Subject: NEW ICE CREAM TRADER CONSENTS

Dear Parish/Town Clerk

Further to previous communication and consultation, I wish to advise you that the new Street Trader Consent for Ice Cream Traders is now available for traders to apply for.

The process is different as it allows ice cream vendors to operate throughout the District provided they have written consent from each Parish they wish to trade within. This means you will not be consulted on the application as you are for other street trader application types. If you do not give consent, the trader cannot operate within your Parish boundaries.

The policy and further information is available on the Council's website: [Street trading licences - South Cambs District Council](#) .

The consent has a few requirements, and each ice cream van and employee would need to be licensed. No trading may take place within 50 metres of schools during term hours/times unless express written permission has been obtained by the school.

Whilst the consent will give greater flexibility, to allow trading by multiple companies, no trading (by the consented company) in any location for more than 15 minutes, and to not return to that street/location within 24 hours.

Best wishes

Rachel
