Subject: PLANNING AGENDA FW: GCP Traffic Regulation Orders update
Date: 03 September 2026 08:31:46
Attachments: [image.png](#)

I believe this is in relation to the Melbourn Greenway – please add to the planning agenda if possible. If not we will add to sept Full.

Subject: GCP Traffic Regulation Orders update

Dear Recipient,

This email is to inform you that a delegated decision meeting took place on 30 January 2026 between the GCP Service Director and local councillors. The following Traffic Regulation Orders were agreed:

- PR1106: proposed 20mph speed limit on Station Road, Meldreth.
- PR1107: proposed traffic calming works in Melbourn and Meldreth village including raised tables, speed humps, pedestrian crossings and shared use footway/cycleways.
- PR1111: to prohibit waiting at any time around the junctions of Whitecroft Road and High Street, Meldreth.

Further information can be found on [our website](#).

Kind regards,

Greater Cambridge Partnership.
