Flag Status: Flagged

CAPALC Conference

Friday, 20 September '24 9am – 4:30pm

**Wyboston Lakes - The Willows Training Centre, 131
Great North Road, Wyboston, Bedford, MK44 3AH**

We are delighted to return to the Wyboston Lakes Resort, Great North Road, Wyboston (close to St Neots) MK44 3AL in The Willows Training Centre for 2024.

Cost to attend is **£75 per delegate** from all confirmed member councils and £150 per delegate from non member councils.

In addition to hearing and learning from our speakers representing the sector, the price includes ***unlimited teas, coffees, biscuits, fruit, water cooler, delegate stationery and a two course hot/cold restaurant lunch with vegetarian options, free Wi-Fi and free parking.*** There is a small lift for access to the first floor conference room.

SPEAKERS OVERVIEW & INFORMATION

Our provisional list of speakers are:

Keynote Nick Dean, Chief Constable for Cambridgeshire

National Association of Local Councils (NALC)

Jonathan Owen, CEO – reporting on updates from the sector
Jane Moore, Senior Solicitor – reporting on legal updates relevant to the sector plus a Q & A

Cambridgeshire County Council

Frank Jordan, Executive Director of Place and Sustainability

WorkNest

Christian Vincent - Advice on the recruiting process for town and parish councils

Armed Forces Covenant

Tom Kelly, Armed Forces Covenant Partnership Coordinator - Cambridgeshire and Peterborough Community Service - Strategy and Partnerships

CCLA

Jamie Charters - Investment opportunities for local authorities

The Great Collaboration - East Anglia pilot of network for local community leaders

Chris Pointon, Programme Lead, Cambridgeshire Climate Emergency

The Great Collaboration is a network of volunteer community climate leaders around the county. This includes town and parish councillors alongside community members, charities and district and county councillors. The network have a mailing list and monthly calls to offer advice, share good ideas and support one another.

The Great Collaboration - <https://greatcollaboration.uk> - and is chaired by the SLCC's climate advisor [Andrew Maliphant](#). The current version has been running in Herefordshire for two years, and now the plan is to significantly enhance it and roll it out nationwide.
