Hi Abi,

I hope that all is well with you. I am excited to let you know that we are again looking to increase the number of young people in the village that can access scouting!! This time we are planning to open a new Squirrel section ([Squirrel Scouts | Scouts](#)) which caters for young people aged 4 to 6 years old which is a demographic we have not been able to help before now.

We are looking to start running sessions from Friday, 12th or Tuesday, 16th September at 1700-1800 and would dearly love to be able to use the pavilion if available, with Friday evenings being much the preferred day if possible.

I am very happy to discuss what we are planning to do if that

Best wishes,

Gareth.
