

**Issue:** Doors to the exterior of Little Hands building need replacing.

Monies held in asset reserve to complete works.

On inspection by suppliers it was advised that the doors be replaced with aluminium doors and not the PVCu as originally requested.

**Quote comparison**

Supplier	Details	Total costs
Trulight	PVCu (not advised)	£ 3,055.00
	Aluminium (advised)	<b>£ 4,820.00</b>
Argon Windows and Doors	PVCu	£ 2,320.00
	Aluminium – not provided	£
MG Exterior Home Improvements	PVCu	£ 2,600.00
	Aluminium	<b>£ 4,500.00</b>
BH Doors Service & Repairs	PVCu – not provided	£
	Aluminium	<b>£ 9,569.89</b>

It is proposed that we proceed with the recommendation to install aluminium doors – Cllrs to consider comparative quotes as provided.

Dear Alex,

09/04/2025

**Ref: Melbourn Community Hub Replacement Doors.**

We thank you for your enquiry in respect of the above mentioned project and in accordance with your requirements and preliminary outline drawings respectively; we now have pleasure in submitting our quotation together with the relevant specification.

All details and costs quoted are based on the specification or information provided at the time of the enquiry. If BH Doors & Engineering find that the specification or information provided has changed or is incorrect, we would reserve the right to revise our quote accordingly.

The validity of our quotation is for 30 days from the above date.

We trust that our proposal is of interest, however should you require any additional information or wish to discuss any details, please do not hesitate to contact the undersigned.

Yours Sincerely,  
Gary Thompson

- As you may well be aware there is increased volatility in material pricing at the moment and prices can change at little or no notice. We therefore reserve the right to amend our material pricing should the need arise

### **EXCLUSIONS**

- Manifestations
- Access control
- Making Good by Others
- Connection to Fire alarm if required by others

### **INSTALLATION**

- Our quotation is based on site works being undertaken in normal working hours –
- Normal Hours of Business Monday to Friday 8:30am - 5:00pm during one continuous site visit.
- All attendances/services are to be supplied free of charge to BH Doors & Engineering.
- Quotation assumes easy parking & access for delivery of BH Doors & Engineering materials.
- Perimeter pointing to standard coloured silicon, ie, Clear, White, Grey, Brown, Black, Please Note RAL colour match will constitute an extra & we need to know at order stage if this is required.

### **BUILDERS WORK REQUIREMENTS AND ATTENDANCES (by others)**

- 1no. 240V 13A switched spur to door location at operator height. We would be pleased to advise exact positioning if required.
- Prior to the installation date the prepared structural opening etc. will need to be in place and completed, and the opening must be true and plumb with finished floor level to allow commissioning of door leaves.
- We have not included for any making good in conjunction with our works, this we would reasonably expect to be covered in the work content of those trades under the general contractor.
- We have included for placing all rubbish in conjunction with our works on to an BH Doors & Engineering vehicle, removed from site and disposed of in a safe & environmentally friendly manner.
- Power and lighting, dry secure storage area, suitable access equipment, Local Authority approval and health, welfare & safety facilities to CDM regulations 1994. All hoarding and necessary security arrangements until works completed.
- If any of the above items have not been completed BH Doors & Engineering Ltd reserves the right to charge standing time by the hour.
- If standing time occurs and extends the installation beyond the given time, a return visit will need to be undertaken to complete the installation on a separate date at an additional cost.

*We Provide Service Contracts, Maintenance and Repairs to Automatic Doors, Fire Escapes and  
Acoustic Movable Walls*

### **B H Doors & Engineering Ltd**

Tel: 0808 120 0911 Email: [info@bhdoors.co.uk](mailto:info@bhdoors.co.uk) Web: [www.bhdoors.co.uk](http://www.bhdoors.co.uk)

Head Office: Studio A, Enterprise House Wrest Park, Silsoe MK45 4HR  
Registered in England No. 7011458 VAT Registration No. 977 7550 58

**IMPORTANT NOTES:**

It is your responsibility before accepting our proposal to confirm with the relevant local authorities (Building and fire) that the proposed installation is acceptable, for example, means of escape and disabled access and whether planning permission is required.

In the event of there being a significant reduction in order value, or if design and sizes alter to those quoted for, we reserve the right to amend our quotation accordingly.

No allowance has been made for the application of manifestation to glazing, as laid down in Reg 14 W (HSW) Regulation 1992. We assume this will be undertaken by a specialist contractor in the absence of any detailed specification. (Additional costs are available on request).

**Product Delivery:**

Current delivery is approximately 6 weeks from receipt of approved details and an official purchase order. *(This time period may be improved upon, all dependant on current production & labour circumstances)*

**Payment:**

Subject to receipt of satisfactory bank and trade references and settlement of our account is required no later than the end of the month following the month of invoice.

**Note:** It's our company policy for new customers to pay a pro-forma invoice.

**Company Terms and Conditions:**

A copy of our "Terms and Conditions of Sale" can be supplied upon request and will apply throughout the contract, without exclusion.

Please note that under BH Doors & Engineering terms & conditions we do not except retention. Liquidated and Ascertained damages will be limited to a maximum 10% of the sub-contractor value, calculated at 1% per week. BH Doors & Engineering will only agree to the deduction of liquidated damages where the client has deducted them from the Contractor and BH Doors & Engineering have caused a delay. We have made no allowance in our price for the provision of; Main Contractors Discount, Third Party Warranty or a Performance Bond, if any of these items are required, then BH Doors & Engineering must be notified prior to any orders being placed and requests must be in writing. In addition BH Doors & Engineering Public Liability insurance indemnity is limited to £5m, and Employers Liability indemnity to £10m, Professional Indemnity insurance is limited to £1m.

Dear Alex,

Further to your enquiry, I would like to thank you for your time spent advising me of your requirements so far.

Argon Windows & Doors consists of professionals that have been in the home improvements industry for many years delivering expert advice, quality Windows & Doors, professional fitting and highly acclaimed FENSA accreditation along with an Insurance Backed Guarantee.

As a certified installer of IWG (Insured Windows Guarantees Ltd) YOU automatically receive Deposit Indemnity Protection and a 10 Year Insurance Backed Guarantee which underwrites the guarantee offered by our company giving all our customers peace of mind when placing an order with us.

It's crucial that your new Windows & Doors are installed in accordance with the 'Code of Practice for the Installation of Windows & Door-sets - BS 8213-4:2007 as this standard ensures building regulation compliance and good practice.

The main source of our business is derived from word of mouth recommendations and from existing customers who return for additional products and services which can be found on our website: [www.argonwindows.co.uk](http://www.argonwindows.co.uk)

**Our service includes the following as standard:**

- ▶ FREE Expert Advice
- ▶ Comprehensive Site Survey
- ▶ Manufacture
- ▶ Professional Installation
- ▶ Making Good
- ▶ FENSA Certification

**Quotation**

*Please see attached...*

**Price Promise**

***We're so confident in the quality of our products, level of service and guarantees we offer that if you find a cheaper 'Like for Like' quote elsewhere we'll match it!***

Thank you again for your valued enquiry and I look forward to hearing from you in due course.

Kind Regards.

Dan Martin  
Director

Very friendly and efficient service from George and his team. So much a better service (including price) than dealing with the big national window installer chains. Highly recommended!
