

Melbourn Parish Council Pay Multiple & Senior Salaries

Year to 31st March 2026

The pay multiple for Melbourn Parish Council is : 1.82 **

This is calculated as the ratio between the highest paid employee and the median full time equivalent salary*** of the council's workforce.

* The taxable earnings calculation includes base salary and overtime.

** During the year MPC had eight part-time employees with contracted hours of between seven and 35 hours per week.

*** For the purposes of the pay multiple calculation Full Time Equivalent salaries were used.

Senior Salaries

Melbourn Parish Council has **one employee** with a full-time equivalent salary of **£50,000 or more**.

The employee is the **Responsible Financial Officer**, whose salary falls within the band **£50,000–£54,999**.

Pay Policy

MPCs pay policy documents are published on the Parish Council website: Employment Policy and Salary Review Policy
