This is a brief survey being conducted across all districts to find out the level of interest in the upcoming round of the Local Highways Improvement scheme. If you could return this to ourselves at our earliest convenience that would be greatly appreciated.

Will you be intending to submit an LHI application for the upcoming 2025/26 round? \*

No

If you have answered "No" to the previous question, please could you provide a reason as to why you have selected this option.

We already have a funded project we are waiting to be completed first.

We don't have any issues we feel could be solved with an LHI bid.

We don't have enough funding available to contribute towards the LHI project we would like.

We don't understand the current LHI process, or would like more information on it before deciding to apply.
