MHCLG announcement on local elections in LGR areas

### Message from Justin Griggs, NALC

Yesterday afternoon, the Ministry of Housing, Communities and Local Government (MHCLG) made an announcement on local elections, inviting those principal authorities with elections in May 2026 where proposals for reorganisation have been submitted and decisions not yet taken, to set out their views on the postponement of local elections.

The attached the letter has gone out to those 64 councils and clarifies that 'for areas where there are also scheduled town or parish council elections, the Secretary of State is minded to make no provision in the Order so these elections continue as scheduled, given town and parish councils are outside of local government reorganisation'.

Officials have been in touch with us to highlight the letter and at this stage I have raised a number of initial issues, principally that election costs would be borne in full, rather than part, by those parish and town councils where an election takes place, the impact on turnout in those parish and town council elections, and the

lack of requirement in the letter for principal councils to engage with parish and town councils in their area.

In response they stressed that the purpose of the letter is to invite representations and are open to hearing from parish and town councils, county associations and NALC about the proposals, views on what should be done and any issues that need to be taken into account by the government in reaching a decision.

Councils which have elections in 2026 (which we understand to be Cambridge City Council, Huntingdonshire District Council, Peterborough City Council and South Cambridgeshire District Council):

We encourage parish and town councils to read the attached letter, and

- To contact your principal authority if you haven't already
- To respond to the invitation and send views to MHCLG at [LGRElections@communities.gov.uk](mailto:LGRElections@communities.gov.uk),
- We advise councils to consider election costs as part of their current budget setting for 2026/207
- To tell us your views on whether elections should go ahead in 2026 or take place at the same time as deferred principal authority elections in 2027

To: Leaders of councils with elections  
in May 2026 where proposals for  
reorganisation have been submitted  
and decisions not yet taken

18 December 2025

Dear Leader,

I am writing to you regarding the elections your council is scheduled to hold on 7 May 2026.

This Government is determined to streamline local government by replacing the current two-tier system with new single-tier unitary councils, ending the wasteful two-tier premium. We are progressing this landmark reform quickly, which will be vital in delivering our vision: stronger local councils equipped to drive economic growth, improve local public services, and empower their communities. I am fully committed to ensuring councils can deliver new, sustainable structures within this Parliament.

We have now received proposals from all 20 remaining invitation areas, demonstrating strong collaboration between local partners. A consultation is open on 17 of those proposals from six invitation areas. I expect to launch a consultation in early February on proposals from the remaining 14 areas that seek to meet the terms of the 5 February statutory invitation. That consultation would be for seven weeks.

I remain committed to the indicative timetable that was published in July, that sees elections to new councils in May 2027 and those councils going live in April 2028. This is a complex process, and we will take decisions based on the evidence provided.

We have listened to councils telling us about the constraints they are operating within, and the work that reorganisation introduces on top of existing challenges. Now that we have received all proposals, it is only right that we listen to councils who are expressing concerns about their capacity to deliver a smooth and safe transition to new councils, alongside running resource-intensive elections to councils who may be shortly abolished. We have also received representations from councils concerned about the cost to taxpayers of holding elections to councils that are proposed to shortly be abolished.

Previous governments have postponed local elections in areas contemplating and undergoing local government reorganisation to allow councils to focus their time and energy on the process. We have now received requests from multiple councils to postpone their local elections in May 2026.

The Secretary of State recognises that capacity will vary between councils and that is why he has reached the position that, in his view, councils are in the best position to

judge the impact of potential postponements on your area and in the spirit of devolution and trusting local leaders, this Government will listen to you.

I am therefore inviting you, by midnight on Thursday 15 January, to set out your views on the postponement of your local election and if you consider this could release essential capacity to deliver local government reorganisation in your area and so allow reorganisation to progress effectively. For those who have already made their views known, we will be taking these into account. Views should be sent by email to [LGRElections@communities.gov.uk](mailto:LGRElections@communities.gov.uk).

The Secretary of State has adopted a locally-led approach. He is clear that should a council say they have no reason for postponement, then we will listen. But if you voice genuine concerns about your capacity, then we will take these concerns seriously. To that end, the Secretary of State is only minded to make an Order to postpone elections for one year for those councils who raise capacity concerns. A list of the relevant elections is annexed.

For areas where there are also scheduled town or parish council elections, the Secretary of State is minded to make no provision in the Order so these elections continue as scheduled, given town and parish councils are outside of local government reorganisation.

I appreciate that preparations for elections may have started, and you will be keen to have certainty, which we will deliver as soon as possible.

I am copying this letter to your Chief Executives, the other Leaders and Chief Executives of councils in the local government reorganisation programme, and to local MPs, Combined/Combined County Authority Mayors, Police and Crime Commissioners and Best Value Commissioners in local government reorganisation areas.

Yours sincerely,

**ALISON MCGOVERN MP**
