Dear Abby

As we discussed, I'm quoting to verti drain & feed the rec to try & encourage growth. Especially where the fair has worn areas out. Sorry it should have been in a couple weeks ago but with covid I completely forgot.

Verti Drain £400.00 x Vat

Feed with a summer fertilizer £490.00 x Vat

Total 890.00 x Vat

Should you have any questions please do not hesitate to contact me

Kind Regards

Justin Willmott
