Apologies for the delay, due to waiting for additional quotes for this work to come in, this is only just being presented to council.

Due to the delay, I wondered if you could let me know if this quote is still a true reflection of the value of the work? If not, please could you let me know your revised quote?

So we can ensure that the quotes are like for like, could you confirm that your quote includes the following:

- works to the perimeter path at the allotments
- to clear round to the right hand side rear path & along the right hand side boundary coming back to the road
- cut back the hedges hard, lift any low branches on trees to a good height, remove any selfset trees & cut down all ground foliage.

Many thanks

Best wishes
