3.12. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

4. Budget and precept

4.1. **Before setting a precept, the council must calculate its council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Clerk and the Chair of the Council or relevant committee. The RFO will inform committees of any salary implications before they consider their draft budgets.

4.3. No later than December each year, the RFO shall prepare a draft budget with detailed estimates of all income and expenditure for the following financial year {along with a forecast for the following [three financial years}, taking account of the lifespan of assets and cost implications of repair or replacement.

4.4. The draft budget with any committee proposals and three-year forecast, including any recommendations for the use or accumulation of reserves, shall be considered by the finance committee and a recommendation made to the council.

4.5. Having considered the proposed budget and [three-year] forecast, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

4.8. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

5. Procurement

5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.

5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**

5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:

5.6. For contracts estimated to exceed £60,000 including VAT, the Clerk shall advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation. Tenders shall be invited in accordance with Appendix 1.

5.7. **For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation regarding the publication of invitations and notices.**

5.8. For contracts greater than £5,000 excluding VAT the Clerk or RFO shall seek at least 3 fixed-price quotes;

5.9. where the value is between £500 and £5,000 excluding VAT, the Clerk or RFO shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.

5.10. For smaller purchases, the clerk shall seek to achieve value for money.

5.11. **Contracts must not be split to avoid compliance with these rules.**

5.12. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

i. specialist services, such as legal professionals acting in disputes;

ii. repairs to, or parts for, existing machinery or equipment;

iii. works, goods or services that constitute an extension of an existing contract;

iv. goods or services that are only available from one supplier or are sold at a fixed price.

5.13. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council via recommendation from the Finance and Good Governance Committee. Avoidance of competition is not a valid reason.

5.14. The council shall not be obliged to accept the lowest or any tender, quote or estimate.

5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- the Clerk, under delegated authority, for any items below £1,000 excluding VAT.
- the Clerk, in consultation with the Chair of the Council or Chair of the appropriate committee, for any items below £1,000 excluding VAT.
- a duly delegated committee of the council for all items of expenditure within their delegated budgets for items over £1,000 up to £5,000 excluding VAT
- in respect of grants, a duly authorised committee within any limits set by council and in accordance with any policy statement agreed by the council.
- the council for all items over £5,000;
- For items of expenditure related to and explicitly included as part of full council pre-approved contracts covering embedded building systems and services (on any/all Parish owned buildings), the Clerk will authorise both scheduled and unscheduled work as arises provided within budget. If work is required that falls outside of contract terms it will be authorised by exception, either by agenda at full council or through councillors by email decision

- Urgent Emergency Work: Circumstances may arise where emergency service or equipment replacement is needed for safety reasons or (in the specific case of the Hub building and or its commercial operations) where urgent approval of spend is required to protect the assets or finances of the Hub and the council. When this arises the following authorisation process will be used, depending on the case in question:
  .1. For items of budgeted non-contract expenditure on the Hub, the Clerk and Chair can authorise expenditure up to £1,000. This provision relates to items requiring emergency action.
  .2. For items of expenditure relating to emergency maintenance which fall between £1000 and £5000 the Clerk will issue an email decision notice to all Parish Councillors (who are not also Directors of the Hub Management Group) and subject to a majority approval authority will be granted to the Clerk to action payment of approved amount.
- Where immediate action relating to emergency maintenance is needed to protect Parish assets and the Hub business, the Clerk and Chair can authorise up to £15,000 provided retrospective approval of full Council is obtained. Such action should be taken with the support of Hub management and cost estimates obtained prior to acting. Such authority is to be evidenced by a minute, email or invoice duly signed by the Clerk, and where necessary also by the Chair

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

5.16. No individual member, or informal group of members may issue an official order unless instructed to do so in advance by a resolution of the council or make any contract on behalf of the council.

5.17. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council or a duly delegated committee acting within its Terms of Reference except in an emergency.

5.18. In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.

5.19. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

5.20. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

6. Banking and payments

6.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Unity Trust Bank for daily banking. The arrangements shall be reviewed six monthly for security and efficiency.

6.2. The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.
