MIX MUSIC

WHAT WE'VE BEEN UP TO

We have continued to run our regular Monday night sessions, which are still going strong. Although we have lost a couple of attendees this year, we have potentially gained a new starter, which is encouraging.

We are also currently looking at introducing sessions for younger children, with half-hour sessions planned for one term as an initial trial.

Over the past year, we have provided a range of exciting opportunities for the young people involved. Last year, we organised an outing to the We DJ Expo in London, which was an amazing experience. One of our DJs got to perform at Kool FM.

In December, we took the group ice skating in Cambridge for our Christmas outing, which was a great success.

In addition, we delivered three Day Discos for MACS, and we are planning to do the same again this year.

We have many ideas for the future of the project. We had planned to organise a music event following the village fete in June. However, due to a particularly busy start to the year for us personally, and as the project is currently run by just the two of us, we have decided to postpone this until summer 2027. This will allow us to dedicate the time, effort and funding required to organise the event properly and to work more closely with the fete organisers from an earlier stage.

We both give our time on a voluntary basis and are very happy to do so. We are coming into our 4th year of running the sessions and supporting young people in the village.

The start of this year has been a little slower than usual, with many of our regular attendees currently focusing on their GCSE studies. We also tend to find that attendance naturally slows during the winter months, although participation consistently increases again as the year progresses.

Looking ahead, we remain very hopeful that the youth community organiser may become available to help strengthen and expand youth provision in the village and support us with what we need in order to gain access in the schools. In the meantime, we will continue to run our sessions and provide this positive opportunity for young people in the community.
