO2 (trading as O2) have identified a requirement for an upgrade to this existing installation to improve network coverage within the surrounding area.

Please find the attached consultation letter and drawings in regards to the proposed alterations to the existing VMO2 site at Royston Veterinary Centre.

Kind Regards,

Dear Melbourn Ward Representatives,

PROPOSED BASE STATION UPGRADE AT CTIL_110888_25, ROYSTON VETERINARY CENTRE, FLINT CROSS, MELBOURN, ROYSTON SG8 7PN (NGR: 540889, 242868)

Cornerstone is the UK's leading mobile infrastructure services company. We acquire, manage, and own over 20,000 sites and are committed to enabling best in class mobile connectivity for over half of all the country's mobile customers. We oversee works on behalf of telecommunications providers and wherever possible aim to:

- promote shared infrastructure
- maximise opportunities to consolidate the number of base stations
- significantly reduce the environmental impact of network development

Cornerstone have identified this site as suitable for an equipment upgrade for VMO2 (trading as O2).

The purpose of this letter is to consult with you and seek your views on our proposal before proceeding with the works. We understand that you are not always able to provide site specific comments, however, Cornerstone and VMO2 are committed to consultation with communities for mobile telecommunications proposals and as such would encourage you to respond.

As part of VMO2's network improvement program, there is a specific requirement for a radio base station upgrade at this location to improve 3G, 4G and provide new 5G network coverage in the local area.

Mobiles can only work with a network of base stations in place where people want to use their mobile phones or other wireless devices. Without base stations, the mobile phones, and other devices we rely on simply won't work.

In the first instance, all correspondence should be directed to the agent.

 Cornerstone, Hive 2,
1530 Arlington Business Park,
Theale, Berkshire, RG7 4SA

Please find below the details of the proposed site: -

Our technical network requirement is as follows:

- CTIL_110888_25, Royston Veterinary Centre.
- To improve 3G, 4G and provide new 5G network coverage for VMO2 in the local area.

We consider the best solution is as follows:

- Royston Veterinary Centre, Flint Cross, Melbourn, Royston SG8 7PN (NGR: 540889, 242868).
- The proposed description comprises of the removal of the existing 22.5m monopole to be replaced with a new 22.5m monopole supporting 2no. antennas, 2no. 300mm dishes and 1no. 600mm dish, internal cabinet works and ancillary works thereto.
- This option has been chosen as it utilises an existing installation which will improve coverage with minimal changes to the equipment, reducing the visual impact on the surrounding area as far as technically possible.

The Local Planning Authority mast register and the Development Plan have been taken into account and the planning history of the site has been examined.

All Cornerstone installations are designed to be fully compliant with the public exposure guidelines established by the International Commission on Non-Ionizing Radiation Protection (ICNIRP). These guidelines have the support of UK Government, the European Union and they also have the formal backing of the World Health Organisation.

We look forward to receiving any comments you may have on the proposal within 14 days of the date of this letter.

Should you have any queries regarding this matter, please do not hesitate to contact me (quoting cell number CTIL_110888_25)

Dear Parish Councillors,

Re: Letter regarding Parish Council Planning Engagement

I am writing to you because I am aware you have been sent a letter from Cllr [REDACTED], Chair of [REDACTED] Parish Council and former Conservative District Councillor for [REDACTED] ward, who sat on the Planning Committee during his tenure. The letter expresses concerns about the relationship between town and parish councils and the Planning Department and Committee at South Cambridgeshire District Council. I therefore wanted to write to you with some factual information which you may find helpful. Engagement with parish councils as part of the planning process is really important to us.

However, we of course recognise that planning decisions are by their nature often controversial because you, like us, care deeply about where you live. That being said, planning decisions are based on a strict framework of national policies as well as the priority policies of the Council itself – an example of this is the Council's policy of insisting 20% net gain in biodiversity, where no such requirement exist in the national framework. The Planning Committee in its deliberations take these policies into account and make decisions based on balanced material planning grounds.

Within the planning process, we regularly consult with town and parish councils on planning applications that affect their areas. Beyond this routine engagement however, we proactively engage with parishes in several ways:

- Every four months we host a Parish Forum, to which all town and parish councillors are invited. The forum is jointly chaired by Cllr Tumi Hawkins, Lead Cabinet Member for Planning, and Heather Jones, Deputy Director of Greater Cambridge Shared Planning Service, and provides a space for town and parish councillors to ask questions, provide feedback on specific issues and enable discussion on new initiatives. Each of these meetings is recorded and the recording is made publicly available on YouTube, as well as being sent to all Parishes. These meetings are driven by the needs of parish councillors and prior to each meeting a questionnaire is sent out so that the agenda can include the topics you wish to cover.
- In addition, we are currently arranging a session for Parish council clerks, to offer additional training, increase their familiarity with the planning team and give them an opportunity to raise any items with us. This session “Unlocking the Potential of Your Parish: How the Planning Team Can Support You as a Parish Clerk” will be held in the South Cambs Council Chamber on Wednesday 17 April 2024 at 11:30 am. We strongly encourage clerks to sign up if they have not already done so.
- Where there are specific issues or applications which councillors would like to discuss with us, we are happy to organise ad hoc meetings for this purpose and have done so on a number of occasions in the past.
- On request, officers can attend town and parish council meetings to discuss planning applications and other queries more broadly. If this is something your Council would be interested in then please reach out to Toby Williams for Area Team East ([REDACTED]) and Rebecca Smith ([REDACTED]) for Area Team West to arrange this.
- In areas where there are large scale developments, officers also attend Parish Liaison Meetings to aid discussions between town and parish councils,

developers, statutory provides (such as NHS, utilities and water companies) and other relevant representatives of communities.

- Every Monday morning, we email out the details of ongoing planning applications to all town and parish councils alongside the details of training that is on offer to parish councillors. We also supply training to parish councillors on specific topics such as Section 106 agreements and Compliance (formerly Enforcement). To learn more about this training, please contact Beverley Childs ([REDACTED]).
- On a wider sense, we have also provided all parish council clerks with named contacts within each Council department – including a phone number, email address and back-up contacts. This list is provided and updated via our parish e-bulletin, which gets sent out to all parish councils every other month.

It is incredibly important to us that town and parish councils can take a meaningful part in the planning process. Parish councillors, working alongside district councillors, act as ambassadors for their local communities, and by engaging early in the planning process can help officers push to ensure developments bring the maximum benefit for their communities.

The planning process can be a divisive one, but also provides an opportunity to bring communities together in support of a shared vision for their future. As key stakeholders in your communities, we hope this letter has gone some way in reassuring you that we appreciate the importance of your contributions to the planning process and that we welcome further engagement from parish councillors. I – or any other member of my Cabinet, in particular the Lead Member for Planning – would welcome the chance to come along to an upcoming parish council meeting should you find it helpful.

Yours faithfully,

Subject: Proposal for South Cambridgeshire Parish Councils to deliver a vote of no confidence in the SCDC Planning Department and Committee
Date: 24 January 2024 11:27:00
Attachments: [REDACTED]

Dear Councillors

I'm Chair of [REDACTED] Parish Council and I'm writing to you today to establish whether you are confident in the performance of the Planning Department and Planning Committee at South Cambridgeshire District Council.

[REDACTED] Parish Council has been concerned about the performance of the Planning Department for some time - not least because we feel that Parish Council participation in planning decisions that affect our Parish is being eroded. We have no relationship with planning officers and the planning team. We are **concerned that** this may be deliberate and is designed to marginalise Parish Councils and reduce their ability to affect planning decisions.

This strategy was made even clearer to me after I attended the Planning Committee Meeting held on the Wednesday the 17th of January. [REDACTED] Parish Council had unanimously voted to object to a planning application for 5 self-build houses outside of our village framework and I was there to speak against the application.

In the event this application, along with all the other applications before the Planning Committee on January 17th, was approved. That, in itself, shouldn't automatically raise concerns. It's only when you examine the nature of the applications, and decisions reached, that you begins to question the Planning Department's agenda and whether they are working on behalf of residents.

I went to the meeting early to hear presentations and discussions on the other applications before the Committee. Very quickly I became concerned by the poor quality of the discussions. Over the course the morning, and early afternoon, officers and committee members ignored the Council's own development plan policies on sustainability, the need to reduce reliance of private cars, and on development in the countryside outside of village frameworks. They also ignored Gamlingay's Neighbourhood Plan. Specifically:

- A full planning application (23/00123/FUL) for the erection of 256 dwellings on land south of the pond on the Cambourne Business Park was approved despite the fact there will be no vehicle access to West Cambourne from the site. Cambourne Town Council, and Cambourne residents, are more than a little perturbed by this given that, at the time of the West Cambourne application, assurances were given **the the** **ISSUE** of road access would be resolved when the business park site was developed.

- A full planning application (23/03311/FUL) for the demolition of agricultural buildings and erection of five 5 No. dwellings with associated access and landscaping in Little Heath, Gamlingay. This application was approved despite the fact that the application is for 4-bedrooms properties outside the village framework. In approving this application the Committee also ignored Gamlingay's Neighbourhood Plan which focuses on local need and the provision of smaller 1 and 2 bedroom properties (Policies 4.12 and 4.13 **Gamlingay** Neighbourhood plan).

- An outline planning application (23/02752/OUT) for the erection of up to five self-build dwellings off the Old North Road, Bourn. This application is in the the countryside outside the development frameworks of both Bourn and Longstowe. The site is **served by** a twice daily bus service and is close to a dangerous junction.

It was approved solely because it helps the Council to meet self-build quota. (Beware: similar self-build applications will be in front of you soon).

In our opinion, all of the above applications were approved for questionable reasons: they ignore Local Plan policy and were approved in spite of the fact that the council can already demonstrate a 6.1 year housing land supply.

██████████ Parish Council are very concerned that we no longer have an effective role in planning decisions that affect our village. The question is: do you feel the same? We would like to assess the appetite among Parish Councils to challenge the new planning reality where the District Council pretty much do as they please.

I would welcome your comments and suggests on how we might regain our voice - perhaps with collective action such a a vote of no confidence.

Looking forward to hearing from you.

Yours sincerely

Dear Alexandra Coxall & Abigail Williams,

65 Orchard Road - (Development to the rear)

I am writing to introduce myself, I am working on behalf of the owners to 65 Orchard Road Melbourn. The owners are exploring options to redevelop to the rear of their property in the form of a small number of houses, five are being explored at present.

Before we get ahead of ourselves I wanted to reach out to you and ask the parish if they would allow us to come across the grass verge on to Maple Way as indicated on the attached preliminary site plan.

I have been informed through various individuals that the village pub adjacent to the site can at times struggle with parking spaces and that the layby that runs parallel to the site is used as an overspill parking area. It would be worth noting that if this proposal was to go ahead and benefit from a planning consent we can request that a condition is placed that legally gives the house builder an order to upgrade the layby and also extend it further to provide further parking spaces at their cost. These details would be added to our drawings and made clear to the planners.

I am contacting you at this very early stage to see if the above is of interest prior to submitting an application to SCDC planning department.

It is also worth noting that we do have another alternative access into the site that we can explore if needed.

In the first instance if somebody representing the parish could contact me for a chat that would be really helpful. I appreciate your time on this matter.

Kind Regards

REQUIRED ADDITIONAL IMPORTANT INFORMATION

1. Please ensure you give the official road name with the correct spelling for which the Order is required.
2. Access may be allowed to Emergency Services **IF** safe passage permits.
3. Pedestrian / Cyclist and Access to properties must be allowed at **ALL** times, unless otherwise agreed.
4. An order will only be granted where a suitable alternative route or arrangements are available.
5. A clear map showing the extent of the closure and diversion route must be attached to this application.
6. Signs 1050mm by 750mm bearing the words "This Road will be closed "From To" and including the dates of the closure **MUST** be placed at all approaches to the site **at least 14 days** prior to the proposed closure.

Notes for Applications to close Public Rights of Ways (PRoW) / Footpaths

1. CCC strongly encourages early engagement with PRoW Officers prior to any application being submitted to close a Public Right of Way or footpath (PRoW).
2. Initial applications to close a Public Right of Way or footpath can only be granted for a maximum duration of 6 months.
3. If the applicant is aware that the closure is likely to exceed 6 months, they should indicate this on the initial application but will still need to apply for an extension using the following procedure:
4. The applicant needs to apply to Street Works at least **8 WEEKS** before the expiry date of the initial 6-month TTRO with full justification AND any alternatives that have been considered and reasons for not being able to accommodate any alternatives.

5. The applicant should use reasonable endeavours to minimise any extension duration and further extensions may be refused.
6. Applicants will be required to meet on site with our Senior Street Works Inspector and PRow Officer to discuss the reasons for the extension and justification. The site meeting must be held within 2 weeks of the extension request being submitted to Street Works and applications to the Secretary of State (SoS) will not be progressed until the meeting has been held and alternatives explored. The SoS requires a minimum of 4 weeks to consider an extension request. Any applications that do not comply with item 4. may be automatically refused.
7. All applicants should be prepared to accommodate any reasonable alternatives suggested by the Senior Street Works Inspector and PRow Officer and will be asked to justify in writing any refusal to accommodate reasonable and achievable alternatives. Additional cost to the works promoter will not be considered justification.
8. Applicants should not assume the full duration of the extension request will be granted and a reduced period may be agreed at the site meeting.
9. Applicants should not assume that extensions will be granted by CCC even if the Secretary of State (SoS) approves an extension.
10. The PRow should be reopened as soon as reasonably practicable and in a condition that is safe for all users of the PRow. In any case, it should be reopened in a safe condition, no later than the expiry date of the extension, if granted.
11. Failure to reopen a PRow on or before the expiry date of the TTRO / extension may result in CCC initiating appropriate enforcement action.

Greater Cambridge Shared Planning

Applications going to planning committee on 13/03/2024

Notification

The following planning applications will be considered by the South Cambridgeshire District Council Planning Committee on **13 March 2024**:

Parish	Category	Reference	Address	Proposal	Case Officer
Melbourn CP	Major	23/01134/FUL	Land At Melbourn Science Park Cambridge Road Melbourn Cambridgeshire	Demolition of 13,594sq.m of existing buildings, alterations and extensions by 1,127 sq.m to retained buildings to allow use within Class E within Ash House, Class E(b) within Moat House and Class C1 within the new wing rear of Moat House, development of 46,031 sq.m of new office and technology research facilities (Class E(g)(i), (ii) and (iii)) including continued use of DaVinci building and 22,941 sq.m of ancillary buildings for vehicle and cycle parking, together with temporary and permanent plant and infrastructure works including formation of two additional vehicular accesses and one additional vehicular egress from Cambridge Road and landscaping.	Michael Hammond

Time and venue

The meeting begins at 10.00am and is held in The Council Chamber at South Cambridgeshire Hall, Cambourne.

Participation

As Parish Council, you are entitled to speak and/or present your views at the meeting.

If your Parish Council represents the area in which the application has been made, it is entitled to one 3-minute slot, during which a representative (a Councillor or an agent such as the Clerk) can address the Committee. If your Council would like someone to speak at the meeting, **you must register by no later than 4:00pm two clear working days before the meeting.**

Following the end of temporary legislation allowing for council meetings to be conducted entirely virtually, it is now possible for public speakers to attend a meeting and speak in person. However, because we still need to follow government advice on indoor gatherings and social distancing, the seating available for members of the public will be severely restricted. We therefore would urge you to observe proceedings or participate remotely if possible. If you feel you really need to be present in person, please contact Democratic Services and request a place. Seats might only become available when other people leave the meeting.

If your Parish Council does not represent the area in which the application has been made, but feels that there is a significant impact, it may be invited to address the Committee subject to the discretion of the Committee Chairman.

Please be aware that the meeting will be livestreamed and recorded.

Public representations may be made either by a request to speak or by submitting a written representation. Copies of such representations submitted by the deadline will be circulated to committee members and published on the Council's website. For the avoidance of doubt, it is not permissible to make written representations and to also register to speak at the meeting.

If you intend to refer to visual material please submit electronic copies no later than 4:00pm two clear working days before the meeting. Please be aware that any visual material will need to be verified in advance by the Council to ensure it is suitable and has already been in the public domain as part of the online planning file.

The virtual meeting will be held over Microsoft's 'Teams' platform which normally allows screen sharing. Please note however, that speakers will not be allowed to do this during their presentations. An officer of the Council will display the material on the screen during the presentations and will advance slides etc. on request.

You can register to speak and receive instructions on how to join the meeting by telephoning Democratic Services on [03450 450 500](tel:03450450500) or by emailing democratic.services@scambs.gov.uk. Please also submit any statements, written representations and visual material to this email address by the deadline above.

The meeting will be livestreamed so you will be able to view the proceedings even if you do not wish to speak. A link to the live stream event will be available on the Council's website.

Please note

1. The meeting will follow the agenda as published. For further information on the Planning Committee and public speaking rights go to our website www.scambs.gov.uk
2. Speakers need not confine themselves solely to points raised in any previous written representations submitted on the application but must keep to the planning issues raised by the application.

In helping you decide whether you wish to, or indeed need to speak at the meeting you can view Planning Committee reports on our website: www.scambs.gov.uk. Please note the reports are available 5 working days prior to the date of the meeting.

Valid applications including plans, supporting documents and consultation comments are available to view online at <https://www.scambs.gov.uk/planning/view-or-comment-on-a-planning-application/>

Why you have received this letter

I am writing to you in relation to the above application for planning permission, which will be considered by the South Cambridgeshire District Council Planning Committee on 13th March 2024.

The Planning Committee meeting will begin at 10.00am with Members of the Committee attending the meeting in the Council Chamber at South Cambridgeshire Hall, Cambourne, and public speakers for individual items attending either in the Council Chamber or online. Online attendance is strongly encouraged for the reasons given below.

As you have made a written representation relating to the planning application, the Council has a policy which enables you to speak and/or present your views at the meeting.

To be eligible to speak at the meeting you must have registered with the Democratic Services Officer by no later than **4.00pm two working days before the meeting**.

Following the end of temporary legislation allowing for council meetings to be conducted entirely virtually, it is now possible for public speakers to attend a meeting and speak in person. However, because we still need to follow government advice on indoor gatherings and social distancing, the seating available for members of the public will be severely restricted. We therefore would urge

you to observe proceedings or participate remotely if possible. If you feel you really need to be present in person, please contact Democratic Services and request a place. Seats might only become available when other people leave the meeting.

If you are content to address the meeting virtually, please supply your email address and/or telephone number so that we can contact you to make the arrangements for your participation, provide you with a link to join the meeting and send you further details on the procedure. Speakers are encouraged to provide a copy of their statement to the Democratic Services Officer by 4.00pm on the day before the meeting in case their connection to the meeting fails. This will enable the statement to be read out to the Committee if the speaker is unable to join.

Please be aware that the meeting will be livestreamed and recorded.

Public representations may be made either by a request to speak or by submitting a written representation. Copies of such representations submitted by the deadline will be circulated to committee members, relevant Council officers, and interested parties such as the applicant or an objector who has registered to speak, and published on the Council's website as part of the application file. For the avoidance of doubt, it is not permissible to make written representations and to also register to speak at the meeting.

If you do not have access to a computer or an internet connection, please contact Democratic Services using the details supplied below and we will advise on how you can participate.

If you intend to refer to visual material please submit electronic copies no later than 4pm two clear working days before the meeting. Please be aware that any visual material will need to be verified in advance by the Council to ensure it is suitable and has already been in the public domain as part of the online planning file.

The virtual meeting will be held over Microsoft's 'Teams' platform which normally allows screen sharing. Please note however, that speakers will not be allowed to do this during their presentations. An officer of the Council will display the material on the screen during the presentations and will advance slides etc. on request.

You can register to speak and receive instructions on how to join the meeting by telephoning Democratic Services on 01954 713000 or by emailing democratic.services@scambs.gov.uk. Please also submit any statements, written representations and visual material to this email address by the deadline above.

The meeting will be livestreamed so you will be able to view the proceedings even if you do not wish to speak. The livestream will be hosted on the Council's YouTube page and a link to the live stream event will be available on the Council's website.

Please note:

- 1 The meeting will follow the agenda as published. For further information on the Planning Committee and public speaking rights go to our website www.scambs.gov.uk
- 2 A person can only **speak once** on an application.
- 3 For each application there will normally be a time limit of up to 6 minutes for public speaking – **3 minutes for those speaking in objection** and **3 minutes for those speaking in support** (with the Chair having discretion to vary this time limit).

- 4 The number of persons permitted to speak on each application will normally be limited to **one from each side** (i.e. either in objection/or in support of an application). Where several people wish to speak on an application, the Chair will normally ask for one person to act as spokesperson for the group. Only where the group have different points of view, is the Chair likely to agree to more speakers. **In the event of more than one speaker from each side, the Chair may decide to divide the allocated time.** All such arrangements need to be agreed in advance of the meeting.
- 5 Anyone can speak on a planning application, provided they have made written representations on the application and have registered the intention with the Democratic Services Officer by **4.00pm two clear working days before the meeting.**
- 6 Speakers need not confine themselves solely to points raised in any previous written representations submitted on the application but must keep to the planning issues raised by the application.
- 7 Applicants or their representatives may only speak on a planning application, provided they have registered the intention with the Committee Clerk (Democratic Services) by **4:00pm two clear working days before the meeting.**
- 8 The procedure shall be applied fairly by the Chair who has sole discretion on the interpretation of the procedure.

In helping you decide whether you wish to, or indeed need to speak at the meeting you can view Planning Committee reports on our website: www.scambs.gov.uk. Please note the reports are available 5 working days prior to the date of the meeting.

Valid applications including plans, supporting documents and consultation comments are available to view online at <https://www.scambs.gov.uk/planning/view-or-comment-on-a-planning-application/>

Further information regarding Public Speaking at meetings of the Planning Committee is available using the following link. For anyone without internet access a hard copy of the document can be provided on request.

Democratic Services

23/01134/FUL

I am Cllr. John Travis and I speak for Melbourn Parish Council.

The Melbourn Parish Council Planning Committee considered this Application at a meeting held on the 11 April 2023 and resolved to support it.

The council fully understands that the science park requires re-developing and welcomes this in principle. The new park will create job opportunities, attract people and investment to the village, use sustainable energy and encourage sustainable transport. It will also make the park more accessible to the public and enhance green open spaces.

However, we understand it is the first time the applicant has proposed carrying out this class of project in a village setting rather than an urban setting.

The decision to support therefore comes with three serious reservations.

Firstly, the Townscape and Visual Impact Assessment. The height and scale of the buildings will have significant impact on the street scene. Building characteristics lack harmony with a rural village setting. Compared to the present park the plans show much larger buildings near the road. Neighbouring properties will be overlooked and may be affected by a loss of natural light during the day and suffer from light pollution at night.

Secondly, the construction phase. It is understood that construction work on the site could take up to 8 years. There is naturally concern about the impact of this work on neighbouring residents and the wider village. Noise, vibrations, and debris from the works near residential properties will have an impact on the wellbeing of residents. This view is shared by the Health Impact Assessment officer at SCDC.

The council also questions whether the health assessment carried out by Savills consulted a medical professional. The SCDC's Health Impact Assessment Officer may have highlighted missing information in the report.

Lastly, the future impact of traffic on the village is of concern. According to the Transport Assessment Report, there will be 978 car parking spaces on the site. This implies that around 1,000 vehicles will be on the site at any one time. During the construction work there will be increased traffic travelling through the village and yet more when the park is fully operational.

The Parish Council requests that, assuming planning consent is given, the correct conditions are put in place to mitigate the impact of all types of traffic on the village.

Thank you for this opportunity. I welcome any questions from the committee.

DATED

2023

MELBOURN PARISH COUNCIL

(1)

**THE MASTER (OR KEEPER) AND FELLOWS OF
PETERHOUSE IN THE UNIVERSITY OF CAMBRIDGE**

(2)

DEED OF COVENANT

Relating to

Land on the north-east side of New Road, Melbourn, Royston

PARTIES

1. **THE MASTER (OR KEEPER) AND FELLOWS OF PETERHOUSE IN THE UNIVERSITY OF CAMBRIDGE** of The Bursary, Peterhouse, Trumpington Street, Cambridge CB2 1RD (the "**Covenantee**"); and
2. **MELBOURN PARISH COUNCIL** of Melbourn Community Hub, 30 High Street, Melbourn, Cambridgeshire, SG8 6DZ (the "**Buyer**")

RECITALS

- (A) This deed is supplemental to a Contract dated 14th July 2017 as made between (1) the Covenantee, (2) Hopkins Homes Limited and (3) Endurance Estates Strategic Land Limited ("Contract") in respect of Land on the east side of New Road, Melbourn, Royston now registered at HM Land Registry with title number CB426864 ("Property").
- (B) The Contract contains obligations in respect of the Visibility Splay Area and Future Access Corridor which have been replicated in this deed.
- (C) The Visibility Splay Area is the land tinted green and edged and cross hatched in red on the attached Plan 2.
- (D) The Future Access Corridor is the 15m wide strip of land shown coloured green and edged and hatched red on the attached Plan 2.
- (E) The Buyer has by a transfer dated with the same date as this deed acquired part of the Property as is identified on the attached Plan 1 ("**Acquired Property**") and has agreed to be bound by the covenants.

NOW THIS DEED WITNESSES:

As required pursuant to the Contract, the Buyer covenants with the Covenantee to:

1. to keep the Visibility Splay Area and the Future Access Corridor properly cultivated and maintained and clear from vegetation other than normal planting or as required by any planning permission and/or reserved matters approval in relation to which the landscape strategy shall provide for proper cultivation and maintenance and for the Visibility Splay Area and Future Access Corridor being kept clear of anything other than normal planting.
2. at the request of the Covenantee to enter into any agreements reasonably necessary to facilitate the grant of planning permission to enable development on the land comprised in Title Number CB357853 or the land to the north east of the Property, which may for the avoidance of doubt require the Visibility Splay Area to serve as a visibility splay for such development or any other reasonable use subject to the

Covenantee paying the Buyer's reasonable and proper legal fees relating thereto and any such agreements shall contain indemnity covenants in a form reasonably approved by the Buyer's Conveyancer.

3. to enter into such deeds of grant for rights of access and the running and passage of services through the roads and service media as may reasonably be required to serve development on the land comprised in Title Number CB357853 via the Future Access Corridor and/or to the land to the north east of the Property subject to the Covenantee paying the Buyer's reasonable and proper legal fees relating thereto and any such agreements shall contain indemnity covenants in a form reasonably approved by the Buyer's Conveyancer.

The Buyer further covenants to enter a restriction on the Acquired Property in the following form:

"No disposition of the registered estate by the proprietor of the registered estate or the proprietor of any registered charge not being a charge registered before the entry of this restriction is to be registered without a certificate signed by a conveyancer that the provisions of the Deed of Covenant dated 2023 and made between (1) THE MASTER (OR KEEPER) AND FELLOWS OF PETERHOUSE IN THE UNIVERSITY OF CAMBRIDGE and (2) MELBOURN PARISH COUNCIL have been complied with or do not apply to the disposition."

This deed is executed and delivered as a deed and is not delivered until it is dated.

Dear Abi,

I understand from the developer's solicitor that the Parish Council and developer have been in direct discussions regarding this matter. The solicitor has advised:

"My client has confirmed that the approved landscaping plans gave due consideration to setting out the Strategic Green Buffer so as to retain the future access corridor. All of the landscaping (please see the attached pictures), was set out and placed to avoid the future access corridor. The majority of the SGB including the access corridor is planted as wildflower that is cut down in the autumn, leaving a mown finish. The SGB area is left to grow up and flowers in the summer. The access corridor strip could be mown or cut back at any time of the year, there are no trees, shrubs, or mounds within this future access corridor".

Please let me know if you have any further concerns and if you would still like a call please let me know your availability (I am out of the office for the week of 26 February – 1 March).

Kind regards

Land Registry

Transfer of part of registered title(s)

TP1

If you need more room than is provided for in a panel, and your software allows, you can expand any panel in the form. Alternatively use continuation sheet CS and attach it to this form.

Leave blank if not yet registered.

When application for registration is made these title number(s) should be entered in panel 2 of Form AP1.

Insert address, including postcode (if any), or other description of the property transferred. Any physical exclusions, such as mines and minerals, should be defined.

Place 'X' in the appropriate box and complete the statement.

For example 'edged red'.

For example 'edged and numbered 1 in blue'.

Any plan lodged must be signed by the transferor.

Give full name(s) of **all** of the persons transferring the property.

Complete as appropriate where the transferor is a company.

Give full name(s) of **all** the persons to be shown as registered proprietors.

Complete as appropriate where the transferee is a company. Also, for an overseas company, unless an arrangement with Land Registry exists, lodge either a certificate in Form 7 in Schedule 3 to the Land Registration Rules 2003 or a certified copy of the constitution in English or Welsh, or other evidence permitted by rule 183 of the Land Registration Rules 2003.

1	Title number(s) out of which the property is transferred: CB426864
2	Other title number(s) against which matters contained in this transfer are to be registered or noted, if any:

Each transferee may give up to three addresses for service, one of which must be a postal address whether or not in the UK (including the postcode, if any). The others can be any combination of a postal address, a UK DX box number or an electronic address.

Place 'X' in the appropriate box. State the currency unit if other than sterling. If none of the boxes apply, insert an appropriate memorandum in panel 12.

Place 'X' in any box that applies.

Add any modifications.

Where the transferee is more than one person, place 'X' in the appropriate box.

Complete as necessary.

The registrar will enter a Form A restriction in the register *unless*:

- an 'X' is placed:
 - in the first box, or
 - in the third box and the details of the trust or of the trust instrument show that the transferees are to hold the property on trust for themselves alone as joint tenants, or
- it is clear from completion of a form JO lodged with this application that the transferees are to hold the property on trust for themselves alone as joint tenants.

Please refer to [Joint property ownership](#) and [practice guide 24: private trusts of land](#) for further guidance. These are both available on the GOV.UK website.

Use this panel for:

- definitions of terms not defined above
- rights granted or reserved
- restrictive covenants
- other covenants
- agreements and declarations
- any required or permitted statements
- other agreed provisions.

The prescribed subheadings may be added to, amended, repositioned or omitted.

Any other land affected by rights granted or reserved or by restrictive covenants should be defined by reference to a plan.

- (a) of retaining in place any building on the Estate now or within the perpetuity period constructed by the Transferor which protrude into the Property;
- (b) of support and protection of the Estate by the Property;
- (c) of entry upon the Property at all reasonable times upon giving reasonable notice (and at any time in an emergency) for the purposes of laying, connect into, inspecting, maintaining, repairing, and renewing buildings comprised in the Estate, the Service Installations and the Estate Sewers subject to making good any damage caused to the Property to the reasonable satisfaction of the Transferee;
- (d) to construct any buildings on the Estate to the boundaries of the Property (including the right to erect temporary scaffolding such that the eaves gutters downspouts foundations or other similar protrusions may protrude into the Property);
- (e) of entry upon the Property for the exercise of the above rights; and
- (f) to connect into and use the Estate Sewers (until they become maintainable at the public expense) and the Service Installations at the Property which serve the Estate, and which are in existence at the date of this transfer or are installed or constructed after the date of the transfer.

Any other land affected should be defined by reference to a plan and the title numbers referred to in panel 2.

12.5 **Rights granted for the benefit of the Property**

The rights for the Transferee and all persons authorised by the Transferee (in common with all other persons having a similar right):

- (a) to pass and repass with or without vehicles (but in the case of any footpath on foot only) at all times for all reasonable purposes connected with the use and occupation of the Property over and along any roadways and any footpaths which are now or may hereafter be constructed giving access to the Estate until they become maintainable at the public expense;
- (b) to subjacent and lateral support shelter and protection from the elements for the Property from the adjoining parts of the Estate; and
- (c) all such other rights, liberties, easements and quasi-easements as are necessary for the better use, occupation and development of the Property provided that such rights, liberties and easements shall where

applicable be in such position as shall be approved by the Transferor (such approval not to be unreasonably withheld or delayed) and shall not (subject to the proviso as aforesaid) interfere with the development of the land over which they are granted;

PROVIDED ALWAYS that none of the rights hereinbefore granted shall apply to or be exercised over any land comprising an electricity sub-station or similar installation.

Include words of covenant.

12.6 Restrictive covenants by the Transferee

1. With the object of affording the Transferor a full and sufficient indemnity but not further or otherwise the Transferee hereby covenants with the Transferor that it will at all times hereafter observe and perform such of the restrictive covenants (if any) referred to in the Charges Register of the said Title as relate to the Property hereby transferred and will keep the Transferor fully indemnified in respect of any future breach thereof.

2. The Transferee hereby covenants with the Transferor to the intent that this covenant shall benefit the remainder of the Estate now or formerly comprised in the above title and each and every part thereof to the intent so as to bind the Property into whosoever hands the same may come:-

(a) at its own expense to maintain the Property as open space in accordance with the powers granted to the Transferee by the Open Spaces Act 1906 to which this Transfer is inter alia made pursuant for the recreation and enjoyment of the public at large

(b) not to construct or erect or allow or suffer to be constructed or erected any building, road or other structure on the remainder of the Property, save for recreative structures that may be replaced from time to time

(c) not to use the Property other than as open space in accordance with the powers granted to the Transferee by the aforementioned Acts to which the Transfer is made pursuant

(d) not at any time to erect any building or part thereof or any structure whatsoever over the Sewer Easement.

Include words of covenant.

12.7 Restrictive covenants by the Transferor

NONE

Insert here any required or permitted statements, certificates or applications and any agreed declarations and so on.

12.8 Positive Covenant by the Transferee

The Transferee will upon request from the Transferor without delay grant to any statutory undertaker, or any service authority, rights to lay any Service Installations or the Estate Sewers in over or under the Property, such Service Installations or Estate Sewers being for the purpose of serving the Property and the Estate and to enter into any deeds required by any statutory undertaker or service authority including agreements under Section 38 of the Highways Act 1980 and Section 104 of the Water Industries Act 1991.

12.9 **Positive Covenants by the Transferor**

The Transferor covenants with the Transferee that it will on the date hereof pay to the Transferee the sum of Fifty Thousand Pounds (£50,000.00) in respect of the future maintenance of the grassed areas, paved areas, play areas, trees, hedges, shrubs and knee rail fencing on the Property and the Transferee acknowledges that upon payment of this sum the obligations under the Planning Obligation so far as they relate to or affect the provision and dedication of the Property as public open space have been complied with.

The transferor must execute this transfer as a deed using the space opposite. If there is more than one transferor, all must execute. Forms of execution are given in Schedule 9 to the Land Registration Rules 2003. If the transfer contains transferee's covenants or declarations or contains an application by the transferee (such as for a restriction), it must also be executed by the transferee.

If there is more than one transferee and panel 11 has been completed, each transferee must also execute this transfer to comply with the requirements in section 53(1)(b) of the Law of Property Act 1925 relating to the declaration of a trust of land. Please refer to [Joint property ownership](#) and [practice guide 24: private trusts of land](#) for further guidance.
