Level Crossing at Meldreth Road, Shepreth

With the works completed a week earlier than scheduled, allowing the road closure to be lifted, the new double barriers and the associated CCTV equipment at the level crossing on Meldreth Road are now in full operation.

Network Rail has now written to stakeholders to say that they will continue to be available to discuss issues that may arise, and that they will work with the local authority and community representatives to monitor the performance of the crossing and any associated impacts. Please let us know if there are any concerns.

The Community Rail Partnership has organized a visit for Meldreth and Shepreth Parish Councils to the Foxton and Cambridge Signal Boxes on Feb 6, for a closer examination of the barrier management system.

Local Highway Improvements

A reminder that applications for the 2026/2027 LHI round close at 5:00PM on Friday 16 January.

Winter gritting

The winter service has been in operation since 1 November 2025, and will continue until 15 April. Several days of continuous low temperatures triggered treatment of secondary gritting routes on Friday 2 January.

Buses

We have continued to receive much feedback about how the 17 (and 26) bus services in Meldreth (and Melbourn) may be improved, which we have forwarded to the Mayoral Combined Authority as responsible Transport Authority. As a result, the Combined Authority has now called a meeting with the current operator A2B to discuss the feedback.

Thanks to an increase in the Transport Levy the Mayoral Combined Authority receives from the County Council and Peterborough, the popular Tiger Pass will now continue to be available until March 2027. It offers bus fares for just £1 for those under 25.

A meeting of the Cam Valley Bus User Group will be organised soon. Please contact us if you want to be invited or would like to join the mailing list.

Local Government Reorganisation (LGR) Cambridgeshire & Peterborough Consultation

The government has now confirmed that the public consultation on LGR for our area will start in early February, and last for seven weeks. There will be statutory consultees (yet to be confirmed) but the general public will be invited to respond. We will include a link to this in a future report.

Local Authority Elections May 2026 (South Cams District Council)

As a consequence of the Local Government Reorganisation, just before Christmas the government wrote to all local authorities about next May's elections. Because of the short time between the 2026 elections and those for shadow Unitary Councils planned for 2027 they have invited local authorities in England to request the cancellation of their May 2026 elections. This has divided opinion, with some people thinking that a postponement would be undemocratic and, at the other end of the spectrum, there are concerns that the voting public might be turned off by having two local elections within 12 months of each other; a real concern since only around 30% of the electorate turns out for local elections at the best of times. Cambridge City Council and South Cambridgeshire District Council plan for 2026 local elections to go ahead and will not be asking the Secretary of State to postpone.

SCDC pledges £900,000 to local organisations through 3-year Service Support Grant funding

SCDC has just committed Service Support Grant funding of £300,000 a year to local groups to underpin the delivery of services to support people with their mental health, independent living, advice services, and to help residents through the cost-of-living crisis.

SCDC's Service Support Grant funding has almost doubled compared to the previous budget, made possible by prudent management of the council's finances and a recognition of the acute need for these services.

Grant recipients include:

- **Royston and District Community Transport (RDCT) – £7,000 per year to maintain accessible transport for those who need it most.**
- Over Day Centre – £30,000 per year to provide a transport and hospital discharge support service for older residents.
- For Citizens Advice centres that serve South Cambs residents – £105,000 per year to provide free, confidential advice services to residents.
- Disability Huntingdonshire – £12,998 per year to support South Cambs people with disabilities to live independently.
- Cambridge Rape Crisis Centre – £10,000 per year to deliver specialist support for survivors of sexual violence.
- Support Cambridgeshire (CCVS) – £20,000 per year to strengthen the voluntary and community sector in the district.
- Hope Against Poverty CIC – £14,400 per year to provide a Wellbeing Programme for people experiencing anxiety, bereavement, or social isolation.

More information, including the full list of grant recipients can be found here: <https://tinyurl.com/exbkw6eu>

National Planning Policy Framework (NPPF) – new planning reforms

The government has launched a consultation on its proposals for reform of the NPPF and will run until March. The consultation can be found [here](#). The councils' planners will be digesting the proposals and will respond in the new year. We will report these comments to you when we can

As ever, please do not hesitate Adam, Jose or Sally Ann if you have any queries.

Melbourn Parish Council
Responsible Financial Officer's Report – November 2025

Prepared by: Shelley Coulman, RFO

Date: November 2025

1. Introduction

This report provides an overview of the Parish Council's financial position as of the end of November 2025, based on the attached summary of income and expenditure. The figures presented reflect activity from 1st April to 30th November 2025 and includes any future commitments recorded in December. These have been produced using the council finance system.

2. Income Overview

- **Total income to date:** £335,350
Income £452,089
Deferred Income (£116,739)
Total Income £335,350
- **Key income item:** The primary source of income remains the precept payment received in April to November. The amount reflects 8 months of the total amount received so we can closely monitor the expenditure with the correct monthly income. The £116,739 has been deferred to be released over the month in which the income relates.
- Interest continued to perform well however the bank of England has held the base rate but is predicted to reduce further there is significant uncertainty due to the impending budget. We have invested more funds into the CCLA and are set to receive a better return on the investment.
- Burial fees have exceeded budget for 2025/26.
- Other minor income has been recorded from allotments, cemetery fees, and room hire. These remain broadly in line with budget expectations. Details around pitch fees need to be agreed.
- £57,563 was received for the community benefit fund and was transferred to the Earmarked reserves.

3. Expenditure Overview

- **Total expenditure to date:** £303,316
Expenditure £310,342
Accruals £11,333
Prepayments (£18,359)
Total Income £303,316

- This represents approximately 78.6% of the annual budgeted expenditure, indicating that spending is currently higher than expected but does not include the effect of transfers to and from reserves, indicating that expenditure is less than budgeted, this will become clearer as we move closer to monthly budgeting and considering annual variations. Interest on loans and refuse collection has not been prepaid therefore frontloading the budget. This is within a reasonable range for this point in the financial year.

Key expenditure areas include:

- **Salaries and staff-related costs** – on track with the budget no overspend anticipated.
- **Audit Fees** – Audit Fees look overspent, this is due to accruing the audit fees for 2025/26.
- **Legal Fees** – Overspend may be able to offset against parish planning which is underspent.
- **Grounds maintenance** – seasonal activities are reflected in spend levels. – Some areas moved to Village maintenance contract.
- **Software licenses** – Cost to add a new user and retain Edge during transition to Rialtas.
- **Utilities and premises costs** – in line with expected use.
- **Grants and donations** – small disbursements made to local organisations. £37,853 has been taken from the earmarked reserve.
- **Maintenance & Repairs unplanned.** Little hands Oil boiler and Doors, these have been taken from the appropriate reserves.
- **Street Lighting** – This has occurred based on an issue with regards to moving over the street lighting account.
- **Van cost** – Van repair has meant overspend from budget; however wardens' equipment has been underspent and looks likely to remain.
- **Mayd** – Current overspends however this has been moved to the reserves.
- **Tree and Hedge Work planned** – This has been underspent as we are awaiting the outcome of the tree survey.

No significant overspends have been recorded, and all expenditure to date is supported by appropriate documentation.

4. Bank and Reserves Position

- **Bank balance as of 30th November 2025:** £776,419 of which £522,073 relates to immediately available cash and £254,380 held in various investments.
- **Earmarked reserves:** Funds are appropriately allocated to various reserves.

- The general reserve of £207,647 remains healthy and covers 6.4 months of operating expenditure.

6. Summary and Recommendations

The Council's financial position as of the end of November 2025 remains strong. Spending is higher than the annual budget but movements on reserves indicate an overall underspend. Interest and capital spend on the loans not being apportioned appropriately through the year and some expenses are being correctly accrued since the move to the new finance system. The Council maintains sufficient reserves to meet foreseeable commitments. Councillors should look at the assets and consider the income or the measurable benefit to the community versus the cost of the asset to the community.

Melbourn Parish Council

Responsible Financial Officer's Report – December 2025

Prepared by: Shelley Coulman, RFO

Date: December 2025

1. Introduction

This report provides an overview of the Parish Council's financial position as of the end of December 2025, based on the attached summary of income and expenditure. The figures presented reflect activity from 1st April to the 31st December 2025 and includes any future commitments recorded in January. These have been produced using the council finance system.

2. Income Overview

- **Total income to date:** £370,389

Income	£457,943
<u>Deferred Income</u>	<u>(£87,554)</u>
Total Income	£370,389
- **Key income item:** The primary source of income remains the precept payment received in April to December. The amount reflects 9 months of the total amount received so we can closely monitor the expenditure with the correct monthly income. The £87,554 has been deferred to be released over the month in which the income relates.
- Interest continued to perform well however the bank of England have reduced the base rate and is predicted to reduce further in February. The budget did not create any additional concerns for this financial year. The reorganisation of local government does pose a significant risk on the parishes financials and is something we will monitor closely. We have invested more funds into the CCLA and are set to receive a better return on the investment.
- Burial fees have exceeded budget for 2025/26.
- Other minor income has been recorded from allotments, cemetery fees, and room hire. These remain broadly in line with budget expectations. Details around pitch fees need to be agreed.
- £57,563 was received for the community benefit fund and was transferred to the Earmarked reserves.

3. Expenditure Overview

- **Total expenditure to date:** £347,488

Expenditure	£350,006
Accruals	£12,750
<u>Prepayments</u>	<u>(£15,268)</u>
Total Income	£347,488

- This represents approximately 90.01% of the annual budgeted expenditure, indicating that spending is currently higher than expected but does not include the effect of transfers to and from reserves, indicating that expenditure is less than budgeted, this will become clearer as we move closer to monthly budgeting and considering annual variations. Interest on loans and refuse collection has not been prepaid therefore frontloading the budget. This is within a reasonable range for this point in the financial year.

Key expenditure areas include:

- **Salaries and staff-related costs** – on track with the budget no overspend anticipated.
- **Audit Fees** – Audit Fees look overspent, this is due to accruing the audit fees for 2025/26.
- **Legal Fees** – Overspend may be able to offset against parish planning which is underspent.
- **Grounds maintenance** – seasonal activities are reflected in spend levels. – Some areas moved to Village maintenance contract.
- **Software licenses** – Cost to add a new user and retain Edge during transition to Rialtas.
- **Utilities and premises costs** – in line with expected use.
- **Grants and donations** – small disbursements made to local organisations. £53,070 has been taken from the earmarked reserve.
- **Maintenance & Repairs unplanned.** Little hands Oil boiler and Doors, these have been taken from the appropriate reserves.
- **Street Lighting** – This has occurred based on an issue with regards to moving over the street lighting account.
- **Van cost** – Van repair has meant overspend from budget; however wardens' equipment has been underspent and looks likely to remain.
- **Mayd** – Current overspends however this has been moved to the reserves.
- **Tree and Hedge Work planned** – This has been underspent as we are awaiting the outcome of the tree survey, however tree and hedgework unplanned is overspent and will be offset against the planned work.

No significant overspends have been recorded, and all expenditure to date is supported by appropriate documentation.

4. Bank and Reserves Position

- **Bank balance as of 31st December 2025:** £742,083 of which £487,668 relates to immediately available cash and £254,380 held in various investments.
- **Earmarked reserves:** Funds are appropriately allocated to various reserves.

- The general reserve of £210,161 remains healthy and covers 6.5 months of operating expenditure.

6. Summary and Recommendations

The Council's financial position as of the end of December 2025 remains strong. Spending is higher than the annual budget but movements on reserves indicate an overall underspend. Interest and capital spend on the loans not being apportioned appropriately through the year and some expenses are being correctly accrued since the move to the new finance system. The Council maintains sufficient reserves to meet foreseeable commitments. Councillors should look at the assets and consider the income or the measurable benefit to the community versus the cost of the asset to the community.

If the information is wrong, please contact your bank.

Your bank statement details will show your:

[REDACTED] [REDACTED]
[REDACTED] [REDACTED]

Important documents for you to keep:

- this schedule showing the payment amount(s) and date(s)

Cancelling your Direct Debit:

- If you cancel the Direct Debit before you make the first scheduled payment, your vehicle will not be taxed from the date the previous tax ran out (expired).
- You can cancel your single payment Direct Debit once we have taken the scheduled payment.
- If you cancel your monthly Direct Debit before we take a scheduled payment, your vehicle will not be taxed from the end of the month that we took the last successful payment.

If you tell us you have sold, scrapped, exported or made a Statutory Off Road Notification (SORN), we will cancel your Direct Debit.

When it is time to renew your vehicle tax:

- Your vehicle tax should renew automatically and we will send a new payment schedule.
- You do not need to wait for us to take the first payment before you use the vehicle on the road.

If you do not pay the agreed Direct Debit, you may get a late licensing penalty and enforcement action taken against you.

Yours sincerely

Munceys Solar Farm (Council Ref: S/1898/14/FL) Muncey's Farm, London Way, Melbourn, Cambridgeshire, SG8 6DJ

In keeping with the principles of the community benefit money received from you, Melbourn Parish Council has undertaken to support community groups that benefit Melbourn and surrounding areas.

I have detailed below the various groups that have benefitted from community grant funding at the December 2025 funding round:

Melbourn Parish Council Community Grant Funding Reserve 2025/26

2025/26	Balance brought forward	£456.67
	Available for distribution 2025/2026	£58,020.33
June 2025	Grants awarded in June 2025	£37,853.42
December 2025	Balance available for distribution	£20,166.91

Home-Start Royston & South Cambridgeshire	£4,247.82
Melbourn Baptist Church	£2,153.99
Melbourn Squash Club	£975.00
Mix Music	£6,560.00
Turn on to Christmas	£1,280.00

Total awarded 3 December 2025 **£15,216.81**
Balance to carry forward to 2026/27 **£4,950.10**

As not all the grant monies were allocated on this occasion, we propose the balance of £4,950.10 be carried forward to the 2026/27 funding.

If you require further information please do not hesitate to contact me.

Yours sincerely

History:

April 2023

It was RESOLVED to recommend to full Council that the annual rental for Little Hands Nursery should be increased by £1,000 (representing approximately a 4% increase). Proposed by Cllr Barley, seconded by Cllr Clark. All in favour.

Current rent @ £27,000 per year (£2,250 per month)

April 2024 – No increase

April 2025 – No increase

There are no comparable properties in the local area to use as a benchmark.

Considerations:

- No increase since April 2023 to cushion impact of NI / minimum wage changes etc
- Improvement works carried out to building

Proposal:

- Increase Little Hands rent in line with inflation (4.1%, Sep 25) from £27,000 to **£28,107** from April 2026

<u>POLICY AND PROCEDURE:</u>	To evaluate the effectiveness of the system of internal audit
-------------------------------------	--

PURPOSE: Melbourn Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards and that public money is safeguarded and used effectively. In doing this, the Council is responsible for ensuring that there is a sound system of internal control and that the systems are regularly examined by an independent Internal Auditor.

CRITERIA FOR EFFECTIVE INTERNAL CONTROL

	Achieved
The Parish Council has adopted Terms of Reference for the Internal Audit which are reviewed every 3 years.	✓
The Internal Audit is timed to comply with the Annual Return timescales.	✓
Full rights of access are given to the auditor regarding records and documentation.	✓
The Internal Auditor is independent and makes a report to the Parish Council.	✓
The report is reviewed by the next Parish Council meeting and any necessary actions resolved.	✓
The Internal Auditor will follow up any actions required by review in subsequent audits.	✓

ANNUAL REVIEW OF EFFECTIVENESS

Question: Did the Internal Auditor meet the Council's Expectations (as set out in the Terms of Reference)?

Service Specification

Introduction

Cambridgeshire & Peterborough Association of Local Councils (CAPALC) Ltd provides the following services: **Internal Auditor (IA)**

They are committed to providing value for money and excellent service for their customers.

This document describes the specification for a supplier of services to **Parish/Town Councils**.

Internal Auditor Services with a CiLCA Qualified Clerk

Independence of the Internal Auditor

CAPALC Ltd will ensure the following.

- The allocated IA will not be an individual connected to the council or a neighbouring parish to the contracted council or where there is a perceived/understood close relationship between the IA, Clerk, RFO¹, councillor or council as a whole, necessary to ensure 'independence'.
- The IA will not have any previous involvement with the contracted councils accounts in any way for the contracted financial year or previous financial years.
- Where the contracted council retains the IA service on an annual basis with CAPALC Ltd, the IA will be changed as a minimum every two (2) years.

Supplier Specification

The supplier, their employees or agents must demonstrate good knowledge, understanding and experience of:

The work required of an Internal Auditor as detailed in the SAPPP Practitioners Guide 2025

Activities and responsibilities include: -

To carry out the basic requirements of an effective internal audit review of an authority's financial and governance records and controls facilitating the completion of the Internal Audit Report in an authority's Annual Governance and Accountability Return (AGAR).

To carry out the basic requirements of an effective internal audit review of an authority's financial and governance records and controls facilitating a council's 'health check' or 'Local Council Award Scheme' application review.

Where records examined include personal detail, such as in the case of staff salaries, allotment records and details of hall hirers on invoices, care will be taken to ensure compliance with the requirements of the General Data Protection Regulations (GDPR).

Internal Audit Service Complaints Policy and Procedure

1. Introduction and Policy statement.

CAPALC is committed to providing the best possible service for all of its member councils, clients and all other stakeholders. We do however acknowledge that people can at times feel dissatisfied and are entitled to have their concerns listened to and addressed. In such cases we endeavour to respond quickly, positively, confidentially, courteously, and effectively. Normally, clients are invited to raise their concerns in the first instance with the appropriate member(s) of staff, as a complaint can often be resolved quickly and simply in this way. However, if clients are not satisfied with the initial response made, or do not wish to use this route, they may formally complain instead.

CAPALC believes that if a client or other stakeholder wishes to make a complaint or register a concern, they should find it easy to do so.

A complaint is defined as: any complaint from any client, customer or other stakeholder affected by the standard of quality of our service, action, or lack of action by telephone, letter, e-mail or visit.

It is CAPALC policy to welcome complaints and look upon them as an opportunity to learn, adapt, improve, and provide better services. This procedure is intended to ensure that complaints are dealt with properly and that all complaints or comments by member councils, clients, as well as all other stakeholders.

The procedure is not designed to apportion blame, but rather to ensure that the CAPALC is able to continuously improve its services and levels of customer service and satisfaction. CAPALC ensures that there are sufficient platforms to facilitate complaints and that the process is easy to follow, fair and sensitive to both staff and the complainant.

2. Process

Complaints can be made in person, by telephone, by e-mail, or in writing to the County Executive Officer (contact details shown in section 9).

3. Procedure

Stage 1:

Details of the complaint will be logged in a standard form (appendix 1) and responsibility for investigation will be assigned.

Stage 2:

Investigation of the complaint will commence within 24 hours of receipt and the complaint will be acknowledged, in writing, within 5 working days.

Stage 3:

The complaint will be investigated, and contact will be made with all relevant parties to gather information and supporting evidence.

Stage 4:

Within 4 weeks the complainant will receive written notification of the outcome of the complaint or details of any ongoing investigations necessary.

Stage 5:

If it has been necessary for the investigation period to be extended past 4 weeks, the complainant will receive written notification of the outcome within 8 weeks. This outcome will be the final decision unless the complainant chooses to appeal.

4. Appeals

If the complainant is unhappy with the outcome, in the first instance they must contact the complaint investigator to clarify the rationale behind the decision.

If the response is unsatisfactory, the complainant can contact the relevant external agency for support. Details of the relevant agency will be made available upon request.

5. External Involvement

CAPALC will co-operate with external parties involved in the complaint via the following means:

- Copies of policies and procedures will be made available upon request.
- Documents related to the complaint and the way in which it was handled will be made available.
- Employees will be available to attend meetings with external agencies.

6. Communication

Employers and members will be provided with access to this procedure in electronic or hard copy formats at the start of the service contract and it will also be accessible through contact with CAPALC.

7. Monitoring and Review Processes

All complaints will be monitored via senior management and discussed at Board level if applicable. Outcomes of complaints will be held by CAPALC and be reviewed on an annual basis.

This procedure will be reviewed, via the CEO and Board, on an annual basis to ensure it continues to meet the needs of the business. An annual complaints report will be completed each year.

Data and performance associated with this procedure will be reviewed on an annual basis by the Board of Directors.

8. Registering a comment or compliment.

Where members and all other partners wish to register a compliment or comment, rather than make a complaint, they can do so either by email or in writing to the details listed below in section 9 of this document. Any comments or compliments received verbally may be logged and together with those received by letter, will be forwarded to the Administration team

Compliments:

It is important that our members and partners are happy with the service we provide and that we can learn from the things that go well. Any compliments you may wish to make about what we do or the staff who do it will be passed on to those concerned, or you may just wish to compliment CAPALC on a job well done.

Comments:

We welcome constructive comments and suggestions about what we do. Your ideas will be listened to and given careful consideration. A comment could relate to how any part of our service can improve,

Melbourn precept

Parish councils are funded by levying a **precept**, which supports their day-to-day operations and enables them to deliver local services and projects. The precept is collected as part of the Council Tax paid by parish residents and represents a small proportion of the overall Council Tax bill received by households each year.

In 2025/26, the precept levied by Melbourn was £350,217.00.

Are we suggesting an increase to precept this year?

Yes.

The proposed precept for the coming year is £367,776.00 (2025/26: £350,217.00). This represents an increase of 5.01% compared with last year.

As a minimum, this increase includes inflation of 4.01%, based on the September inflation rate used in the preparation of the budget.

The impact of this increase on a resident's Council Tax bill is estimated to be approximately 50 pence per month for a Band D property.

Historical rises

The proposed increase for 26/27 is in line for historical rises in the South Cambs area.

	2022/23 – 2023/24	2023/24 – 2024/25	2024/25 – 2025/26
Average Band D increase for Cambridgeshire & Peterborough	+6.48%	+6.82%	+7.69%
Melbourn precept increase	+3.32%	+4.65%	+6.28%

Income from sources other than the precept

Income from sources other than the precept is expected to increase slightly in the coming year. This is primarily due to modest rent increases and a higher level of investment with CCLA, which is anticipated to generate increased interest income.

Total income from these sources is forecast at £56,246.00 (2025/26: £48,319.00). This figure has been calculated based on projected increases in rental income, alongside broadly similar levels of income from building hire and cemetery fees.

Cost centres

The budget is broken down into relevant cost centres – the break down of predicted costs can be seen below. Please see the notes for each relevant section for explanation.

2025/2026 budget	Cost Centre	2026/2027 budget	Difference	%
54,759.00	Conservation	61,288.00	6,529.00	11.92%
5,724.00	Cemeteries	3,509.00	-2,215.00	-38.70%
25,032.00	Play Area & Recreation	20,270.00	-4,762.00	-19.02%
213,478.00	Financial & General Purpose	227,772.00	14,294.00	6.70%
34,869.00	Car Park & Fire House	29,932.00	-4,937.00	-14.16%
47,981.00	Melbourn Community Hub	49,028.00	1,047.00	2.18%
3,693.00	Planning Highways & Rental	7,753.00	4,060.00	109.94%

Conservation (11.92% increase)

- In line with expectations and reflecting the amount of work being undertaken by the Wardens, saving the Parish using external contractors.
- A 3 year grounds maintenance contract for the majority of public areas was entered into in May of 2024, these costs are index linked for the period of the contract and have been accounted for in this budget.

Cemeteries (38.7% decrease)

- The decrease in costs is explained by the restructuring of the budget (moving cemeteries conservation costs to conservation cost centre). Plot preparation will be carried out in 25/26 budget so not needed for 26/27.

Play Area and Recreation (19.02% decrease)

- The decrease in costs is explained by the restructuring of the budget (moving play area and recreation conservation costs to conservation cost centre).

Financial & General Purpose (6.7% increase)

- In order to deliver the services needed by the Parish the office staff and warden numbers have increased this financial year. Staff costs, impact of NI rises, minimum wage increases and additional job roles accounts for some of the rise in costs.
- 3 x Wardens have been carrying out more jobs in the past year that would have previously been outsourced – leading to a decrease in supplier costs seen in the conservation budget but an increase to costs for wardens equipment and materials.
- Analysis is carried out on a project-by-project basis to ensure value for money against in-house or outsourcing of activities.
- Proposal for a Youth community coordinator has been included in the precept figures to allow the Parish to develop the offering for young people in the area.

Car Park and Fire Engine House (14.16% decrease)

- Asset costs for Fire Engine House have been budgeted for 25/26 and will be carried forward if not completed.

Melbourn Community Hub (2.18% increase)

- The Hub is a Parish Council asset and in accordance with the current lease any works to maintain the building should be accounted for in the budget and relevant reserves.
- Any unspent funds for maintenance in 25/26 will be earmarked and carried forward to next financial year.
- Fixed costs show inflationary increase where applicable.

Planning, Highways & Rental (109.94% increase)

- An LHI application for safety around the primary school has been submitted with a budget of £25,000 – funds for this project are to be split over this and subsequent precepts.

Deferred expenditure

Reserves currently hold monies for deferred projects including maintenance work, Community development projects and conservation projects. No contribution to the Asset Management Reserve has been requested for this financial year.

Asset projects that may be required in the next period include extensive works to the All Saints wall, redecoration of interior and exterior of the pavilion, restoration of the Fire House and potential resurfacing in play parks.

This budget statement is based on the best available information at the time of preparation and reflects current priorities, assumptions, and constraints. It is subject to change due to factors beyond our control, including:

- *Economic and Market Conditions: Changes in economic indicators such as inflation, interest rates, or market volatility may impact forecasted revenues and expenditures.*
- *Policy and Regulatory Changes: Modifications to applicable laws, regulations, or organisational policies may necessitate revisions to this budget.*
- *Unforeseen Events*

While every effort has been made to ensure accuracy and completeness, this document and the budget should be viewed as a dynamic tool that may evolve as new information becomes available. Viewers are advised to consider these caveats when interpreting the figures and conclusions presented.

MHCLG announcement on local elections in LGR areas

Message from Justin Griggs, NALC

Yesterday afternoon, the Ministry of Housing, Communities and Local Government (MHCLG) made an announcement on local elections, inviting those principal authorities with elections in May 2026 where proposals for reorganisation have been submitted and decisions not yet taken, to set out their views on the postponement of local elections.

The attached the letter has gone out to those 64 councils and clarifies that 'for areas where there are also scheduled town or parish council elections, the Secretary of State is minded to make no provision in the Order so these elections continue as scheduled, given town and parish councils are outside of local government reorganisation'.

Officials have been in touch with us to highlight the letter and at this stage I have raised a number of initial issues, principally that election costs would be borne in full, rather than part, by those parish and town councils where an election takes place, the impact on turnout in those parish and town council elections, and the

lack of requirement in the letter for principal councils to engage with parish and town councils in their area.

In response they stressed that the purpose of the letter is to invite representations and are open to hearing from parish and town councils, county associations and NALC about the proposals, views on what should be done and any issues that need to be taken into account by the government in reaching a decision.

Councils which have elections in 2026 (which we understand to be Cambridge City Council, Huntingdonshire District Council, Peterborough City Council and South Cambridgeshire District Council):

We encourage parish and town councils to read the attached letter, and

- To contact your principal authority if you haven't already
- To respond to the invitation and send views to MHCLG at LGRElections@communities.gov.uk,
- We advise councils to consider election costs as part of their current budget setting for 2026/207
- To tell us your views on whether elections should go ahead in 2026 or take place at the same time as deferred principal authority elections in 2027

To: Leaders of councils with elections
in May 2026 where proposals for
reorganisation have been submitted
and decisions not yet taken

18 December 2025

Dear Leader,

I am writing to you regarding the elections your council is scheduled to hold on 7 May 2026.

This Government is determined to streamline local government by replacing the current two-tier system with new single-tier unitary councils, ending the wasteful two-tier premium. We are progressing this landmark reform quickly, which will be vital in delivering our vision: stronger local councils equipped to drive economic growth, improve local public services, and empower their communities. I am fully committed to ensuring councils can deliver new, sustainable structures within this Parliament.

We have now received proposals from all 20 remaining invitation areas, demonstrating strong collaboration between local partners. A consultation is open on 17 of those proposals from six invitation areas. I expect to launch a consultation in early February on proposals from the remaining 14 areas that seek to meet the terms of the 5 February statutory invitation. That consultation would be for seven weeks.

I remain committed to the indicative timetable that was published in July, that sees elections to new councils in May 2027 and those councils going live in April 2028. This is a complex process, and we will take decisions based on the evidence provided.

We have listened to councils telling us about the constraints they are operating within, and the work that reorganisation introduces on top of existing challenges. Now that we have received all proposals, it is only right that we listen to councils who are expressing concerns about their capacity to deliver a smooth and safe transition to new councils, alongside running resource-intensive elections to councils who may be shortly abolished. We have also received representations from councils concerned about the cost to taxpayers of holding elections to councils that are proposed to shortly be abolished.

Previous governments have postponed local elections in areas contemplating and undergoing local government reorganisation to allow councils to focus their time and energy on the process. We have now received requests from multiple councils to postpone their local elections in May 2026.

The Secretary of State recognises that capacity will vary between councils and that is why he has reached the position that, in his view, councils are in the best position to

judge the impact of potential postponements on your area and in the spirit of devolution and trusting local leaders, this Government will listen to you.

I am therefore inviting you, by midnight on Thursday 15 January, to set out your views on the postponement of your local election and if you consider this could release essential capacity to deliver local government reorganisation in your area and so allow reorganisation to progress effectively. For those who have already made their views known, we will be taking these into account. Views should be sent by email to LGRElections@communities.gov.uk.

The Secretary of State has adopted a locally-led approach. He is clear that should a council say they have no reason for postponement, then we will listen. But if you voice genuine concerns about your capacity, then we will take these concerns seriously. To that end, the Secretary of State is only minded to make an Order to postpone elections for one year for those councils who raise capacity concerns. A list of the relevant elections is annexed.

For areas where there are also scheduled town or parish council elections, the Secretary of State is minded to make no provision in the Order so these elections continue as scheduled, given town and parish councils are outside of local government reorganisation.

I appreciate that preparations for elections may have started, and you will be keen to have certainty, which we will deliver as soon as possible.

I am copying this letter to your Chief Executives, the other Leaders and Chief Executives of councils in the local government reorganisation programme, and to local MPs, Combined/Combined County Authority Mayors, Police and Crime Commissioners and Best Value Commissioners in local government reorganisation areas.

Yours sincerely,

ALISON MCGOVERN MP

Subject: Free commemorative tree and plaque as part of COVID-19 Day of Reflection - please complete form by 31 January 2026
Attachments: Terms & Conditions - Commemoration Tree.pdf

Dear Town & Parish Councils

We are offering Town and Parish Councils a commemorative blossom tree and plaque to honour community volunteers and remember those affected by the Covid-19 pandemic.

A day of national day of reflection will take place on Sunday 8 March 2026. By completing our form, we will provide a tree so you can plant it just before or on the day.

The location for the tree should ensure it is appropriate for its purpose and the attached terms and conditions give parishes lots of flexibility.

Please complete the [form](#) to request a tree by 6pm on Saturday 31 January 2026.

There is further information on the Government's website about the day of reflection, including ways communities could come together.

Best wishes

SCDC Covid Commemoration Tree Scheme

Terms & Conditions

1. Application

- 1.1 Each parish or town council in South Cambridgeshire can apply once for a single Commemoration tree.

2. Tree Planting Location

- 2.1 The tree should be planted in a location which is publicly accessible and in the spirit of providing a community memorial to mark the local volunteer efforts to support people during the pandemic and commemorate those who lost their lives. It is recommended that this is land owned by the parish or town council, or on land owned by a school.
- 2.2 If there is no suitable location on parish or town council land or land owned by a South Cambridgeshire school, other publicly accessible locations the town/parish council deem suitable should be used with written permission from the landowners. The tree supplied through the scheme is not intended for private gardens.

3. Planting

- 3.1 Parish and town councils are responsible for planting and caring for the tree to a satisfactory standard, to ensure the tree survives through the first three years.
- 3.2 Trees will be supplied with basic ties and guards as well a Commemorative Tree Stake and Plaque; applicants are responsible for any additional protection needed to ensure the health of the tree.

4. Monitoring

4.1 The applicant shall monitor tree health by conducting a visual check of the foliage, branch, bark, and roots periodically (i.e. every 6 months) to determine whether the tree is alive and whether any intervention is needed to maintain or restore tree health. For guidance, please email climateandenvironment@scambs.gov.uk.

5. Publicity and Acknowledgement

5.1 As a way to commemorate this programme, participants are encouraged to share a picture of their planted tree to climateandenvironment@scambs.gov.uk and give consent via the attached photo consent form for South Cambridgeshire District Council to use these photos for promotional purposes.

Hi Parish Council,

Melbourn VC is currently looking at our Business Contingency Plan, and we were hoping that if we needed to evacuate our premises, we would be able to use the Parish Pavillion due to its close proximity, and as per our telephone conversation we obviously understand that the venue cannot hold 600+ internally but externally on the field it can with the ability to use facilities under supervision from MVC staff.

Could this therefore please be raised at the next parish council meeting.

Many thanks and kind regards

A couple of years ago, we discussed whether we could use the pavilion over night for a sleep out to support a homeless charity. This year, we would very much like to support the 'Great Tommy Sleep Out' on the night of Friday 20th March
- <https://rbve.org.uk/events/the-great-tommy-sleep-out/>

We hold the correct scouting permits for overnight camps, but obviously need to seek permission from the Parish Council as to whether this would be possible. Could you possibly seek permission on our behalf? We're happy to send you all plans and risk assessments etc.

In addition, we are now running the young leader section for Royston District scouts. This section supports young people aged 14 - 18 who attend squirrel, beaver, cub and scout sections as young leaders, supporting the adult leaders to run the evening for the younger members and additionally developing their own leadership skills. In addition to helping with younger sections, young leaders have their own training scheme where they learn leadership skills which help them as scout leaders, but also support them with valuable transferable skills in life and their future workplaces. Many say that they directly attribute university place offers, part time and indeed full time job offers directly to having participated in this training scheme.

This group meets once per month with the day and venue varying to allow them to attend alongside their other explorer scout and young leader meetings.

We were wondering whether we would be able to meet at Melbourn Pavilion on the following dates this school year:

- Wednesday 11th March – Module F '*Making Scouting accessible and inclusive*' – 1st Orwell Melbourn Pavilion
- Wednesday 15th April – Module I '*What did they say*' – 1st Orwell Melbourn Pavilion

We are happy to pay for the hire of the pavilion and would meet between 19:00 & 21:00 ideally.

CAMBRIDGESHIRE COUNTY COUNCIL

High Street, Melbourn

(TEMPORARY PROHIBITION OF THROUGH TRAFFIC)

ORDER 2026-10243

NOTICE is given that Cambridgeshire County Council has made an Order pursuant to the Road Traffic Regulation Act 1984, as amended by the Road Traffic (Temporary Restrictions) Act 1991, the effect of which is to stop any vehicle from proceeding along High Street, Melbourn as lies between Station Road and Norgetts Lane.

Access will be maintained to properties affected by this order.

The alternative route for vehicles is via Cambridge Road, Melbourn; Cambridge Road, Shepreth; A10; Station Road, Meldreth; Station Road, Melbourn and vice versa.

The Order is made to facilitate drainage works, trial holes, pipe repairs and associated works which are being carried out on or near this highway and it will come into operation on 16 February 2026 and continue until these works have finished or on the 15 August 2027 whichever is the earlier.

It is anticipated that these works will be carried out between 09:30hrs and 15:30hrs 16 February 2026.

The Order shall not apply to any persons lawfully engaged in connection with any works for which it is made, any member of the Police Force, Fire and Rescue Service, Ambulance Service, a vehicle being used by Special Forces during the execution of their duties or to any person acting with the permission or upon the direction of a Police Officer in uniform.

Dear Abi,

Following a recent meeting with you, Graham and members of the Hub management group, we discussed the safety issue that exists with the current Hub café chairs that have now exceeded their life expectancy by some considerable time and as a result are now prone to developing cracks and breaks. A large number of chairs have had to be taken out of service now and it is acknowledged that it will be essential to replace them asap.

The chairs are part of the Hub's 'fundamental fixtures and fittings' and as such, would routinely be the responsibility of the Parish Council to fund their replacement. You confirmed that there were unspent Hub maintenance funds that should more than cover the replacement of the chairs subject to formal Parish Council approval.

We have researched and identified robust chairs which meet the needs of the café and obtained three quotes for your consideration please. We have identified a need for 70 stackable café chairs which each quote provides for and as also previously discussed, six tub chairs, in answer to customer feedback to provide some soft seating.

We favour the quote from **Strictly Tables & Chairs** as this also has the advantage of being local, they can provide all items requested and we have already purchased 'tester' chairs from them.

We understand that this will be put before council at the January Parish Council meeting. Please do let us know if you need any more information or have any questions.

Kind Regards

Jose Hales

This quotation is subject the following terms and conditions of sale; these terms and conditions take precedence over any terms and conditions contained in any Customer purchase order or other business forms, unless agreed in writing by a director or other authorised representative of ORL.

Terms & Conditions of Sale

1. GENERAL

Office Reality Ltd (“ORL”) does business with its Customers under the terms and conditions set forth. ORL hereby rejects any terms and conditions contained in any Customer purchase order or other business forms, unless agreed in writing by a director or other authorised representative of ORL.

The “Customer” shall be any person, company or organisation purchasing goods from ORL.

“Goods” means the goods (including any installation of goods or any parts of them) which ORL is to supply in accordance with these conditions. Any reference in these terms and conditions to singular includes plural.

2. PRICES & QUOTATIONS

All prices are stated exclusive of VAT which will be added at the appropriate rate at the time of despatch. ORL will make all reasonable endeavours to ensure that goods are available at these prices. ORL shall have the right to reduce, or increase prices to the buyer at any time without prior notice, except with respect to orders which have been accepted prior to such price modification.

Although every effort is made to ensure the prices stated on the website are correct, should an error on price occur and an order is placed, you will be informed and given the option of continuing with the order at the correct price or cancelling the order.

All quotations are valid for a period of 30 days unless otherwise agreed in writing.

Pro forma invoices are valid for 30 days also.

3. AVAILABILITY & STOCK

All items offered on the website are subject to availability. If the goods are not available after your order has been placed, we will notify you as soon as possible.

4. PAYMENT & SETTLEMENT TERMS

Unless otherwise agreed with ORL, payment is required in full with each individual order. This can be made with credit or debit cards or alternatively a pro-forma invoice can be supplied on request to enable the Customer to make payment direct to the ORL bank account or by cheque. Upon receiving payment by card, we may perform a fraud check on the card used. Based on these results, we may ask for further information so that we can process your order.

Customers wishing to open credit facilities with ORL may do so by completing the ORL Credit application form which again will be provided on request.

ORL reserves the right to decline any application for credit facilities without any reason.

Credit accounts are subject to settlement by the customer within 30 days of invoice date except where otherwise agreed in writing by ORL.

If the customer fails to make payment by the due date then all sums owed to ORL by the Customer on account or otherwise, shall immediately become due and payable in full and ORL shall be entitled to:

- a. Cancel the contract or suspend any further deliveries to the Customer
- b. Appropriate any payment made by the Customer to such goods as ORL may deem fit
- c. Charge the Customer interest on the amount unpaid at the rate permitted under applicable law

5. RETENTION OF TITLE

The goods remain the property of ORL until full payment has been received. Until full payment has been received ORL may at any time recover the goods, and may enter the Customer’s premises for this purpose. The risk passes to the Customer on delivery of the goods regardless of whether ORL has received full payment. The Customer shall be liable for insuring the goods at the full invoice value until ORL has received full payment.

6. CARRIAGE & DELIVERY

Most deliveries will be free of charge to mainland UK addresses. If at checkout you find your postcode is not applicable for this, delivery charges to other areas are available upon application. ORL reserves the right to impose further delivery charges if delivery is not able to be made on the first attempt due to incorrect information being supplied by the buyer.

Delivery times quoted are done so in good faith but shall be non-binding. ORL will not be liable for any losses incurred by the Customer, or any other persons, as a result of a delay in any part of the delivery. Deliveries shall be made between business hours of Monday – Friday 8.30am – 6.00pm. Lead times are given as a guide for delivery. ORL cannot be held responsible for any change in the lead time due to manufacturing or stock issues.

Deliveries will be made to the goods inward department or kerbside where sufficient offloading facilities aren't available. Assistance must be provided by the Customer. Failure to provide adequate assistance may result in the delivery having to be aborted and additional charges imposed. If further assistance or installation is required this must be made clear at the point of purchase. Deliveries must be checked and accounted for prior to signing the delivery note. Any damages or shortages must be noted on the delivery note and reported to ORL within 24 hours. Failure to do so may result in a claim being rejected. All items are delivered flat packed for self-assembly unless otherwise stated or agreed prior to purchase in writing. ORL must be notified of any potential restrictions on delivery as failure to do so may result in charges being passed on to the customer.

If goods are to be installed then the area must be clear, accessible and free from other trades or workers. ORL reserves the right to pass on charges it incurs due to delays incurred by the Customer. ORL will not remove any old furniture unless this is agreed prior to purchase.

7. GUARANTEES, WARRANTIES AND LIMITATION OF LIABILITY

ORL does not supply goods with the benefit of any term, warranty or condition as to the suitability of the goods for any purpose except as provided by law. ORL will assign to the buyer all rights conferred on it by any of its suppliers. ORL shall have the option to repair or replace (or at its sole discretion, refund to the Customer the price of the goods without any further liability) parts agreed by it as being defective if the goods are returned to ORL within 1 year. Goods subjected to fair wear and tear, misuse, tampering, defective maintenance, alteration or modification are excluded from this guarantee. Goods covered are subject to single shift working only. In no case shall the liability of ORL exceed that of the actual manufacturer of the goods.

All descriptions, weights and dimensions given by ORL are given in good faith however, no responsibility is taken by ORL for their accuracy.

ORL accepts no liability for variations in colour, finish, materials and any other aspect of appearance that may occur from time to time. The images shown on site are for reference only- samples of each finish are available upon request.

ORL does not accept liability for failure to comply with any standards or regulations required by law in respect of goods supplied by ORL or for indirect or consequential loss or damage arising from such goods.

8. ORDERS

Any order accepted by ORL shall be subject to these terms and conditions.

ORL trading policy is to supply account customers against official Customer orders. The proper control and authorisation of official orders is deemed to be the responsibility of the customer. ORL cannot accept liability for either the incorrect use or abuse of Customer official orders.

ORL reserves the right at any time and without explanation to:

- a. Refuse to accept an order
- b. Cancel an order
- c. Suspend deliveries against an order whether or not an account is in arrears
- d. Refuse cancellation of an order
- e. Cancel unexecuted instalments of an order

No variation of an order will be recognised unless otherwise agreed by ORL in writing

Customers are responsible for checking the accuracy of all order acknowledgments. ORL will acknowledge all customer orders in writing, no claims for discrepancies between the goods and quantities ordered and those supplied will be accepted where goods supplied are in keeping with those acknowledged.

9. CANCELLATIONS & RETURNS

Any cancellations must be made in writing to customerservices@officereality.co.uk and must include an order number for reference. Failure to include this could mean a delay in finding your order and thus result in charges if the items are despatched or processed.

Goods will be accepted back for credit, only with the express permission of ORL. Goods may only be returned if they are unused, unassembled, in their original packaging and in a re-saleable condition. The buyer shall, unless otherwise stated, be responsible for the cost of the return carriage, to an address designated by ORL, for all goods returned which shall be at the risk of the Customer until actual receipt of the goods to a point designated by ORL. ORL reserves the right to charge a minimum handling fee of 20% of the value of the goods to cover the restocking fee. This will be deducted from any refund given. Refunds will be processed within 30 days of receipt of goods providing these conditions are met.

Made to order items can only be cancelled within 24 hours of order. If you need to cancel your made to order item, please contact ORL as soon as possible, a cancellation fee will be charged if cancellation is accepted. Refused deliveries of made to order goods are not eligible for credit. Our usual refund policy does not apply to made to order items.

The above conditions do not affect your statutory rights when goods are faulty or not as described.

10. COPYRIGHT

The copyright and all other intellectual property rights in all lists, websites, descriptions, articles, drawings and other information produced by ORL shall remain the property of ORL at all times.

11. LAW

These conditions are subject to and shall be construed in accordance with English law, and the parties submit to the jurisdiction of the English court.

Subject: RESPONSE REQUIRED: Approval for spend for stairlift fix at Melbourn Community Hub
Importance: High

Dear Councillors

Stairlift fix

Just before the Christmas break the stairlift at Melbourn Community Hub failed at the top of the stairs. An engineer was called out as part of our service cover – they were unable to fix the unit as a replacement part is needed.

The quote for the part, supply and fit has been received at a cost of £1,202.80 + VAT (see quote attached) – this falls outside of the delegated authority of the Clerk and requires a vote to proceed.

Please respond with your vote:

To consider the approval of £1,202.80+VAT to Stannah for the supply and fit of part to fix the stairlift.

Many thanks

Abi

Initial meeting: 23 October 2025

Attendees: Clerk, Cllr Clark (Melbourn Parish Council (MPC)), Jeannie Seers and Jose Hales (Melbourn Community Hub Management Group (MCHMG))

Meeting to discuss lease review, budget spend, meeting attendance, youth activities and office space.

In response to the meeting a request was passed to look at the feasibility of moving from the current office to the Austen Room – the current office space is, on occasion, used to capacity and is not working well as a shared space for the 8 employees of the Parish. MPC are looking at alternative options for the office, including using a different space, alternative accommodation and altered working patterns.

MPC currently occupy the Parish Office space and benefit from occasional use of the other meetings rooms, predominantly the Austen Room for evening meetings. MPC also benefit from the ability to book/use rooms if there are free on an ad hoc basis.

Conclusion

The option to move to the Austen Room is not feasible.

The loss of this valuable public space from the Community Hub offering would not only be detrimental to the Community Hub financially it would also be damaging to remove the ability to lease / use this room as part of MCHMG commitment to deliver the vision of MPC for the Community Hub to 'provide a venue that provides a variety of different services that benefit and enhance the lives of the community'.

MCHMG presented an alternative proposal to provide an overflow room on a set day every week that would be part of the 'license to occupy', so that those needing a 'hot desk' or meeting space for collaborative working can do so. This could include use of the adjacent Austen room (depending on the available weekday) and with the internal door open, essentially offers MPC a suite. If needed this could extend to an overflow room on two different days within the building if needed.

Action

MPC propose to continue utilising alternative rooms on an ad hoc basis – the nature of the roles undertaken in the office and the desire to provide flexible working opportunities for staff mean that we are currently unable to strictly rota a time that would be advantageous to permanently book a secondary space.

MPC staff will continue to review the options and look at ways to alter working practices, alternative locations and re-design of the current office space.

MPC and MCHMG to meet again to continue discussions and review any actions.

Melbourn Hub Report January 2026

This report from Melbourn Community Hub Management Group (MCHMG) includes an attachment to show the fantastic achievements and benefits that Melbourn Hub provides for the community and how some of those benefits have been professionally quantified both socially and financially. We hope this will prove helpful for those who are less familiar with the day-to-day business of The Hub.

The Parish Council's courageous vision of creating a purpose-built space that truly serves the needs and wishes of the community, has not only been achieved - but exceeded - and the MCHMG directors, who all volunteer their time and skills, are proud of their work too and that of their fantastic staff and volunteers in bringing so much evidenced benefit. This has only been possible because of the commitment of the Parish Council in commissioning and maintaining the Hub building and the fixtures and fittings within it.

Appended to this report (Appendix A) is a double page list of the many services that The Hub has enabled.

Social and Cost Benefit

One standout aspect is 'Health at the Hub' (HATH), a collaboration between Melbourn Hub and NHS Primary Care Network, launched in summer 2022 following The Hub's earlier health related initiatives. The aim of HATH is to improve patient access to a variety of health and wellbeing services in a community setting, enabling more appointments to be offered and new services to be introduced, using bespoke medical space created at The Hub.

HATH however, also recognises the health and wellbeing benefits offered by various outreach services at The Hub like Citizens Advice, Rape Crisis and Relate, plus the positive social impact of the café and the work of Hub staff and volunteers to facilitate HATH.

The great success of HATH has been evidenced from analysis undertaken by accredited social value specialists. In 2024 HATH had delivered "**a very high level of social value**" (the measure of broader societal outcomes) at **£4.14** of *social value* for every £1.00 invested.

The **benefit cost ratio** measures whether public resources are maximising public value and The Hub is rated '**high**' by the 'Ministry of housing, communities and local government' with **£2.30** of benefit for every £1 invested.

Quote "HATH is reaching those most in need of its support and is being delivered in an economical, efficient and effective way. HATH's cost savings outweigh its benefit losses and therefore increases its public value. The results demonstrate that providing medical/clinical services in the community is highly cost-effective."

1. People

Our annual customer survey continues to tell us that customers rate our services as excellent or good. Our recent 2025 survey shows 100% would recommend The Hub to others.

In 2024, Melbourn Hub was a finalist at BBC Radio Cambridgeshire 'Make a Difference Awards' in the category of 'Volunteers', recognising the value of volunteering for the individuals involved and what is delivered for the community. The essence of our motto "**For the Community by The Community**".

In 2024 over 3,100 patients had directly benefited from HATH and feedback from patients indicated that some screening and vaccinations would not have been taken at all if the services had not been available at The Hub or would have had to travel some distance.

The DNA (did not attend rate) was 1% for patients booked at The Hub compared to a 4.51% National average, so The Hub setting is clearly encouraging our community to fulfil their medical appointments, contributing to early preventions and treatments.

HATH has had a gravitational pull for other health and wellbeing providers, keen to regularly hire both the medical space and other Hub rooms to offer more of their services - sooner. Add to this the wider wellbeing and societal benefits The Hub is providing through its many other services, we believe it is truly worthy of its flagship status across the County and beyond.

The MCHMG is proud to have remained self-sufficient and not require any Parish Council grant funding to run the operation since 2022 – especially given the current financial climate. The cost to Melbourn villagers for the Parish Council to sustain the building as owners (building loan repayment and upkeep costs of fixtures and fittings) is less than £3 per band D *household not person*) per month! I think most would agree, this is *incredible* value for all that is provided.

2. Latest news

The café continues to prove popular but has faced significant challenges with minimum wage and NI increases in 2024, plus the impact of the cost of living. Balancing affordability (to remain inclusive in a high deprivation ward) against rising costs, has required careful management.

The current café chairs have long exceeded their life expectancy and in essential need of replacement, to ensure customer safety and comfort. This is part of the general maintenance and upkeep costs for MPC. MCHMG have provided quotes to MPC for suitable replacements.

The Hub room hire position is currently positive, with existing and new long-term room hire arrangements for health, outreach and other local services showing early positive growth for 2026. Cambridge Building Society continue offering a service in the village (otherwise potentially lost) by moving to The Hub and offering services there for three half days a week.

The last quarter was popular for seasonal events at The Hub, with two concerts, a Craft Fair and our big free seasonal event 'Turn on to Christmas'. We delivered a fun family Halloween trail as well as free films for children to encourage young readers and focus on inclusivity, especially given Melbourn's high deprivation status amongst other South Cambridgeshire's villages.

We were delighted to engage a new director in November, strengthening our team with added professional skills and much needed help to tackle the significant hours that are needed to direct and run the Hub, alongside the directors' many other commitments outside of the Hub.

3. Going Forward

The Parish Council, following a growth in staff numbers seek larger office space and are exploring other premises, if no alternative space can be offered within the building to accommodate this. MCHMG have requested a meeting with MPC to discuss the impact of the various outcomes that could arise from the different possible scenarios, following detailed email exchanges between parties outlining some of the specific issues faced and suggested potential solutions to consider.

MCHMG understand that The Parish Council have engaged a solicitor to interpret The Hub lease into plainer language to clarify their role and responsibilities. MCHMG have asked that the outcome from this be shared with them, in the event of any potential contradiction with the understanding of the lease that MCHMG have been working to since it was created in 2013!

Thank you for your attention and hope that the above information proves helpful.

PC158 2526c) Reconsidering Timebank phone replacement

Thank you for the donation of an android phone as a replacement to the ailing current handset the Timebank and Community Coordinator uses.

Unfortunately, I had omitted to understand the need for a useable and appropriate phone rather than just a replacement.

The Timebank and Community Coordinator uses this phone as a primary method of contact for the Timebank, Cozy Corner, the Food Bank as well as working on the go. The android phone offered in replacement is slightly better than the current handset but by providing a IOS device we would enable easier files sharing between personal and working phones as well as the familiar usability to the user.

The upgrade of phone model and operating system is intended to improve workflow.

The current data package costs £6.36 per month for 5GB data from Three.

Package deals for phone and data through Three are quite expensive and are restricted to certain models. It may be better to consider remaining on the current plan with Three and purchasing a device.

Device only (example)

[Apple iPhone 12, 64GB, Black \(Renewed\) : Amazon.co.uk: Electronics & Photo](https://www.amazon.co.uk/Apple-iPhone-12-64GB-Black-Renewed/dp/B09JL4K84L)

Proposal

It is proposed to provide a budget of **up to £300** for the replacement of the Timebank mobile phone, make and model to be decided by Timebank and office for best value / suitability.

Funds to be taken from IT budget line (Available spend to date £2,087, current spend to date at 25.5% (£715)).

The latest government reports state that;

Young people in the UK face significant challenges including financial instability (poverty, housing, job insecurity), poor mental and physical health (anxiety, depression, obesity linked to diet), social isolation and increased online exploitation, rising crime (knife crime, drug dealing), and disruptions to education and social development from the pandemic and austerity, leading to a lack of opportunities and support. (say reports from the House of Lords, Barnardo's, Nacro, the University of York, the GOV.UK Youth Strategy, and King's College London).

Even without the above statement we all recognise that we have a responsibility to the youth of our community which now requires serious consideration. (Our parish population has now reached over 5,100.¹ and growing).

We have discussed previously the need for a provision of a youth facility and have a standing commitment to support the youth.

I would like the Parish to now push this agenda forward as a priority (our commitment was made in the Strategic Plan in 2022²)

I would like us to commence with a study of providing a Youth facility (probably on the Old Rec) to provide a permanent joint facility for the Scouting association, the Cadets, a Youth Centre ,Day centre and all other youth initiatives we have now and other uses that a large hall could be utilised for (Safe space , Food bank , Warm Hub.Home school meeting space etc).

I also propose that we visit as many comparable facilities and organisations to better understand needs and how to support them and also to meet with the local schools for similar fact finding.

I want to add here that we should also have consideration that if a 2 floor building is planned then the upstairs could provide fit for purpose parish Offices and meeting room.

Such Good Works need to be funded.

As a guide from the parish records The Hub building cost (in 2014) £650,000 including commercial kitchens.

I believe we need to make a start now in investing in the next generations and look forward to a full and frank discussion.

**TERMS OF REFERENCE FOR
MAYD JOINT COMMITTEE**

1. MAYD is a joint committee (as defined in the Local Government Act, 1972 s101(5)) consisting of serving parish councillors from Melbourn, Meldreth ~~and~~, Shepreth ~~and~~ ~~Foxton~~¹ Parish Councils.
2. This joint committee will consist of representatives from the participating Parish Councils at the time and representatives from principal authorities. In the event that a parish council withdraws from the MAYD Agreement, membership of the joint committee shall be made up of representatives from participating parish councils at the time.
3. The joint committee shall operate under the following Terms of Reference:-
 - (a) **NAME:** The joint committee will be known as Melbourn Area Youth Development (MAYD)
 - (b) **PURPOSE:** To provide activities for young people up to the age of 19 in order to promote their well-being and development delivered through structured youth work provided by qualified youth workers.
 - (c) **AUTHORITY:** ~~The joint committee is appointed for a period of 3 years in the first instance.~~ There will be up to ~~3~~ 5 councillors from Melbourn and up to 2 each from the other participating councils. The Chair, appointed at the first meeting, must be a Melbourn parish councillor. In the event of a vacancy by death, resignation or from any other cause other than the expiration of the term for which the member was appointed, the committee will co-opt new members drawn from the council from which the vacancy has originated. Majority voting will apply for all decisions, the Chair having a second and casting vote in the event of a tie.
 - (d) **FINANCE:** The joint committee will be financed by contributions from each of the participating authorities, as provided for in LGA, 1972 s103. ~~Contributions will be calculated based on attendance at youth club by young people from participating parish councils. Full details of the funding arrangements are set out in the Parish Councils' Financial Agreement attached as Appendix 1.~~ The money is to be held by Melbourn Parish Council for the exclusive use of MAYD. Melbourn Parish Council will invoice participating parish councils annually for their agreed contribution. Contributions to MAYD may be precepted by participating parish councils or secured through other funding sources. See Financial Agreement attached as Appendix 1.

¹ ~~Foxton Parish Council's contribution is for young people attending from their village only. They do not contribute towards other non-participating parish councils.~~

Youth Services

There have been 14 sessions run this term, and we have seen 57 young people.

Age	11	12	13	14	15	16	17	18+
Number Female	3	6	14	4	2			
Number Male	1	2	13	10	2			

Week Commencing	Number	Notes
01 Sep		No session – schools not back
08 Sep	14	Couple of new year 7s signed up. Nice atmosphere enjoying facilities. Chatted to some older ones outside to find out what they wanted to do in future weeks. Conversations about school, food, school subjects, teachers, holidays, sports and family visits.
15 Sep	26	YP were there waiting when we arrived. More interest in doing the quiz this week plus the usual use of computers and games consoles. Lovely atmosphere all evening with conversations about cooking activity for next week. Craft was very popular.
22 Sep	20	Toasties went down well with young people making their own including lessons in how to use a cheese grater! Lots of activity on PS5 and listening to music with conversations about school, subjects, caravans, homeless man. Good mix across age groups during cooking.
29 Sep	24	Warm evening with YP there waiting when bus arrived. Planned food activity for next week, enjoyed quiz on Space, listening to music, playing PS5. Conversations about music and appropriate lyrics, insects, Dubai chocolate.
06 Oct	27	Lively full session with popular pumpkin sewing craft. Conversations about relationships, bad influences, A couple of key one-to-one conversations about being in care and improvement with parents which will hopefully lead to moving back home, and the other about mental health issues, being discharged from CAMH, doesn't feel they can talk to parents so offered some options.
13 Oct	27	Few new members tonight. Most making use of games consoles, music and PCs. Not much interest in craft and quiz. Conversations about discharge from CAMHS (seemed more positive than last week), rubbish day at school, visiting potential colleges. Had to intervene over possible name calling.
20 Oct	23	A slow start but then built up. Enjoyed playing doughnut on a string game and chatted about ideas for food and activities for next term. Good conversations about school, crushes and Halloween.
27 Oct		Half-term
03 Nov	11	Quieter session but good chats about half term, TikTok, Halloween, injury from scooter accident, parties and visiting relatives. Enjoyed doing quiz but hot dogs not popular. One-to-one about returning to live with parents on staggered schedule (going well).
10 Nov	22	Good session with toastie wraps enjoyed by all. Lots of conversations in groups and individually about school, school dinners, cannabis (parental use), isolation at school today, punishments at home, having to stay at cousins.
17 Nov	22	slight delay due to traffic so YP very excited when bus arrived. A loud but good atmosphere, all in good spirits. Played tabletop games and football. Conversations about school, GCSE papers. Little bit of inappropriate language had to be challenged.

24 Nov	24	Very cold evening, but still enjoyed making milkshakes, playing cobbie, doing quiz and a bit of crafting. Conversations about school, Christmas, arguments with friends and fight, being wrongly blamed, concern for friend, mental health issues, self-harming incident witnessed at school.
01 Dec	15	Loaded hot chocolates available tonight, very popular. Much quieter atmosphere possibly a result of something that had happened at school. Bit of football played outside and good use of craft activity. Relationship issue came up which resulted in conversations about faithfulness, safe sex, legal ages and more.
08 Dec	21	great fun making gingerbread houses! Various conversations about school, football, mental health, importance of openness with parents, trial week moving back to parents.
15 Dec	25	Great last session of the term with party food, Christmas music and lots of chat. New member with additional needs attended and seemed to fit in well but normally clashes with football. Unfortunately, most of the evening was taken up with dealing with one YP who arrived very intoxicated, required first aid, water and trip to toilet. Staff had to provide lift home for his safety.

Dear Parish Councillors

Youth Work Provision for 2026/27

The past twelve months have been both productive and exciting as we oversaw the successful conversion of our two youth buses, supported by grant funding from The National Lottery Community Fund, the Foyle Foundation, and Joanies Fund. After gradually introducing the buses and resolving initial challenges, we launched a full programme of youth clubs, mobile sessions, and courses in September.

We are now delivering services in 16 communities each week, with a further two locations due to come online once recruitment is completed. Each week, we engage with more than 300 young people. Our recent annual user survey continues to show excellent outcomes, demonstrating the value young people place on our provision and the positive impact of their participation.

Our Babysitting and Generation Game courses (www.connectionsbusproject.org.uk/courses) have also become a popular addition to our open-access sessions. If the Parish Council is interested in offering these opportunities locally, we would be very happy to discuss this further.

The charity's trustees have now reviewed and agreed the fees that will take effect from 1 April 2026. Taking into account anticipated increases in the National Living Wage and rising operational costs, a 5% adjustment has been approved. This will bring the cost per youth bus/club session in Melbourn to £366.

We kindly ask that you continue to consider the needs of your young people and the importance of the support we provide. Please let me know by 16 January 2026 how you wish to proceed from April 2026.

If you have any questions or would like to discuss future plans, please do not hesitate to get in touch.

Yours sincerely

PROCEDURE: DISPENSATIONS FOR COUNCILLORS

PURPOSE: To set out the process whereby Councillors who otherwise would not be able to take part in council business (because they have a disclosable interest) can seek a dispensation.

SCOPE: This procedure applies to councillors. It applies to Disclosable Pecuniary Interest, non-disclosable pecuniary interests and non-pecuniary interests.

1. Introduction

Parish Councils are ~~now~~ responsible for determining requests for a dispensation by a parish councillor under Section 33 of Localism Act 2011. This is because they are a "relevant authority" under section 27(6) (d) of the Act.

This procedure explains:-

- (a) the purpose and effect of dispensations
- (b) the procedure for requesting dispensations
- (c) the criteria which are applied in determining dispensation requests
- (d) the terms of dispensations

2. Purpose and effect of Dispensations

In certain circumstances, Councillors may be granted a dispensation which enables them to take part in Council business where this would otherwise be prohibited because they have a Disclosable Interest as set out in the 'Scope' above. Provided Councillors act within the terms of their dispensation there is deemed to be no breach of the Code of Conduct or the law.

Section 31(4) of the Localism Act states that dispensations may allow the Councillor:

- (a) to participate, or participate further, in any discussion of the matter at the meeting(s); and/or
- (b) to participate in any vote, or further vote, taken on the matter at the meeting(s).

If a dispensation is granted, the Councillor may remain in the room where the meeting considering the business is being held.

Please note: If a parish councillor participates in a meeting where he/she has a Disclosable Pecuniary Interest and he/she does not have a dispensation, they may be committing a criminal offence under s34 Localism Act 2011.

3. Process for making requests

Any Councillor who wishes to apply for a dispensation must inform the proper officer of the parish council (ie. the parish clerk) as soon as possible before the meeting which the dispensation is required. This can be done via written application or by completing the Dispensation Request form as attached. Applications may also be made at the parish council meeting itself (if parish councils have a standing item on the agenda to deal with dispensation requests) and the nature of the interest has only become apparent to a councillor at the meeting itself.

The following wording for a ~~new~~ standing agenda item on declaration of interests and dispensations has been adopted as follows:

To receive and Declarations of Interest and Dispensations

- a) To receive declarations of interest from councillors on items on the agenda
- b) To receive written requests for dispensations for disclosable interests (if any)
- c) To grant any requests for dispensation as appropriate

A request for dispensation must be made on an individual basis.

4. Consideration by the Parish Council

The Parish Council has agreed to delegate to the parish clerk the authority to grant dispensations through a formal resolution to this effect:

"RESOLVE that the Council delegates the power to grant dispensations to the Clerk. The power rests with the relevant authority under section 33(1) of the Localism Act 2011 and the basis is set out under section 33(2). "

The parish clerk may grant a dispensation to a councillor who has a Disclosable Pecuniary Interest, a non-disclosable pecuniary interest or a non-pecuniary interest to participate in any discussion of a matter at a meeting and/or to participate in any vote on the matter (as per para. 2 above) if they consider that:

- (a) so many members of the decision-making body have disclosable pecuniary interests that it would impede the transaction of the business (ie. the meeting would be inquorate); or
- (b) the authority considers that the dispensation is in the interests of persons living in the authority's area; or

- (c) it is otherwise appropriate to grant a dispensation.

The terms of any dispensation shall be in accordance with paragraph 6.

The parish clerk should formally notify the Councillor of their decision and reasons in writing at the earliest opportunity ~~and in any event within 5 working days of the decision~~ or via minutes relating to a declaration made at a meeting.

5. Criteria for Determination of Requests

In reaching a decision on a request for a dispensation the parish clerk will take into account:

- (a) the nature of the Councillor's prejudicial interest
- (b) the need to maintain public confidence in the conduct of the Council's business
- (c) the possible outcome of the proposed vote
- (d) the need for efficient and effective conduct of the Council's business
- (e) any other relevant circumstances.

6. Terms of Dispensations

Dispensations may be granted:

- (a) for one meeting; or
- (b) for a period not exceeding 4 years.

7. Disclosure of Decision

Any Councillor who has been granted a dispensation must declare the nature and existence of the dispensation before the commencement of any business to which it relates.

A copy of the dispensation will be kept.

POLICY AND PROCEDURE: RISK MANAGEMENT

PURPOSE: To set out how Melbourn Parish Council will manage risks effectively to protect its employees, volunteers, assets, liabilities and community against harm and financial loss. Risk is the threat that an event or action will adversely affect an organisation's ability to achieve its objectives. Risk management is the process by which risks are identified, evaluated and controlled

SCOPE: Risk management is an integral part of the Council's management processes. It is a key element of the framework of governance and applies to all aspects of Melbourn Parish Council's work, including an assessment of risks to the success of major projects before they are begun.

1. POLICY:

1.1 The aim of this policy is to integrate risk management into the culture, of the Parish Council and to embed it through ownership and management of risk as part of all decision-making processes.

1.2 Melbourn Parish Council will classify risks into various types (these are set out in Appendix 1) but, for all categories, the direct financial losses may have less impact than indirect costs such as disruption of normal working.

1.3 The risk management process is an integral part of making sure that Council has an appropriate level of insurance cover. However, not all risks are insurable and, for some, the premiums may not be cost-effective. The policy must therefore emphasise the need to identify and manage risk

2. OBJECTIVES

2.1 The implementation of the Risk Management Policy will enable Melbourn Parish Council to:

- a. Integrate risk management into the culture of the council.
- b. Eliminate or reduce risks to an acceptable level.
- c. Anticipate and respond to changing social, environmental and legislative requirements.
- d. Prevent injury and damage and reduce the cost of risk.
- e. Raise awareness of the need for risk management.

2.2 Identifying and managing risk is a key requirement of the Council's audit procedures and will be examined by the Internal Auditor. As a Council, Councillors have to agree annually (as part of the Annual Governance Statement) that:

"We carried out an assessment of the risks facing this smaller authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required."

3. PROCEDURE

3.1 Risks may be identified through a systematic review of activities and service provision or they may result from discussion of new projects and activities. It is the responsibility of all Councillors, employees and service providers to think about the risks associated with their own responsibilities in the Council, and to bring any areas of deficiency to the Clerk. Members of the public and volunteers must be encouraged to ask the Council about how it is dealing with risks.

3.2 Specific tasks are as follows:

- a. Annual review of this policy, accompanied by an assessment of whether risk management is embedded in the culture of the Council.
- b. Following adoption of this policy, a review of risks under the categories set out in Appendix 1 faced by the Council.
- c. An annual review of the financial risk assessments to be carried out by ~~[Finance Committee]~~ Finance & Good Governance Committee and to be completed before the Annual Parish Council meeting to support completion of the Annual Governance Statement and ~~5-k-xiv~~ 18a ii of the revised Standing Orders. An annual review of non-financial risks to be carried out by the Chair who may delegate the review of certain risk assessments as they see fit.
- d. To carry out an assessment of the risks associated with any new project, process or function and put in place a risk management plan to address those risks

3.3 Risk Assessment Format

There will be a list of identified risks, together with a management plan for each risk deemed 'High'. Appendix 2 illustrates the general format to be used for the management plan for individual risks deemed to be 'High'.
